Second City of Sanger Comprehensive Plan Meeting held

The City of Sanger held its second public involvement meeting recently at Sanger High School to update the City of Sanger Comprehensive Plan. The meeting was facilitated by Rick Lesner with Norris Design and Jason Claunch with Catalyst Commercial. The meeting included a presentation by both consultants and an opportunity for participants to express their vision for the future of Sanger.

Representatives from Sanger city officials, city council and city planning board members, Sanger chamber of commerce directors and Sanger ISD administration were on hand, as well as residents.

The Comprehensive Plan is: The blue print of the community; The guide for growth and development; Downtown Vision; Increase in Quality of Life items; Time schedule; Citizen involvement.

A new City of Sanger logo and “brand” was unveiled at the meeting. The

Sanger residents answer 36 questions about the three scenarios presented at the second Comprehensive Plan meeting.

WELCOME TO SANGER
WHEN YOU'RE HERE, YOU'RE HOME.

Attendees look at a map of one of the three plans. See all three maps on page 7. There was also a Idea Board to make suggestions.

logo has a modern font with a historical look and a new saying - “Welcome To Sanger, When You’re Here, You’re Home.”

The meeting allowed for community input so that the city leadership could decide the best developmental approach for the future. The public got to hear about three different scenario plans. Northern DFW Gateway

is more business oriented, especially on I-35, with a lot of housing and apartments. The Neighborhood plan (Village) was more residential. It is still business interested, but more about housing, walking paths in neighborhoods, etc. The last plan (Ranch) is less density and favors historical preservation, large plots of land for houses.

Lesner pointed out there is a balance of Residential vs. Commercial

Property and the Property value vs. the cost of municipal services.

1. Retail and office provides high property values and good revenue to city’s via property tax.

2. It is commonly considered the break even point for SF residential vs. the cost of municipal services is \$250/\$300K.

3. All cities need a balance of commercial and residential land uses to provided good adequate services.

Norris Design established thirty-six (36) questions regarding the scenarios. They were listed by City Wide and Downtown for the 3 scenarios.

For updates, please visit the Sanger Comprehensive Plan website at: <https://www.sanger-2040plan.com/>.

A third meeting for the public to implement the plan will be held in August or September.

VENDOR FAIR...

AN INVITE FROM THE SUPERINTENDENT

Dear Business Owner,

Sanger ISD faculty and staff will welcome the new 2021-2022 School Year on August 9, 2021.

An invite is extended to you, our Business Partners, to our Traditional Vendor Fair to be held at Sanger High School, 100 Indian Lane, during the 2021 Welcome Back Convocation.

Now is the time to call and reserve your \$100 vendor table spot! Contact Marta Chavez at 940-458-7438 ext. 24, by July 29 to reserve your spot! The funds collected will be used as door prizes for our staff members at the close of our program, so we must collect everything in advance – therefore, reservation and payment are due no later than August 2, 2021.

Gather at Sanger HS Commons at 7:15 a.m. to begin setting up your table. The Vendor Fair will run from 8:00 a.m. to 9:00 a.m. The welcome program will begin at 9:00 a.m., with breakfast being served from 7:30 a.m. to 8:30 a.m. Please be sure to bring business cards, flyers, displays, and any small marketing materials and door prizes for distribution to our staff.

Every year our staff looks forward to all the fabulous opportunities our partners have in store for them and it gives us an opportunity to say thank you for always supporting education.

Remember, *It's a Great Day to be a Sanger Indian* and we look forward to our continued Partnership with you throughout the 2021-2022 School Year!

See you at the Fair!
