Sleetmageddon blankets Sanger

TxDOT had crews out snowplowing and spraying deicing fluid on I-35 just north of Sanger after the storm hit.

Two Highland Cows eat hay while it snows Sunday afternoon, off Union Hill Road in Sanger. The Highland is a Scottish breed of rustic cattle. It originated in the Scottish Highlands and the Western Islands of Scotland and has long horns and a long shaggy coat. It is a hardy breed, able to withstand the intemperate conditions.

The meteorologist accurately predicted the winter storm that blanketed Sanger with sleet and snow this past weekend, causing temperatures to plummet into the single digits. From Saturday through Monday, the area resembled a ghost town as most residents stayed off the slick streets. Many businesses were closed, but Tom Thumb, Dollar General, Sportsman, Sportsman 2, Pit Stop, and Quick Trip remained open.

By Tuesday afternoon, most restaurants had reopened as temperatures finally rose above freezing. However, the streets remained problematic on Wednesday morning as the melted ice froze again on heavily traveled roads and not much relief on untreated side streets. Sanger ISD was closed on Monday, Tuesday, and Wednesday because of the hazardous conditions.

Residents made the best of the storm, as shown in pictures throughout this newspaper. They found creative ways to sled and have fun.

The City of Sanger and CoServ electric crews deserve commendation for keeping electricity running through the storm, working overtime to ensure homes and businesses stayed warm. Cleanup from the wintery mix will take some time, as the ice takes a while to melt.

A deer walks through the picnic area at Isle Du Boise State Park at Lake Ray Roberts as the sun sets looking west across the lake towards Sanger.

Lake Ray Roberts boat house three collapsed from the weight of the sleet/snow. This was a brand new boat house that was being constructed. There were no boats in the slips and it was replacing the boat house that was completely destroyed in a tornado in May of 2024. Boat house nine sustained damage, as well from the sleet and part of the roof collapsed and some boats were damaged.

John Henderson, of the City of Sanger Street Department, clears the parking lot at the Sanger Police Station on Tuesday evening with a CASE frontend loader.

Church of Christ awning collapses

On Monday January 26, the south parking awning of the Sanger Church of Christ collapsed. No injuries were incurred. As you can see in the still photos of the security camera on the building, the four inches of sleet on the roof of the awning was too heavy. The support posts buckle in the top photo and the entire awning mid-collapse in the middle photo. The awning is laying in the parking lot in the bottom picture.

Family First Automotive Beats the Odds and Opens New Facility

Family First Automotive's new facility is now open. Their new automotive service center located at 300 N Stemmons in Sanger opened this week.

Family First Automotive was founded in 2013 as a true family owned and operated business. Though they quickly became known for their automotive retail sales and financing, since the Covid-pandemic era shut-downs, their business has shifted its focus more to automotive service and

repairs. Now, with the construction of a new four-bay facility, Family First Automotive has moved all-in to lead Sanger, the surrounding communities, and the greater North Texas region as a first-class vehicle service and repair company. "One of the biggest blessings of running a family business is the ability to interact with our customers and work hard to meet their daily needs. With the volatility we have experienced in the automotive finance industry, we began

to lose that ability. By focusing on service and repairs, it allows us to re-center our focus of having a servant's heart and mindset for our customers and community," said owner

and GM Jofree Fincher.

In addition to a better and more accessible location, the expansion also increases Family First Automotive's ability to be a true one-stop shop for their customers' needs. "With our new facility and upgraded equipment, we can now provide a full array of services to consumer vehicles, work trucks, and fleet vehicles. Whether it is something as simple as an oil change, new tires, alignment, state inspection, or more in-depth jobs including engine and transmis-

sion replacements, diagnostics, electrical work, and more, we can provide exceptional service," said owner and Service Director Kendra Fincher.

Family First Automotive is focused on providing high-quality automotive services with full transparency, and doing so with the highest level of customer service that only a Texas family-owned business could provide. If you would like to find out what sets this Mom & Pop business apart from the competition, you can call

to schedule an appointment at 940-458-8519, visit their new service center at 300 N Stemmons in Sanger, or you can visit them online at FamilyFirstAutomotive.com. For local customers, in-town shuttle and concierge services are provided at no additional cost.

The Grand-Opening Celebration Ribbon Cutting ceremony hosted by the Sanger Area Chamber of Commerce will be held Monday, February 2 at 8 a.m. Come on out and see the new facility.

Man falls through ice at Porter Park pond

He was wanting to ice fish, thankfully unharmed

nated driving area toward the pond and then walked onto the ice to test its thickness to see if he could ice fish. The ice gave way, and he fell through.

North Texas weather is generally not suited for ice fishing. Winters here are typically mild and short, with temperatures frequently rising above freezing. Even during brief cold snaps, freezing conditions rarely last long enough for ponds or lakes to form thick, stable ice. Sun exposure and rapid warm-ups further weaken ice, making it extremely dangerous.

"Please stay off the ice, regardless of how thick you believe it may be.

Your safety is our priority. Conditions can change quickly, and ice in North Texas is never considered safe for recreational use."

With winter weather possibly headed our way, we want to remind you of Sanger ISD's Winter Weather Protocols.

Our top priority is the safety of our students and staff. District officials closely monitor weather conditions, considering road safety, wind chill, and other factors. Decisions about delays or closures are made with care and communicated through:

- Sanger ISD website
- Facebook and Instagram
- District-wide messages via Parent Square
- Notifications on major broadcast channels

Staying connected helps ensure everyone gets timely, accurate information if and when weather impacts our school day.

We aim to make decisions by 6:00 AM to accommodate school transportation routes and family schedules. Our considerations include the safety of young student drivers, student walkers, and parents navigating the roads.

If there are no updates or communications, please assume school is operating on a normal schedule with regular bus routes and start times.

Inclement weather information for Sanger ISD can be found here: <https://www.sangerisd.net/studentsparents/inclement-weather>

SHS boys soccer team earns first UIL varsity district victory in school history

Sanger Sports Corner Boys Soccer Recap
Presented by Underwood's Heating & Air

Last Tuesday night marked a historic moment for Sanger High School Boys Soccer as the Indians earned their first-ever UIL victory and first district win in program history with a thrilling comeback win over Pilot Point.

Sanger found themselves trailing 1-0 at half-time, but the boys never wavered. The second half told a completely different story as the Indians turned up the pressure and controlled the pace of play.

The equalizer came in dramatic fashion in the

23rd minute of the second half, when Angel Morales delivered a perfectly struck corner kick that bent straight into the net for an Olimpico goal, igniting the Sanger sideline.

With momentum fully on their side, the Indians kept pushing—and it paid off in the final moments. With just one minute remaining, Joe Trail stayed ready in front of goal and finished a rebound to give Sanger the decisive game-winner and seal a night that will be remembered in program history.

After the match, SHS coach Raul Castillo reflected on the milestone win:

"The boys played really well all around, this was a big team win. I am extremely proud of how well they responded after going down a goal, it is a testament of how hard they have been working this year."

Sanger Sports Corner provided these district game recaps. Check them out on FaceBook.

SHS girls soccer team earns first UIL varsity district victory in school history

Sanger Sports Corner Boys Soccer Recap
Presented by Underwood's Heating & Air

The Sanger Lady Indians earned their first win of the season in thrilling fashion last Tuesday night, battling past Pilot Point in a hard-fought varsity district match that showcased grit, resilience, and true team chemistry.

From the opening whistle, the match was back and forth with both teams creating scoring

chances. Despite generating opportunities, Sanger went into halftime trailing 1-0. After making key adjustments at the break, the Lady Indians came out energized and wasted no time evening the score. Just one minute into the second half, senior America Jimenez found the back of the net to tie the match, marking her third goal of

the season.

With regulation ending in a tie, the match was decided by a penalty kick shootout, where Sanger rose to the moment. Senior Luz Limon buried the deciding PK, while senior Valeria Andrade Gutierrez was perfect, converting both of her penalty attempts.

The spotlight, howev-

er, belonged to freshman goalkeeper Araceli Rodriguez, who delivered a performance beyond her years. Rodriguez blocked an incredible 9 of the 13 penalty kicks she faced, repeatedly keeping Sanger alive and ultimately sealing the victory for the Lady Indians.

Sanger will look to carry this momentum into their next matchup tonight against Bonham High School.

"I am truly proud of the girls for not only the effort that was put forth during last night's win but also their 'never give up' attitudes throughout the

game. There were times where it looked like our fate had been determined and they would work together and pull themselves out of a jam. It was without a doubt a total team victory last night," said SHS girls soccer coach James Press.
