## Sanger Homecoming Parade and “Come and Go” Reception takes place Saturday

**SHS 2022 HOMECOMING COURT ON PAGES 6-7:**

As usual the SHS Homecoming football game will take place on Friday as the Indians host Mineral Wells at 7:30 p.m.

The Sanger Exes Alumni Association has announced a change in the Sanger Homecoming Program for the upcoming Homecoming events. The Homecoming program and luncheon were typically held at the high school cafeteria but changes are good.

WELCOME to the “Come and Go” reception which will be held at Sanger’s new Holiday Inn Express Hotel located at 600 N. Stemmons in Sanger on Saturday, September 17, 2022 from 11:00 a.m. until 2:00 p.m.. Refreshments will be available in the reception room and is the opportunity to visit with classmates and friends during this time. There will be no program presented by the Board.

They wish to honor those students from the classes ending in “2” and space is available for these honored classes to gather and meet. Their hope is this will be a successful format for everyone to allow ample time to visit with all the dedicated former students who attend this event. Dues for the Sanger Exes Alumni Association still remain at \$5.00 per person.

Classes of 1942, 1952, 1962, 1972, 1982, 1992, 2002, 2012 are the honored guests; we hope to see you and all others.

### PARADE THEME “Sanger’s Got Game”

The parade set up and line up will take place at First Baptist Church Sanger on Saturday, September 17, 2022 at

9:00 AM. Line up will begin at 9:30 AM with the parade beginning at 10:00 AM. The route will travel from FBC-Sanger to 2nd Street, North on 2nd to Elm, West on Elm, South on 5th, East

on Bolivar back to 3rd where participants can head back to FBC-Sanger.

First Baptist Church cannot hold 18-wheelers, if you will have an 18 wheeler you must remain on the street, through the line up process.

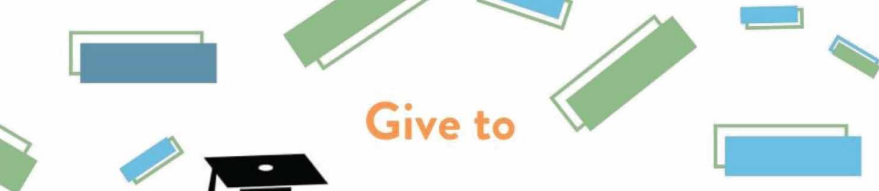

The classes of 1952 and 1962 will be the grand marshal this year and will lead the parade. All other floats and participants will follow behind on a first come basis. Horses, bikes, and scooters will be the end of the parade.

Please be safe and courteous through the line up process.

For more information, contact Mrs. Tiffany McPherson, Student Council Sponsor, at 940-458-7497 ext 227 or email her at: [tiffany.mcpherson@sangerisd.net](mailto:tiffany.mcpherson@sangerisd.net)

Please follow the following requests from the First Baptist Church.

1. No large trucks (semi’s) allowed in the parking lot. Our asphalt cannot handle their weight.
2. Make sure the lot is cleaned after the vehicles have left the lot.
3. All vehicles that will remain during the parade need to park across 5th street from the church. They can park in the grass on that side of the street.
4. Designate spots for each entry to set up in preparation for the event. Then place someone at the entrance to the parking lot from 5th street to guide arrivals to their spot.
5. The individual placed at the entrance to the parking lot needs a map of the lot with locations of each entry noted. This will allow a smoother entry process.
6. Only parade entrants and parents dropping off small children should be allowed to enter the parking lot. This will decrease the traffic, make everyone safer and decrease the frustration level of all involved.

## Executive Director of First Refuge resigns

**Paul Juarez, shown at Community Strong Farms in Sanger last year, resigned as executive director of First Refuge Ministries.**

After seven years, Paul Juarez said the time for him to resign as the executive director of First Refuge Ministries was right.

He sent a letter to the board of directors a few weeks ago to announce his resignation. He told the Denton Record-Chronicle he’d been thinking about resigning for a couple of months and planned to take off the month of September and seek what God wants him to do.

“I have a lot of talents and a lot of things that I think God wants to use me for,” Juarez said.

When Juarez started in September 2015, the ministry was small, but upon his departure, effective Thursday, he said he had grown the ministry to about a million-dollar budget.

Elizabeth Kearney, the interim executive director, sent a prepared statement from the board of directors, which had been shared with others:

“Over the past 7 years, Paul Juarez has been the Executive Director of First Refuge Ministries. On Sunday, August 28th, we received Paul’s letter of resignation. First Refuge would like to thank Paul for his service. He has done a great job expanding and growing this ministry. Elizabeth Kearney has agreed to step in as Executive Director for the interim time. We will continue providing our services of

### Andrew Joseph Hydock, Sr.

July 25, 1974 - August 28, 2022

Andrew Joseph Hydock, Sr. was surrounded by the love of family when he passed away on August 28, 2022.

Andrew was born on July 25, 1974 in West Chester, Pennsylvania to Michael and Susan Hydock. He was number four of six in a loud and boisterous family.

25 years later on June 24, Andrew married his "person", Judy Hubble. They became the blessed parents of two sons, Andrew Joseph, Jr. and Matthew LaDale.

Throughout his life, Andrew developed a love for so many things; coffee, coffee cups, sunglasses, Hot Wheels, the list goes on. But he especially developed a fondness for music—specifically the music of singer/song writers like Jack Ingram, Jamie Lin Wilson, Doug Burr, and Sean McConnell. Their music became the soundtrack in Andrew's battle against colon cancer. One song was always the first on his playlist when treatment started. Jack Ingram's "Keep On Keeping On" would become Andrew's motto. He would end every Facebook and Instagram post with #KOKO.

Andrew was predeceased by his grandparents; Dr. Michael and Marie Hydock, George and Margaret Ramaley. Also waiting at Heaven's gate, Andrew's precious mother Susan. One can only imagine the happiness of that mother-son reunion.

Left to remember Andrew with love and laughter; his wife Judy, and his two boys Andrew and Matthew; his pops, Michael L. Hydock; his brothers, sisters, and sisters-in-love, Michael and Julie Hydock, Geoffrey and Amy Hydock, Christopher and Tamara Hydock, Margaret and Kevin Smith, Michelle and Arlin Snyder, Michael and Amber Motsney. Andrew loved and was so proud of his numerous nieces and nephews.

The family would like to thank Dr. Mohamed Qasim and his staff, Dr. Victor Cobos, and Courtney Keefe, BSN for their care during the last 10 years.

The family asks you follow Andrew's "in the moment" lead and donate to a person's Go Fund Me, or buy two hot dogs for the homeless person at the gas station. Pay the blessings forward, and as always, KOKO!

Services were held at Denton Bible Church on September 9, 2022 at 4pm.

After graduating from Sanger High School, he attended Arlington State College for three years. There he studied electrical engineering. In 1952 Joe joined the Marines and was assigned to the 7th Engineer Support Battalion in Camp Pendleton, CA. After returning home, Joe worked for a few years at Trinity Industries in Ft. ## Rep. Patterson Opens New Satellite District Office In Sanger

State Representative Jared Patterson announced that he is opening a new satellite district office in Sanger. The ribbon-cutting event was held at 1:00 PM on September 9, 2022, located at the Sanger Chamber of Commerce, where local officials and other members of the community were in attendance.

The intention of establishing this satellite office is to better serve the constituents who reside in northern Denton County. Residents in Sanger, Denton, Pilot Point, and Aubrey will now have a closer space to meet with Representative Patterson or his staff to privately discuss district concerns, legislative requests, and other pressing issues.

"I am so thankful to the Sanger Chamber of Com-

merce for allowing us to house our satellite office within their space in historic downtown Sanger." Rep. Patterson stated, "It's too difficult for constituents in the northern part of HD 106 to drive all the way to our Frisco office to meet with me. I'm looking forward to Team Patterson

spending more quality time in Sanger to increase the level of service to these great communities."

Jared Patterson represents House District 106, which encompasses the eastern portion of Denton County. During the 86th Legislative Session, Patterson authored and passed initiatives in policy

areas such as transportation, education, property taxes, as well as eliminated unnecessary and burdensome government regulations. Patterson serves on the House Committees on Business & Industry, Calendars, and Homeland Security & Public Safety. He also serves on the Texas Cybersecurity Council. His family resides in Frisco.

After 26 years of dedicated employment, Polly Kruger has set her sights on a well-deserved retirement. She intends to spend her newfound free time traveling with her husband, Robert.

Polly began her career with Bolivar Water Supply in 1996 after previously serving in the banking industry for over 20 years. During her tenure as Bolivar WSC's Office Manager, Polly has implemented procedures to ensure effective and efficient office practices, such as going from double entry bookkeeping to transferring all data to Quickbooks.

"Bolivar WSC employees have benefited from her leadership. Polly has made it a priority to give her time and experience to our company, creating an environment where employees felt as if they are home," said Janelle Shelton, Vice-President on the BWSC board of directors.

"Bolivar WSC is grateful for her hard work and dedication. You will continue to be greatly appreciated and deeply missed and we wish you the best in all your endeavors."

Her last day will be Friday, September 30th. A surprise office retirement celebration was held last week with employees and the board of directors.

Janelle Shelton presents Polly Kruger with a retirement gift last week.

# Project HOPE

A Sanger ISD/Denton County Special Education COOP 18+ Program

## WHAT IS PROJECT HOPE?

Project HOPE is an inclusive post high school educational opportunity administered through the Denton County Special Education COOP, hosted by Linda Tutt High School in Sanger ISD. The overarching purpose of the program is to help adult students with disabilities learn the job readiness, social, recreational and independent living skills necessary for a fulfilling life. This is accomplished through partnering with community agencies, businesses and organizations, local universities, and state agencies to facilitate learning opportunities centered on the four basic life domains of: Independent Living Skills, Employment Skills, Leisure and Recreational Skills, and Social/Relationship Skills. All Project HOPE students have completed state mandated high school graduation requirements and are at least 18 years old.

## PARTNERSHIPS

Project HOPE is looking for partnerships in local communities for our students to learn and practice employment skills, daily living skills, and social skills. Collaborations that we are interested in include: job observations, job sampling/internships, volunteering, and/or supported paid employment. Project HOPE staff will be present and support all students at partnership locations. Let us help you while we learn!

## SKILLS TO PRACTICE

While we are looking for sites for our students to practice discrete job skills such as stocking or working a POS system, we are also looking for general workplace environments for our students to practice their soft skills. Soft skills that we may want to target include: Interview skills, appropriate workplace behavior, communicating with unfamiliar people, being on time, task initiation and/or requesting reasonable accommodations.

## AVAILABILITY

The staff and students at Project HOPE are appreciative of any opportunity to collaborate with the community. We are open to any amount of time you're able to partner with us, from one-time visits to weekly or bi-weekly options.

## First Refuge

(Continued from pg. 1)

medical, dental, counseling, and food at all of our locations."

Juarez mentioned a dental clinic the ministry started offering affordable services for Denton residents and was especially proud of the grocery store he helped start inside Linda Tutt High School in Sanger with a \$300,000 grant from Texas Health Resources. He said last November that he had gotten the idea after First Refuge had done a similar model in Denton.

"One of the things Texas Health wanted was [something] innovative," Juarez told the Record-Chronicle then. "That was a key thing, and [Sanger Mayor] Thomas Muir said, 'Well, Paul built a grocery store inside a school. We could do that here in Sanger.'"

Students can shop for items with points they receive from the school's THRIVE resiliency program, which teaches students how to cope with trauma, and from doing good deeds such as "going above and beyond in the classroom," Tutt High School Principal Anthony Love said on The Drew Barrymore Show in January 2021.

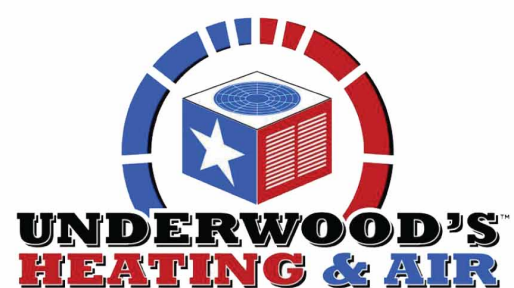

Juarez said Texas Health Resources has committed to opening 10 more such grocery stores around North Texas.

And while Juarez is leaving First Refuge Ministries, he will continue teaching his "Focus on Fathers" class, a court-ordered class for fathers whose children are in Child Protective Services custody. New Day Services, a 501(c)(3) charity, offers the 10-week course and, Juarez said, employs him to host the class.

But Juarez looks fondly on his time with First Refuge. "God allowed me to be part of this, and God is going to get credit," Juarez said.

# Indians off to 3-0 start

Trailing by 15 points in the third quarter, the Indians rallied with a pair of touchdowns and two-point conversions to notch a narrow 29-28 win over Nevada Community on the road last Friday. Coach Rocky Smart elected to go for the win instead of forcing overtime late in the fourth quarter as Sanger scored on on a two-point conversion.

Sanger (3-0) was led by a big game from quarterback Logan Lewis, who completed 19 of his 28 pass attempts for 301 yards and the game-winning touchdown while adding two scores on the ground and completing passes to wide receiver Kollin Shumate for both of the two-point conversions. Receiver Ben Turnbow added seven catches for 158 yards and one score as Sanger came through in the clutch.
