James “Jack” Waide

July 26, 1931 - August 27, 2020

James Jackson “Jack” Waide, 89, of Sanger, passed away on Thursday, August 27, 2020, at his home in Sanger, surrounded by his loving family.

Born on July 26, 1931, in Sanger, Jack was the son of Marie (Crabb) and Wayman M. Waide. Jack married the love of his life, Betty Orine Sullivan, on April 3, 1951, in Sanger, Texas, where they made their home and raised their three children. They were married for 61 years.

Jack attended Bolivar Baptist Church. He spent his career driving trucks and loved every minute of it.

If you knew Jack, you knew that Jack was an avid genealogist for the Waide family. He enjoyed handing out hard candy, round tuit coins, and food. According to family and friends, he gave his legendary diamonds to every woman he had the pleasure to meet. Proudly earning him the nickname, “The Jack of Diamonds.” Jack never met a stranger, and ever so the gentleman, he would ask people he just met back to his house for a meal or to sit and visit.

Jack was preceded in death by his parents, his wife

Betty, his daughter Rhonda, and brother Wayman M. Waide, Jr., sister-in-law Bonnie Travelstead, and brother-in-law Raymond Sullivan. Those who remain to cherish his memory are his children Joe Stephen Waide and wife Nancy of Sanger and Tonia Waide Lynch and husband Don of Denton; his grandchildren, Stephen Waide and wife Liz of Tucson AZ, Josh Prator and wife Dava of Sanger, Justin Waide and wife Stephanie of Sanger, DJ Lynch of Denton and Courtney Lynch of Fort Worth; Great-Grandchildren, Chyler, Logan, and Jackson Waide of Tucson AZ; Waylon Cox and Gracie Cox of Sanger, and many nieces, nephews, extended family, and friends, all of whom he loved dearly.

He then came back to Sanger ISD to work with students at the Linda Tutt High School. A school for students at risk of dropping out of school or enrolled in bilingual and English programs. Ed was passionate about the students who came through the Linda Tutt School Programs.

He loved his family fiercely and was affectionately known as Papaw, Popa, or Popa Ed, and they were his greatest treasures in life. He and his daughter Sarah share a favorite song, “Butterfly Kisses.” His favorite past-times were watching his boys play football, playing games, watching movies, preferably a comedy, with the family, and cooking for his family.

Carl Garrett

August 31, 1947 - August 24, 2020

Carl Leonard Garrett, a Denton and Sanger native who went on to play nine seasons in the NFL, died on August 24 at the age of 72. He was born August 31, 1947 in Denton, TX to Ava Morning Garrett and Mr. Fredrick Douglas Garrett Sr. Carl graduated from Fred Moore High School in Denton. He played collegiate at New Mexico Highland University in Las Vegas, NM. He was drafted in the third round in 1969 by the Boston Patriots AFL-NFL common draft. He rushed for 691 yards and five touchdowns on his way to being named the American Football League's rookie of the year.

He was the last player to receive AFL's Rookie of the Year Award, as the AFL and NFL merged soon after. He was also a kick off and punt returner for the Patriots.

As he completed a league best five yards per carry average prior to the 1971 season, Carl was involved in a bizarre trade to the Dallas Cowboys in exchange for Duane Thomas, a dispute between Thomas and the Patriots resulted in the two players returning to their teams. While Carl had a career high in yards from scrimmage and rushing yards, in 1971 would be his last season with the now New England Patriots. The final five years, Carl spent with the Chicago Bears, the New York Jets and the Oakland Raiders. As a kick off returner and his four carries in Superbowl XI against the Minnesota Vikings helped the Raiders win. His three carries set up the first score and a touchdown in the second quarter. Hall of Fame wide receiver Fred Biletnikoff was named the MVP of the game and recalled Garrett's contributions to the Raiders that season. Garrett spent the last two seasons of his career that spanned from 1969 to 1977 with Oakland.

"Adding Carl Garrett was a big plus," Biletnikoff wrote in a first-person account of the 1977 season published on the Raiders website in 2019. "[We brought] somebody in for a specific role and he played the role well."

In the 1977 season, Carl retired.

After two marriages, Carl met and married Pau-

Financial FOCUS

By Allen Chick, Edward Jones

Labor Day is almost here. Of course, this year, the holiday may have a different impact, given the employment-related stress and disruptions stemming from the coronavirus. Yet, it's good to recognize the value of work and its importance in achieving your life's goals. But if you're going to retire comfortably and reach your other financial objectives, you also need to invest – and your investments need to work as hard as you do.

To help make this happen, you need to know why you're investing in the first place. You likely have a variety of financial goals, including short-term ones – a long vacation, a new car – and long-term ones, such as a comfortable retirement and the desire to leave a legacy for your family. But you can't invest in the same way for these goals. For example, when you're planning an overseas vacation for next year, you want a certain amount of money to be available at a certain time, so you'll want an investment that offers a high degree of preservation of principal. However, when you're saving for a retirement that may be decades away, you need to consider investments that offer growth potential. In any case, you can help your investments work efficiently for you by matching them with specific goals.

You also want to keep your investments "on the job." In the immediate aftermath of large market

Labor Day: Make Investments Work as Hard as You Do

downturns, such as we saw earlier this year, many people simply stopped investing altogether. But taking a "time out" can be costly. For one thing, when you stop adding to your investment portfolio, you reduce its growth potential. Furthermore, if you're on the investment sidelines, you might miss out on the next market rally – and the biggest gains often happen in the early stages of these rallies.

Not everyone simply abandons the investment world following a downturn, though – some people just put more money into cash and cash equivalent accounts. And while it's a good idea to have enough cash on hand for emergencies (about three to six months' worth of living expenses), you may not want to have cash as the major component of your portfolio. Cash simply doesn't "work" hard enough in the sense of providing you with long-term growth opportunities.

So, whether the markets are moving up, down or sideways, it's important to keep investing and keep a reasonable percentage of growth-oriented investments in your portfolio,

with the exact amount depending on your goals, risk tolerance and time horizon. These investments will fluctuate in value, but the longer you hold them, the more the impact of short-term drops may be reduced, especially if you maintain a diversified portfolio, although diversification, by itself, can't ensure a profit or protect against loss in a declining market.

Finally, here's one other step you can take to help keep your investments working hard: Check up on them periodically. Review your portfolio at least once a year to determine if it's still helping you make progress toward your goals. If it seems like you're falling behind, you may need to adjust your investment mix.

You've probably discovered that hard work pays off for you in just about every endeavor – so why should it be any different with investing? Keeping your investments working diligently can help boost your chances of achieving your important financial goals.

Indians beat Clifton, home opener against Lake Worth

The Sanger Indians varsity football team got a big win last Friday against Clifton at Aledo High School 25-14. Sanger started fast, taking the opening drive and scoring on a 1-yard run by Tallyn Welborn. The touchdown was set up by a 48 yard reception from quarterback Rylan Smart to Dewey Terreault. But, the extra point attempt was blocked and ran back for 2-points for Clifton. Sanger drove right down the field again on the next offensive possession, but was kept out of the endzone on Clifton's 1-yard line. The score remained 6-2 at halftime.

Clifton came out and took a 14-6 lead in the third quarter. Midway through the last frame, Smart had a 5-yard touchdown run. That score was set up by a 30-yard reception to Zach Shepard. The 2-point conversion failed and Sanger trailed 14-12. Creed Carter had an interception return for a touchdown late in the fourth quarter to get the lead back and Welborn added a 52-yard touchdown run for insurance.

"I was proud of our guys for playing hard in a physical ball game," said Sanger head coach Rocky Smart. "I felt that our defense forced Clifton to earn their yards, and we didn't give up any big plays while forcing three turnovers. Creed Carter's pick 6 was a big play for us in an extremely important part of the game. Offensively we moved the ball well overall, but I feel we still have lots of room to improve which is exciting. Anytime you have zero turnovers while forcing three and win the explosive play battle (over 20 yard plays) you have a great chance to win."

Shepard, also had an interception and Jynee Jones recovered a fumble. Linebackers Carson Stamper (19 tackles) and Carter (20 tackles) led Sanger's defense and combined for three tackles for a loss.

Lake Worth won an exciting back and forth game last week to McGregor 47-43. They run a very multiple offense, and they have some really good skill players Sanger will need to slow down. On defense they are a 3-3 and 3-2 team with their fronts while playing cover 3 and various man coverages behind their front. "The formula for winning will consist of making sure we don't give up big plays to their speed guys when we're on Defense. On offense we need to stay consistent, convert on 3rd down, and finish our drives. I think it will be a big week for our Indians in our home opener if we can execute well," added Smart.

VARSITY FOOTBALL HOME GAME TICKETS

The UIL has issued COVID-19 risk mitigation guidelines that include restrictions to stadium capacities. Schools may allow spectators to attend games but must stay within a maximum of 50% capacity and maintain proper social distancing. FACE COVERINGS WILL BE MANDATORY FOR ENTRY INTO THE STADIUM.

In an effort to stay within these guidelines and provide a safe environment for all participants, staff and fans, Sanger ISD has collaborated with TICKETSPICKET for the 2020 Football Season.

- There will be no season or reserved tickets.
- All admission will be general admission
- All tickets will be digital and purchased through TICKETSPICKET
- Each person will need to validate their ticket on a smartphone in the presence of our gate workers.
- Tickets will need to be purchased by using the TICKETSPICKET APP or Ticketspicket Website @ticketspicket.com
- Gates will open early to accommodate electronic ticket validation
- Pre-Sale Ticket Prices: Adults- \$5.00, Students- \$3.00

Tickets will be available for purchase on the TICKETSPICKET APP or at ticketspicket.com on the Monday of each Home Game. To ensure that maximum capacity is not exceeded, tickets will be available for purchase according to the following schedule:

Monday: 7:00 A.M. - Tuesday 11:00 P.M.

High school football players, high school band members and high school cheerleaders will be able to purchase up to 4 tickets. To purchase tickets, a promo code will be required. Their Student ID number is the promo code.

Wednesday: 7:00 A.M. - 11:00 P.M.

Sanger High School students who have not previously purchased will be able to purchase 1 ticket. To purchase tickets, a promo code will be required. Their Student ID number is the promo code.

Thursday: 7:00 A.M. - Friday 7:30

All remaining tickets will be available for purchase by the general public on a first come first serve basis. No promo code will be needed and there will be no limit on ticket purchasing.

Friday at the Gate: Tickets will only be available for purchase if remaining capacity is available. Spectators will be expected to purchase tickets on the TICKETSPICKET APP or at ticketspicket.com unless a spectator has a valid reason to need to pay cash and we have remaining capacity.

*The ticketing process may need to be altered as the season progresses.

*We plan to honor Senior Passes, THSCA Passes, TGCA Passes unless we are at capacity. To ensure entry an online ticket will need to be purchased through TICKETSPICKET

AWAY GAMES: Will be handled on a week-by-week basis and that information will be posted on the Athletic Webpage and communicated through social media.

Sanger Police Department donates water to SHS...

Recently, Sanger Police Officer Harlan loaded up her squad car and dropped off several cases of bottled water to the collection point at the local Sanger O'Reilly Auto Parts for Sanger High School students. "Making sure the kiddos and families of our great community are taken care of is the number one priority for the Command Staff, Civilian Staff and the Officers of the Sanger Police Department." SISD students aren't able to use water fountains on the campuses because of COVID-19. If you would like to donate water, you can drop it off at O'Reilly's at 1501 W. Chapman Drive, Sanger.
