QuickTrip and Starbucks construction begins, Sportsman 2 opening Nov. 21

Sanger closer to a national chain grocery store

Dirt work has started on QuickTrip and Starbucks Coffee in Sanger. They will be located on FM 455W at I-35 intersection. The QuickTrip will be located on the old property of Super Save and Burrus Supermarket. The TxDOT expansions of I-35 and FM 455 swallowed up several feet of the Right of Way at this location, leaving it too small for another grocery store, but a perfect size for the QuickTrip. They are an American chain of convenience stores based in Tulsa, Oklahoma that primarily operates in the Midwestern, Southern, and Southeastern United States as well as in Arizona. QuikTrip is one of two convenience store chains based in Oklahoma.

Starbucks is being constructed between Chicken Express and Acker Street on FM 455. Starbucks Corporation is an American multinational chain of coffeehouses and roastery reserves headquartered in Seattle, Washington. It is the world's largest coffeehouse chain. As of November 2021, the company had 33,833 stores in 80 countries, 15,444 of which were located in the United States.

The Sportsman 2 Travel Stop is opening Monday, November 21st. It is located on I-35 and Lois Road East, next to

Walmart Logistics. They are doing a soft opening. Construction is now completed on the 10,000 square ft., building. 8,000 square ft., for the convenience store and restaurant and 2,000 square feet for a Liquor Store, 8-regular gas pumps in the front of the store to fuel 16 vehicles and 5 separate diesel pumps in back, overnight parking for 18-wheelers, and 2 – separate canopies. Sodhi & Rai, Inc. is opening the new business. This company owns the original Sportsman in Sanger, located on the corner of 5th Street and Chapman Drive.

The Sanger City Council had a workshop session last month to hear a presentation of a potential development on the northwest corner of FM 455 and I-35. The development would stretch all the way to Belz Road. Nikki Moore, of A.N. Consulting, provided a presentation and overview on behalf of Malouf Interests regarding a proposed mixed-use development for

retail, single family, multi family and apartments. The discussion ensued regarding build to rent concept, average home prices, average home rental prices, average lot and home square footage, multifamily density, reducing the multifamily density, accessibility within the subdivision, adding parks to the single-family residential area, designed standard scoring system, the architecture of the multifamily units, increasing the lot sizes for homes along Belz road, improvements to the commercial retail area, addressing the connectivity issues to the potential grocery store and other commercial sites and phases of constructions.

Malouf Interests and Greystar has negotiated with several national chain grocery stores on previous developments. They told the City of Sanger representatives that they have a well known national chain ready to open in Sanger. They said once the project is approved they are ready to announce the grocery chain. They also said it could be open in two years,

e-Devices Available for Checkout

By: Audrey Tolle
Library Director

The Sanger Public Library offers several different types of electronic devices for cardholders to check out, and we plan to add others soon!

Playaways are small, lightweight players pre-loaded with an audiobook. They have been a part of the library's audio collection for a few years, and we've recently expanded the number of titles for both children and adults. While we have downloadable audiobooks through two of our digital services, they aren't always the best option for people who aren't comfortable with or don't have the time to figure out the steps involved in getting audiobooks onto their smartphones. Playaways are convenient; they can be plugged into a car's auxiliary jack, and thanks to their small size, can easily be used while exercising, doing housework, or other activities.

We have also had Launchpad tablets available for several years. They come pre-loaded with different educational apps, eBooks, and other content for specific age groups and don't have Internet access. Most of our fifteen Launchpads are for younger children, although we do have a few for teens and adults, mainly for ACT and SAT preparation and learning Spanish. We require that borrowers have had a Sanger or other NTLC library card in good standing for at least 6 months and sign an agreement form before checking one out. We also charge late fines of \$1.00/day on these items.

Our latest addition to the e-device lineup is Hotspots. We received ECF funding to offer this service through the first half of next year. Nine T10 Mobile Hotspots can be checked out to patrons 18 years or older who've had a Sanger library card for three or more months. There are some other requirements, stipulated in the policy and agreement form. Like Launchpads, a fine of \$1.00/day will be assessed if they are more than three days late. We want to make these valuable devices available to as many of our cardholders as possible, and hope those who check them out will abide by the policies we've established to achieve this goal.

For more information, please call the library at 940-458-3257 or see our website at: <https://www.sangertexas.org/185/Library>.

(Continued from pg. 1)

which is an expedited pace at this early stage of the process. The major grocery store chain has a policy of not announcing their name, until a development is approved by city agencies. This has been the standard procedure in previous projects that Malouf Interests has worked with this particular grocer.

Brian Andrus, who represents the investment company that owns the land (Porter Investments) and is negotiating the sale, spoke regarding a proposed Self Storage facility on three acres of the property, as well.

Representatives from Greystar and Malouf Interests, Inc., also answered questions regarding the development.

City staff members in attendance: City Manager John Noblitt, City Secretary Kelly Edwards, City Attorney Hugh Coleman, Finance Director Clayton Gray, Director of Development Services Rammie Hammonds, Director of Economic Development Shani Bradshaw, Marketing and Civic Engagement Director Donna Green and Director of Public Works Jim Bolz.

Five Sanger planning and zoning commissioners were present: Sally Amendola, Jackie Turner, Allen McAlister, Matt Fuller and Jason Miller. City council members present: Mayor Thomas Muir, Marissa Barrett, Dennis Dillon Allen Chick and Victor Gann.

For the Sangerites skeptical of the possibility of this coming to fruition. These two companies already have the financing available. It's just waiting

approval by the Sanger Planning and Zoning and City Council. The vote is expected in the next two months. The City of Sanger staff, council and mayor are suggesting revisions and doing their due diligence with the proposed developers to make sure this is an anchor and showcase for the future growth of Sanger.

Malouf Interests is a Real Estate firm experienced in the development of retail, mixed use, office and medical properties and raw land. Services include turnkey build-to-suits, site

selection, financing, leasing, and redevelopment. Mr. Malouf has developed for dozens of national retailers including Tom Thumb, United Supermarkets, Sprouts, LA Fitness, Walgreens, Best Buy, Starbucks, Staples, Office Depot, Bank of America, McDonald's, Chick-Fil-A, Wendy's and 7-11.

Greystar Real Estate Partners, features 158 completed projects and 108 currently under construction. They are one of the largest developers in the United States. Greystar has total assets US \$59 billion (June 30, 2022).

SHS volleyball dominates all-district honors

The Lady Indians lost to Glen Rose in the Area Round - 22-25, 21-25, 23-25, recently. Elaine Pomeroy led the offense with 13 kills followed by Carly Schmucker with 8 kills. Carly led the team in digs with 16, followed by Delaney Gonzalez with 12 and Liana Burgess and Ella Reese each had 11 digs. Ella had 17 assists and Liana had 12.

“Overall, we are very proud of the team this season,” said Sanger coach

Scott Montgomery. “I knew that we had a ton of talent this year. But after graduating nine players, it was a question of how quickly we could put it together. This team gelled very quickly. I put a lot of that on the leadership within the players themselves. And they are a very selfless group. They want to have fun and they want to win. And we did a lot of both this year!”

quite a few individual milestones, individual team records and even a

few team records. The best of all of that being the first outright district title since 1977 and most wins in program history.

“We are graduating four amazing seniors who contributed so much in their time with the program. But there is a lot to be excited about for next year with seven players returning and some talented younger players who will be able to step in and fill the holes vacated by the graduates.”

SHS Indians lose playoff game 69-55

Sanger's varsity football season ended with a 7-4 record. They lost the bi-district playoff game 69-55 to Caddo Mills in Richardson last Friday. A combined nine touchdowns were scored in the fourth quarter by both teams. Sanger racked up 610 yards of offense in the contest.
