## Murphree wins Denton County Sheriff with 94% of the votes

Denton County Sheriff Tracy Murphree, of Sanger, will keep his badge for another four years after winning about 94% of the votes Tuesday.

Murphree won the Republican primary election in March 2020 against two challengers.

Originally running unopposed, Murphree drew out an opponent in write-in candidate Freyja Odinsdottir, who filed to run in August. Odinsdottir worked at the Denton County Jail as a jailer from 2015 to 2019 and served in the Marine Corps.

Odinsdottir said she was disappointed not only in her results but also the voter turnout compared with the number of registered voters and the voter registration compared with the county population.

"I'm surprised, I guess, that I didn't at least win the City of Denton because I had a lot of support here," Odinsdottir said. "I thought I was going to do well, but I don't think anyone's honestly surprised."

In early voting returns, Murphree had 254,786 ballots casts for him compared with 15,932 for Odinsdottir. Murphree ended

Tracy Murphree

with with 279,130 votes 94.34% with 100% of the votes counted Wednesday morning.

Murphree was first elected in 2016 with 79.84% of the votes, according to Denton County Elections Administration. That race saw a turnout of about 240,000 people.

## Sanger's Stucky re-elected to Texas House District 64

Incumbent Rep. Lynn Stucky, R-Sanger, was re-elected to Texas House District 64 with 54.92% of the votes 47,990 counted from all Denton County precincts Tuesday night.

Stucky, 62, will begin his third term at the state House in January following his reelection. He gained a challenger in Democrat Angela Brewer, an adjunct professor at the University of North Texas, for the state House seat.

"First of all I'm just honored to be able to represent District 64 again for the third time," Stucky said in a phone call Tuesday night. "Overwhelmingly, it was an awesome victory, winning by more than we did even the last time. It was hundreds and hundreds ... of thousands of dollars pouring out of state from my opponent. The good people of District 64 believed in local representation from someone who's been around for 37-and-a-half years."

Denton County has seen an increase in vot-

er registration and turnout this year, which also translated to the votes cast for the state House seat. In 2018, 68,626 votes were cast in the race for the state's 64th District. With all precincts reporting, 87,379 ballots were counted by late Tuesday evening.

Stucky, a veterinarian, first won the seat in 2016 with 61.59% of the

votes after former Republican Rep. Myra Crownover retired. He was reelected in 2018 with 52.8% of the votes, according to the Denton County Elections Administration.

House District 64 covers Denton, Krum, Corinth, Shady Shores, Hickory Creek and Lake Dallas, and small portions of Lewisville, Sanger and other areas.

Incumbent state Rep. Lynn Stucky, R-Sanger, watches election results from his home Tuesday night. Stucky won his reelection bid for a third term in the state House of Representatives.

## Fresh Inspiration for Cooking: New Cookbooks at the Sanger Library

BY LYNNE S. SMILAND

As many of us have stayed home more in the past seven months, many of us are cooking more as well. Sanger Public Library has added 18 new cookbooks to our collection in the past few months to provide our patrons with fresh inspiration and ideas.

Tex-Mex foods are always a favorite, and we have some exciting additions. Mexican Every Day, written by Top Chef Masters winner Rick Bayless, features quick and easy dishes that are almost all ready in 30 minutes or less. Tamales 101 by Alice Tapp, of Tamara's Tamales fame in California, has recipes of all kinds --traditional, specialty, vegan, and sweet. The Homesick Texan Lisa Fain gives us Queso!, with more than 35 varieties, including bacon, spinach, shrimp and crawfish. Salsas and Moles by Deborah Schneider has salsas for table, topping, and cooking, using a variety of chiles and ingredients such as tomatillos and avocados.

We also have Tex-Mex Diabetic Cooking by Kelley Cleary Coffeen, for some lighter versions of favorites. This book, and Fix-it and Forget-It Diabetic Cookbook by Phyllis Pellman Good, are both endorsed by the American Diabetes Association. Another new healthy book is 28 Days of Clean Eating by Sonoma Press. This book features 150 recipes focused on organic produce, humanely raised proteins, and avoiding processed foods and sugars.

The Taste of Home series of cookbooks are quite popular, and we have two new ones. Their Five Ingredient Cookbook has over 425 quick and easy recipes, while the Ultimate 9 x 13 Cookbook has 315 sheet pan recipes. Cooking an entire meal on a sheet pan means fewer dishes to wash!

We also have some new general cookbooks. Kelsey Nixon from the Cooking Channel gives us Kitchen Confidence, which includes many tips and substitutions to mix things up. The Weekday Lunch & Breakfast Cookbook focuses on quick and easy meals. The author, Mary Younkin, is the creator of BarefeetInTheKitchen.com, a website with abundant recipes. The Gourmet Dad is by Dean McDermott, a winner of Celebrity Chef Cook off on The Food Channel and a former host of Canadian Chopped. As a father of five, he knows about picky kids, so his recipes for adults almost always have substitutions or ingredients that can easily be omitted to make the dish more child-friendly.

While the library already has two Instant Pot cookbooks, they tend to

stay checked out, so we added two more. Cooking with Your Instant Pot Mini by Heather Schlueter is designed for the 3-quart version, great for sides and smaller meals that are quick and easy. Dinner in an Instant by Melissa Clark uses more ingredients and the meals generally serve four people.

To end on a sweet note, the library has four new dessert books to enjoy. Flavorful by Tish Boyle has 150 recipes focused on well-loved flavors such as chocolate, caramel and coffee. Baking Gold by Jami Curl uses three different doughs, two batters, and one dry mix, which can be a base for a variety of cookies and brownies. She also has ideas for a brownie party, cookie party, and a sprinkle party. Baking with the Brass Sisters by Marilyn and Sheila Brass (aka "The Food Flirts" from PBS) has over 125 recipes for breads, cakes, cookies, cheesecake, and even savory baked goods. Chocolate-Covered Katie by Katie Higgins is also the name of the author's popular website. Her focus is on healthy desserts and sweet breakfast items using healthier ingredients, such as tofu in a key lime pie cheesecake and adding zucchini to chocolate cupcakes. Most recipes are vegan, some are gluten free, and she gives the nutritional information on each as well.

With so many new cookbooks to choose from, probably the best solution would be to come to Sanger Public Library and browse through them! Just call 458-3257 to make an appointment.

# Indians beat Van Alstyne, play for second place on Friday at Celina

Sanger's varsity boys beat Van Alstyne last Friday in impressive fashion 42-7. Seniors Tallyn Welborn and Zach Shepard combined for five touchdowns for the Indians. Junior quarterback Rylan Smart threw two strikes to Shepard for 42 and 56 yard scores. Smart also ran the final touchdown in from the 1-yard line in the fourth quarter.

Sophomore Ben Turnbow had a big interception in the first quarter to set up a Sanger score. Creed Carter

had 20 tackles, including four for a loss against the Panthers, to lead Sanger.

The Indians have secured third place in the district, but with a victory at Celina on Friday, can finish as the runner-up behind District Champion Aubrey.

If the Indians win, they will face Vernon in the first round of the playoffs (3rd place team from District 3-4A). If Celina wins, Sanger will face Iowa Park (2nd place team from District 3-4A) next week. Graham won that District and will take on Van Alstyne, who ended up in fourth place from Sanger's district.

**Project Website:** <http://www.keepitmovingdallas.com/FM1173>

The Texas Department of Transportation (“TxDOT”) is proposing to improve Farm-to-Market (FM) 1173 from FM 156 to Interstate Highway (IH) 35 in Denton County, TX. This notice advises the public that TxDOT will be conducting an online virtual public hearing on the proposed project with an in-person option. **The pre-recorded virtual hearing will begin on Thursday, Dec. 3, 2020 at 6 p.m. and remain on line through Friday, Dec. 18, 2020.** To log onto the virtual public hearing, go to the project website at the date and time indicated above. Project staff will give a presentation which will be a pre-recorded video and will include both audio and visual components. Please note that the presentation will not be available on the website until the time and date listed above. Following the virtual public hearing, the presentation will remain available for viewing at the web address indicated above until Friday, Dec. 18, 2020 at 11:59 p.m. If you do not have internet access, you may call (214) 320-6628 between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, to ask questions about the project and access project materials during the project development process.

Additionally, TxDOT is providing an in-person option for individuals who would like to participate in-person instead of online. In-person attendees will be able to view the same presentation delivered in the online public hearing which will be playing on a screen, review hard copies of project materials, ask questions of TxDOT staff and/or consultants from a socially distanced approach, and leave written comments. The in-person option will be held on Thursday, Dec. 3, 2020 from 10:00 a.m. to 2:00 p.m. and 4:00 p.m. to 7:00 p.m. at the TxDOT District Office, 2624 West Prairie Street, Denton, TX 76201. **Attendance at the in-person option will be by appointment only.** Individuals wishing to attend the in-person option must call (214) 551-5401 between the hours of 9:00 a.m. and 5:00 p.m., Monday through Friday, to make an appointment. In recognition of COVID-19, enhanced safety measures will be applied at the in-person option, including a requirement to wear a face mask, submit to a temperature check prior to entry, have an appointment, and follow social distancing practices. If anyone arrives without an appointment, they may be asked to wait outside to ensure we maintain appropriate occupancy within the hearing room.

For both the virtual public hearing and in-person option, members of the public may call (817) 381-2473 to provide verbal testimony immediately following the conclusion of the virtual public hearing presentation at 6:00 p.m. on Thursday, Dec. 3 through 11:59 pm on Friday, Dec. 18, 2020. Formal written comments may also be provided by mail or email as explained below. All verbally provided testimony and timely written comments will be considered by TxDOT and included as part of the official record. Responses to verbally provided testimony and comments will be prepared by TxDOT, included as part of the hearing and project record and made available online on the project website.

The proposed improvements include constructing four travel lanes from FM 156 to East 6th Street and six travel lanes from East 6th Street to IH 35 in the City of Krum in Denton County. In the FM 156 to East 6th Street segment, the travel lanes would include one outside 14-foot shared-use lane and a varying 11 to 12-foot inside lane in each direction. In the East 6th Street to IH 35 segment, the travel lanes would include one outside 14-foot shared-use lane and two varying 11 to 12-foot inside lanes in each direction. The eastbound and westbound lanes would be divided with a raised median along the centerline from the BNSF Railway railroad tracks to IH 35. Sidewalks would vary from five feet wide with a three-foot berm to six-feet wide adjacent to the back of the curb. The proposed facilities ROW widths would vary from 120 feet to 300 feet.

The proposed project would, subject to final design considerations, require additional right-of-way and potentially displace one residence and one non-residential structure. Relocation assistance is available for displaced persons and businesses. Information about the TxDOT Relocation Assistance Program and services and benefits for those displaced and other affected property owners, as well as information about the tentative schedule for right-of-way acquisition and construction, can be obtained from the TxDOT district office by calling (214) 320-6628 or by visiting the project website.

The proposed project is anticipated to impact publicly owned Eastside Park, which is a property protected under Section 4(f) of the Department of Transportation Act of 1966 and Chapter 26 of the Parks and Wildlife Code. Eastside Park is a 35-acre park located on the south side of FM 1173 at Hopkins Road. The park currently has an existing 10-foot trail extending from FM 1173 south to Dakota Trail and southeast to Meadowcreek Drive. The park is included in the City of Krum Parks and Open Space Master Plan for additional facilities in the future. The proposed project would consist of approximately 1.5 acres (4.4 percent) of the northern edge of the park along FM 1173 to accommodate the roadway widening and reconstruct approximately 150 feet of the trail at FM 1173. TxDOT anticipates making a *de minimis* determination for this use under Section 4(f) of the Department of Transportation Act of 1966. A Section 4(f) *de minimis* finding means that the proposed project would not adversely affect the activities, features, or attributes that qualify the park for protection under Section 4(f). Public comment on the effects of the proposed project on the activities, features, or attributes of East Side Park may be submitted as described below.

The proposed project would involve construction in wetlands. The proposed project would involve an action in a floodplain. Any environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are available online at the project website. These materials will also be available in hard copy form for review at the in-person option.

The virtual public hearing and in-person option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public hearing or in-person option, please contact Emily McCann, the TxDOT Dallas District Public Information Office, at (214) 320-4485 no later than 4:00 p.m. Central time on Wednesday, Nov. 25, 2020. Please be aware that advance notice is required as some services and accommodations may require time for the Texas Department of Transportation to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Dallas District Office, Attention: Nelson Underwood, P.E., 4777 East US Highway 80, Mesquite, TX 75150-6643. Written comments may also be submitted by email to [Nelson.Underwood@txdot.gov](mailto:Nelson.Underwood@txdot.gov). **All written comments must be received on or before Friday, Dec. 18, 2020.** Additionally, as stated above, members of the public may call (817) 381-2473 and verbally provide testimony from 6:00 p.m. on Thursday, Dec. 3, 2020 until 11:59 pm Friday, Dec. 18. Responses to written comments received and public testimony provided will be available online at the project website, once they have been prepared.

If you have any general questions or concerns regarding the proposed project or the virtual hearing or in-person option, please contact the TxDOT project manager, Nelson Underwood, P.E., by phone at (214) 320-6628, or by email at [Nelson.Underwood@txdot.gov](mailto:Nelson.Underwood@txdot.gov).

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated Dec. 9, 2019, and executed by FHWA and TxDOT.

## Year-end Tax-Smart Moves to Consider

### Financial FOCUS

By **Allen Chick,**  
**Edward Jones**

if you were planning to sell a fund anyway, you could possibly reduce taxes by selling before the dividends are distributed.

Boost your tax-favorable contributions. If you haven't maxed out your contributions to your employer's retirement plan, health savings account (HSA), and/or IRA, make additional contributions for 2020 if you can. If your employer suspended 401(k) matches this year and you can afford it, consider increasing your contribution to make up for the lost amounts. Traditional pre-tax contributions are deductible and reduce your taxable income in 2020, while Roth contributions will generally reduce your taxable income in future years, when you take withdrawals from Roth accounts.

Consider strategies in a year without RMDs. If you're older than 72 (or 70½ if you were born before July 1, 1949), you typically need to take annual taxable withdrawals – technically called required minimum distributions, or RMDs – from your traditional IRA or 401(k). However, you got some relief this year, as RMDs are not required because of the COVID-19 pandemic. Nonetheless, you may want to consult with your financial advisor and tax professional to determine if a distribution from a traditional/pre-tax account still makes sense. If you're in a lower tax bracket this year than you expect to be in future years, you may benefit from taking advantage of lower rates. Alternatively, if you don't need the distribution to cover expenses, you might explore if a Roth conversion makes sense.

Your key motivator, in all investment-related decisions, should be whether your choices will help you achieve your long-term goals. Within this framework, taxes do matter – so, do what you can to control them.
