## OBITUARIES...

### Billye Ruth (Austin) Hudson

March 30, 1929 - June 23, 2022

Billye Ruth (Austin) Hudson, 93, went to be with our Lord on June 23, 2022, in Gainesville, Texas. A visitation was held from 6:00 pm to 8:00 pm on Thursday, June 30, 2022, at Coker Funeral Home in Sanger. Funeral services will be at 10:00 am on Friday, July 1, 2022, at the Slidell Baptist Church. Pastor Todd Stevens will officiate the services. Mike McPeck, Rene Pruett, Bert Pruett, Casey Harrington, Tim Fletcher, and Leslie Fortenberry are serving as pallbearers.

Billye Ruth was born March 30, 1929, to William Thomas Austin and Hattie Samantha (Green) Austin, near the Lois Community in Denton County, Texas.

Billye Ruth graduated from Sanger High School at the age of 16 and earned her Bachelor of Arts degree from the University of North Texas in Denton at the age of 19. Shortly after receiving her degree, she was united in marriage on February 2, 1949, to Carl Franklin Hudson in Bolivar, Texas. She served Wise County School District for two years as the county librarian and was a member of the faculty of the Slidell School Dis-

trict for 26 years. Her interests mainly were her family, whom she loved dearly, serving her church, landscape gardening, and travel. Memberships include The Rebecca Crockett Chapter, NSDAR, Master Gardener Association, Wednesday Study Club of Sanger, and Yoga Group at Sanger Senior Center were important in her retirement years. She was a 5th generation Texan, so genealogy was a special interest.

She was preceded in death by her parents, William Thomas and Hattie Austin; her husband, Carl Franklin Hudson; and her sister, Faye Austin Fox, and great-nephew, Kevin Kemp.

Those left behind to cherish her memory are her daughters, Carla Bullard and husband Tim of Rosston, Texas, Paula Utz of Columbia, South Carolina, and Susan Elliott of Roanoke, Texas; 4 grandchildren, Jennifer Bullard Gasset and husband, Justin of Grapevine, Matthew W. Bullard and wife Lacie of Argyle, Robert Utz of Columbia, South Carolina and Taylor Elliott of Dallas; 5 great-grandchildren, Julia, Jack, and Jocelyn Gasset, Camden and Gage Bullard, one niece, Sylvia Reiser of Arlington.

She was a beloved mother, grandmother, great-grandmother, and friend to many who will miss her dearly.

In lieu of flowers, please make donations to your choice of Slidell Baptist Church, Rebecca Crockett Chapter, DAR Scholarship Fund, or the Slidell Alumni Scholarship Fund.

Services are under the direction of Coker Funeral Home in Sanger. Online condolences may be made to the Hudson Family at [www.cokerfuneralhome.com](http://www.cokerfuneralhome.com).

### Carol Ann Albro

December 19, 1937 - June 11, 2022

Carol Ann Albro passed away in Denton, TX on June 11, 2022 at the age of 84.

Carol was born and raised in the small West Texas town of Roscoe on December 19, 1937. She was the oldest of three daughters of Clifford and J. Verna Sanders. She met her husband, Joe Albro while still in high school. They married and had three children together. Carol was a homemaker in the children's younger years. She loved to paint and draw in her free time. Carol also spent time making homemade cakes with her long-time friend, Pat.

Carol opened Shady Oak Gallery on Gainesville's courthouse square and there she provided beautiful artwork to many families in the town for over 20 years. She was famous for her shadowboxes. This talent she passed on to her daughter and granddaughter, who at one time all worked together with her in the shop. Carol was a faithful member of First Baptist Church of Gainesville. She was one of the most giving, kind-hearted women you could ever find.

Survivors include: her two sons Doug Albro and wife Darla of Decatur, and Mark Albro of Denton;

granddaughter Kacie Methner and husband Cody of Sanger; great-grandsons Trevor and Cash; and many nieces and nephews.

Mrs. Albro was preceded in death by: her husband Joe; daughter Sandy; grandson Travis; parents; and sisters Marlene and Cheryl.

Memorial services are to be scheduled at a later date.

Meet Ramie Hammonds, Director of Development Services. Ramie is one of the sweetest people you will ever meet. She has a heart as big as Texas, especially when caring for animals. Not just the dog and cat variety, but Ramie has a soft spot for all animals. Currently, she is fostering Hank, an opossum! You read that right, an Opossum. She found him without his mother when he was so small that she had to feed him from a bottle. During her first few weeks of caring for Hank, she brought him to work with her so she could care for him and keep him warm throughout the day. Now that he is getting bigger, Hank spends his days waiting for “mom” to get home in his two-story opossum condo.

Everything about Ramie's story is a bit unique, especially by today's standards. She was born and raised right here in Sanger, Texas. She has an enormous family support structure. Ramie's mom, one of 7 children, and dad, one of 8 children, met in Pilot Point when they were kids. They fell in love, married, and raised four beautiful kids! Following her family tradition, Ramie met her now-husband and long-ago high school sweetheart, Mitch, on the square in Pilot Point. Ramie recalled, “He asked me out, and I told him no.” One of Ramie's close friends had shown an interest in Mitch, and she was certainly not going to cause a rift between them over a boy. She told me, “Mitch was persistent. A few days later, he asked again, and I again said no.” On Mitch's 3rd attempt, Ramie discovered that her friend had nothing more than a fleeting crush on Mitch, and she had already moved on to showing interest in someone else; Ramie finally said, “Yes.” That was more than 37 years and three kids ago. Today they are still as crazy about each other as they were in the beginning.

Ramie spent all of her school years right here in Sanger. She attended Sanger High School, and shortly after graduation; she went to work for the Sanger ISD. She spent 17 years working for the SISD. Her children were then grown up and ready to start their adult lives, so Ramie didn't have any other ties to the school system. An opportunity came available with the City of Denton Building Department. Not confident she would get the position, Ramie decided to apply anyway. Fate would have her get the job, so she spent the next nine years working for the City of Denton.

About five years ago, Ramie became interested in working closer to home. She discovered a position with the City of Sanger similar to what she was doing in Denton and applied. Now, five years later, she is our Director of Development Services.

Ramie and her husband have a home on 30 acres here in Sanger. Her love for animals shows when she describes her home. They have horses, cattle, ducks, and chickens. Of course, she has dogs, and then there is Hank. Recently Hank got a close friend to play with. Knowing that Ramie had already taken in one opossum, her neighbors brought one they found in their barn over for her to care for. Until she can figure out if the new addition is a boy or a girl, she calls her new friend, Cranky. Being a bit older than Hank was when she got him, Cranky doesn't know what a great life he is set to live.

Ramie's office is very much a home away from home. When you enter, it feels peaceful, almost like a meditation room. She has flowers and beautiful wall art. She even has a pink Christmas tree that she keeps decorated year-round. Her office almost feels like a setting for a Hallmark movie. Nestled over in the corner lives her Beta fish. The setting is made complete by the soft floral scent that makes you want to sit down and stay awhile. And she always welcomes her guests. She has two Queen Anne style, soft leather chairs for you to curl up in.

So, what will become of Hank? Ramie swears that she intends to return him to the wild. I have to say that I am less confident. How do you let go of something you have cared for so deeply? Hank has it pretty great. He is litter box trained and gets a regular diet of watermelon and other fruit. Hank's favorite thing to eat (other than watermelon) is dog food. However, if she does set him free and one day you see an opossum that is not hissing at you and wants to climb in your lap, don't be scared. It's probably, Hank!

TEA Texas Assessment

For grades 3-8: STAAR scores were tentatively scheduled to be available in the family portal this week. However, the Texas Education Agency (TEA) has announced that due to the impact of COVID-19, TEA is running additional analyses on the data as part of an enhanced due diligence process. Results for grades 3-8 are now tentatively scheduled to be available next week in the family and analytic portals. TEA will provide another update on the timing of the data release as soon as possible.

All other grades and test scores should be available as scheduled today. To view them, you can visit [www.TexasAssessment.gov](http://www.TexasAssessment.gov) and log in with your unique student access code. You can also look up your unique access code at [www.TexasAssessment.gov](http://www.TexasAssessment.gov). ## SHS to offer Law and Public Service Program

Thanks to Assistant Superintendent Jennie Flaa for seeing a need and beginning the charge to put this in motion. Now students at SHS will have the opportunity to pursue the Law and Public Service Program of Study at SHS.

Students will be able to explore emergency services, government and public administration, law enforcement, and legal studies.

This would not be possible without the support of Denton County Sheriff Tracy Murphree and Orlando Hinojosa. They MADE IT HAPPEN.
