# Two people in plane crash released from hospital

Two people were sent to the hospital after a small plane crashed into a tree in Denton County Friday afternoon, authorities said.

Officials with the FAA said a single-engine 1943

Boeing-Stearman Model 75 touched down at Bar VK Air Estates at about 1:45 p.m. and ended up colliding with a tree off the grass runway.

Texas SkyRanger flew

over the airstrip on Friday afternoon and spotted the plane off the southern end of the runway with part of the wing and fueslage caught in a tree.

The NTSB will lead

the investigation into the incident with assistance from the FAA. A preliminary incident report will be available soon.

The husband and wife are residents of the

Bar VK. The pilot was released from the hospital the day of the crash. His wife had facial surgery on Monday and was released mid-week. A friend of the couple said they are

just banged up, but will be ok. The Bar VK is located north of Bolivar, just west of FM 2450.

# CITY MANAGER HIGHLIGHTS

Dear Residents of Sanger,

As we approach the final quarter of 2024, I want to take a moment to reflect on the wonderful events we've shared this year and give you a glimpse of what's to come in the months ahead. I hope many of you were able to join us downtown for the Old Bolivar Station Songwriter Festival. This year's event was a tremendous success, with artists from all over the country gracing our stage. We were especially thrilled to have Jordan Sheppard and the Cypress Knees as our headliners. The festival truly brought our community together, and we look forward to building on this success in the years to come.

Looking ahead, we're excited to invite you to our annual Christmas on the Square and Holiday Parade on December 7th. This festive day will be filled with holiday cheer, featuring craft vendors, the joyful sounds of the season, a Kidz Zone, photos with Santa, and special activities with Mrs. Claus. The evening will culminate with our Holiday Parade, and this year's theme, "Gingerbread and Candy Land," promises to be a visual treat for all ages. There's still time to get involved—whether you'd like to sponsor, become a vendor, or enter your float in the parade. For more details, visit [www.discoverSanger.com/christmasonthesquare](http://www.discoverSanger.com/christmasonthesquare).

We're also thrilled to announce that Sanger has once again been chosen by Santa to host his special Letters to Santa mailbox in the Downtown Park gazebo. Starting December 2nd, your child can drop their letter—no postage

required—into this magical mailbox. Be sure to include your return address, and Santa will send a personalized letter back! The mailbox will be available until December 17th, so don't miss this chance to add some holiday magic to your family's season.

Beyond the holiday celebrations, we have several exciting projects in the works. The proposed Downtown Park will be a destination gathering space designed to enhance the heart of our community for both visitors and residents. We're also moving forward with Phase 2 of the Porter Park project, which will further enrich our local amenities. To stay updated on these and other future projects, please visit our website at [sangertexas.org](http://sangertexas.org) under the "Residents" and "Future Projects" sections.

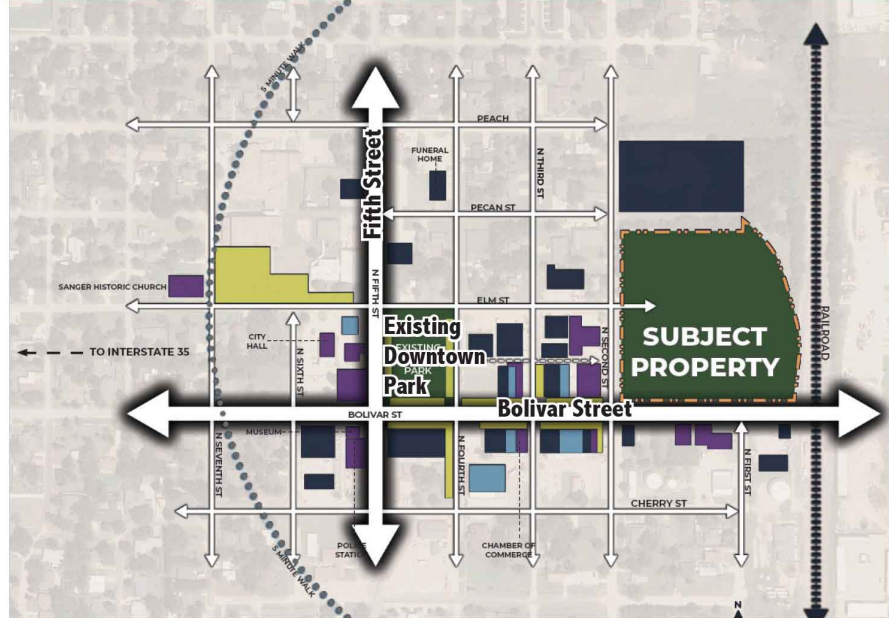

We encourage you to stay connected with us throughout the season. All the ways to stay informed about city news and events can be found on our website under "Marketing/Stay Connected."

As we head into the holiday season, I wish each of you a safe and joyful time with your loved ones. Thank you for being a part of what makes Sanger such a wonderful place to live.

Warm regards,  
John Noblitt  
City Manager, Sanger, Texas

## IT'S TIME TO PLAN TODAY FOR FUTURE GROWTH

To address increasing growth in the region, Denton County, in partnership with the Texas Department of Transportation (TxDOT), is initiating an Environmental Impact Statement (EIS) to construct a six-lane freeway primarily on new location connecting I-35 in Denton County to the Dallas North Tollway in Collin County.

In this EIS, Denton County and TxDOT will evaluate four build alternatives on a new location six-lane freeway in addition to the No-Build Alternative, that satisfy the purpose and need within the study area. Alternatives will be evaluated in consideration of input received from Federal, State, and local agencies as well as stakeholder groups and the public.
