VOLUME 11, NO. 1

400 Bolivar Street, Suite 311 in Historic Wilfong Building - Sanger, TX 76266

December 16, 2022

New Sanger High School

Sanger ISD, recently, released schematics of the new Sanger High School. The top photo is a Conceptual Image of the main entry. The middle one is an aerial from northeast to southwest. The left picture is an aerial of the courtyard looking north. See the site plan layout on the back page. December - February 2023 will be the process for platting the site, next to the existing high school. Construction document development will take place through June 2023 and bids will be out for proposal at that time. Construction will start Summer of 2023 and to be completed in Fall of 2025. The new high school will house 1400 academic students.

Sanger ISD voters approved a \$130,000,000 bond in the Saturday, May 7 bond election.

The bond, which was developed by 38 Sanger community members who comprised the Long-Range Facilities Planning Committee, includes a new high school, athletic annex, agricultural facility and renovations to existing campuses.

Demographers project Sanger ISD's enrollment to increase by over 1,000 students within the next 10 years. With the district averaging 0.4 students per household and 5,500 planned lots in three subdivisions, Sanger is rapidly

growing. This bond and these measures will help the district prepare for that growth.

The new high school will accommodate roughly 1,400 students and will be approximately 245,000 square feet. This added space will give more educational opportunities to all students. In addition, the athletic annex will house all of the high school's outdoor sports teams. It will provide a shelter during periods of inclement weather, and it will also have classrooms for sports medicine through the district's Career and Technical Education (CTE) program.

The new agricultural facility, which is used by the largest CTE program in the district, will have turnouts to house large animals.

Lastly, the bond will allow Sanger ISD to make various capital improvements at existing campuses. A storm shelter will be installed at Clear Creek Intermediate, as well as fire sprinklers. A security vestibule will be added at Chisholm Trail Elementary.

The district will also undergo grade reconfiguration with the passage of the bond. Clear Creek and Butterfield will become 1st-5th grade campuses.

Chisholm Trail will become a Pre-K and Kindergarten-only campus. Additionally, the district will also no longer have a standalone Sixth Grade Campus. Sixth grade will merge and join the middle school.

Middle school staff and students will then move to the existing high school, which will become the new middle school, when the new high school is complete. Grade reconfiguration at the elementary level is expected to start beginning in the 2024-2025 school year. The tentative completion date for construction of the new high school is Fall 2025, which

is the same time sixth grade will merge with the middle school. When the existing middle school is vacated, Linda Tutt High School will move into it, which will also tentatively take place Fall 2025.

Finally, tentatively in Fall 2025, SISD's administration offices will move into the current Sixth Grade Campus, and the Denton County Special Education Co-Op will house the entirety of the existing SISD admin building.

The Sanger News will publish more renderings (agricultural facility, field house, etc...) from the bond for the SISD cam-

puses in the coming weeks.

The Sanger ISD board of directors listened to budget pricing breakdowns and cost comparisons on Monday night for the new high school. An average cost per square foot comparisons for 2022 were outlined from construction of Nevada Community ISD, Northwest ISD and Prosper ISD. The average cost for those new schools were \$416 Sq. Ft.; Minimum \$371; Maximum \$475 and Median \$409. Community spent \$475 for new elementary; Northwest \$371 and Prosper \$387 for elementary and \$430 for new middle school. The Colony's new high school \$442.

OBITUARIES...

Elva H. Garcia

March 28, 1946 - December 7, 2022

Elva H. Garcia, 76, passed away on Wednesday, December 7th, 2022 at her home with her family by her side.

Elva was born March 28th, 1946 in Robstown, Texas to father, Roman Hernandez and mother, Juanita Hernandez.

At a young age Elva met her lifelong companion in Haskell, Texas, Rafael R. Garcia. They got married on July 14th, 1961. The two were inseparable. In 1962 they moved to Austin, Texas temporarily. Then shortly moved to Denton, Texas to be closer to her husband's family. Once settled in Denton, they became members of The Immaculate Conception Catholic Church. They had a total of 6 children: Francisca, Mary, Esabel, Rafael Jr., Jody, and Stephen.

Elva was a full-time housewife and later worked at The University of North Texas for 30 years and retired. She was known as being such a compassionate person and devoted worker by her colleagues.

She loved to sew and make clothes for her children and family when they were younger and as they were growing up. She enjoyed long hours of shopping and looking around the whole store at all the different things they had on display or on sale. She took pleasure in being outside planting new flowers, trees, or plants in her front or backyard with her husband Rafael. She and Rafael would go out dancing at local dance events where they lived and would dance the evening away because there was no stopping with her because she loved to dance. Her favorite holiday was Christmas. She enjoyed putting up the Christmas tree, putting all of her novelty sets out and putting up Christmas lights. Christmas

time for her was so special because that meant having all of her family and friends in her home. She took pleasure in always making a big meal for her family any time she had the chance. She had a passion for learning how to bake tasty cakes and to decorate them beautifully. She always made one for a child or a grandchild's birthday. Other hobbies of hers included making new friends and getting to know people. She welcomed everyone into her home and made sure they felt at home. She was always the perfect host. She was a devoted mother, grandmother, and great-grandmother.

She is survived by her husband Rafael R. Garcia residing in Denton, TX; her daughter, Francisca Garcia-Jones of Corinth, TX; her daughter, Mary Jane, and husband Mark Moore of Sanger; her son Rafael Jr. and wife, Tori Garcia of Rhome, TX; her son, Jody Garcia of Denton, TX; and her son, Stephen Garcia of Denton, TX; and 12 grandchildren and 11 great grandchildren.

She is preceded in death by her father, Roman Hernandez and mother, Juanita Hernandez; sister Antonia Mungia and brothers, Ernesto, Juan, and Roman Jr. Hernandez; and her daughter Esabel Garcia.

Elva will be remembered dearly for being a very strong, prideful, loving, accepting, and forgiving woman.

The family received friends on Tuesday, Dec. 13th from 5-6pm, and the Rosary was said at 6:00pm in the Chapel of DeBerry Funeral Directors. A Mass of Christian Burial was held at Immaculate Conception Catholic Church in Denton, Texas, on Dec. 14th at 10:30am. Interment followed at Roselawn Memorial Park in Denton, Texas.

Leroy Shotwell

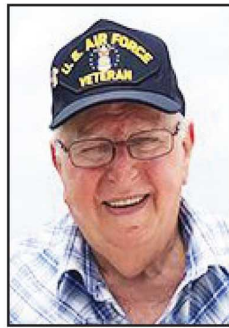

May 18, 1945 - December 5, 2022

Today, our hearts are saddened as we mourn the loss of our beloved dad, grandpa, brother, uncle, and friend Leroy Shotwell. Leroy passed away unexpectedly and way too soon on Monday, December 5, 2022 in his home in Bonham, Texas.

Born in Gainesville, Texas, on May 18, 1945, Leroy was the fourth born to Elbert and Alta Shotwell. He graduated High School from Valley View in 1964. Soon after he joined the Air Force where he proudly served his country for eight years. Once out of the service he became an insurance salesman where he enjoyed helping others.

Leroy was a member of Central Baptist Church in Bonham, Texas. He was an active participant in the Men's Coffee Club and loved Bible study. He most recently shared with his sister, Fay and her husband Rickey, his excitement over the salvations of three children in the church.

In his younger days Leroy enjoyed gardening. He would spray his plants with a water bottle and tell his kids, "you have to be nice to them for them to grow." He enjoyed camping, fishing, boating, pretty much all things outdoors, and Sunday drives with his family. Their favorite family vacation spot was the Florida beaches. He was always making his family laugh with his jokes and often wore the ugliest sunglasses to get you to laugh. In his most recent and later years he enjoyed

riding his electric bike around town, trips to Braums, and visiting with friends and family. He enjoyed advocating for others and lending a helping hand whenever and however possible. He did not miss an opportunity to sit and talk or catch up over the phone. He loved his family and friends and they loved him equally. He was no stranger in his town and loved by many.

We will all greatly miss Leroy's contagious smile, his cut up sense of humor, and often soft spoken demeanor. However, we are thankful to know he is now spending his days in heaven with Jesus and one day we will meet again. His passing was a shock but looking back we see God's hand in preparing us for this moment and know God also prepared him. He left this earth happy and in a good place with His Savior Jesus Christ.

Leroy is preceded in death by his parents Elbert and Alta Shotwell; brothers, Murrel Shotwell, Jody Shotwell and sister in law Fern; sisters, Rachel Shotwell, Elsie Edgett, and Cindy Shotwell.

Leroy is survived by his three children, Melinda Hammonds and son in law Chad, Kara Shotwell, and Drew Stacy Shotwell; two grandchildren, CJ Hammonds and Bailey Hammonds; one sister, Fay Ramsey and brother in law Rickey; 15 nieces and nephews

A celebration of life began at 11:00 am Saturday, December 10, 2022, at Central Baptist Church, 709 Union Street, Bonham, Texas.

Memorial contributions may be sent to Central Baptist Church, Bonham, Texas.

Carolyn Ann Albro

Carol Ann Albro passed away in Denton, TX on June 11, 2022 at the age of 84.

A memorial service has been scheduled for 11:00 a.m. on Monday, December 19, 2022, at First Baptist Church of Gainesville.

Carol was born and raised in the small West Texas town of Roscoe on December 19, 1937. She was the oldest of three daughters of Clifford and J. Verna Sanders. She met her husband of 66 years, Joe Albro while still in high school. They married and had three children together. Carol was a homemaker in the children's younger years. She loved to paint and draw in her free time. Carol also spent time making homemade cakes with her long-time friend, Pat.

Carol opened Shady Oak Gallery on Gainesville's courthouse square and there she provided beautiful artwork to many families in the town for over 20 years. She was famous for her shadowboxes. This talent she passed on to her daughter and granddaughter, who at one time all worked together with her in the shop. Carol was a faithful member of First Baptist Church of Gainesville. She was one of the most giving, kind-hearted women you could ever find.

Survivors include: son Doug Albro and wife Darla of Decatur; granddaughter Kacie Methner and husband Cody of Sanger; great-grandsons Trevor and Cash; and many nieces and nephews.

Mrs. Albro was preceded in death by: her husband Joe; daughter Sandy; son Mark; grandson Travis; parents; and sisters Marlene and Cheryl.

Bill Harper

April 4, 1954 - December 7, 2022

Graveside funeral services celebrating the life of Lutz William "Bill" Harper, of Pottsboro, were held Tuesday, December 13, 2022, at the Bolivar Cemetery in Bolivar, Texas. A viewing was planned from 6 PM to 8 PM on Monday, December 12, 2022, at the Geo. J. Carroll Funeral Home in Gainesville, Texas.

Bill passed away at his residence on December 7, 2022. He was born April 4, 1954, in Kaiserslautern, Germany, and became a United States citizen in 1963. As a child Bill travelled with his mother and father, Edith Ann Mangold Harper and William Bryan Harper, as they resided in Spain, various parts of the United States and Germany. Bill graduated from Kaiserslautern American High School in Kaiserslautern, Germany, subsequently enlisting in the United States Air Force where he served honorably for 4 years. Following his service, Bill worked for Mobil Oil, Dallas, Texas, on a naval vessel conducting seismic research in all parts of the world including France, United Arab Emirates, Bahrain, Madagascar, and the Netherlands. He and his father-in-law, Stephen M. Cole, co-owned North Texas Tire and Auto in Gainesville, Texas. Until his retirement in 2016, Bill worked at Weber Aircraft, Southeastern Freight Lines, and Central Freight Lines.

Bill married Veronica Cole at the Naval Air Station in Grand Prairie, Texas, in 1982. The couple raised two sons. Throughout his life Bill was always willing to lend a helping hand and made long, enduring friendships. His father-in-law, brother-in-law Steve (Cowboy) and Jeff Harris had a very special place in Bill's heart. Louise Tobin

1918-2022

She was a grandchild of Civil War veteran and pioneer of north Texas, Lemuel Noah Edwards, who is credited with founding Aubrey, Texas, in the mid-nineteenth century. Mary Louise Tobin, born on Armistice Day, November 11, 1918 amid an influenza pandemic and over a hundred years later surviving the COVID pandemic, passed away in her granddaughter's arms on November 26, 2022. She was 104 years old.

Notably, Louise Tobin was the last survivor of the swing era of the 1930s. Yet, she will be remembered as having been much more than that. Indeed, Louise was blessed to have lived many lives during her 104-plus years. She was the daughter and eighth child to Hugh and Edna Mae Tobin. She was the little sister whose singing publicly in church and social functions by age nine spurred her older sister Dora to enter Louise in a CBS Radio talent contest in 1934 which launched her professional singing career. She was the love and first wife of Harry James and mother to Harry and Tim, often calling them "my two, beautiful boys." Louise was Benny Goodman's star vocalist during the height of the swing era, 1939. She was wife, business partner, and featured vocalist with Andrew "Peanuts" Hucko. Married in 1967, Peanuts was the love of her life and her professional partner, traveling the world together until his death in 2003. Louise was grandmother and great grandmother, "mamalou", leaving behind a caring, loving family and countless friends and fans all over the world.

Throughout her life, Louise was a person of strong faith. In addition to her belief in God, she also found support from the strength of her family, most recently evidenced in the angelic care of her granddaughter Karen James Casteel and her family.

As an artist, Louise has been described as "one of the most jazz-oriented and blues-inflected singers of the swing era." She leaves a recorded history dating from 1939 to 1992. Louise has received many accolades and awards including a tile on the Denton Arts Walk of Fame and an Honorary Doctorate from Texas A&M University-Commerce where she also donated the materials for an archive appropriately named the Louise

NOTE FROM THE CITY MANAGER

December has arrived. We now wake up in the mornings to a chill and frost-covered lawns. Here in Texas, where we are more used to temperatures in the 90s and 100s, this temperature change has us bringing out mittens, woolen scarves, fluffy coats, long boots, and comfy socks.

As we move into this joyous and magical season and I reflect on the past year, I am reminded how fortunate I am to be a part of this beautiful City. On behalf of the City of Sanger staff, I want to express our sincere appreciation to the community. With your support and encouragement, we have made great strides in preparing Sanger for future growth. I am excited about the achievements 2023 holds for our thriving community.

I invite you to kick off this holiday season by shopping locally and visiting our enchanting Downtown. As you make your way down Bolivar Street, you will notice the beautiful decorations that light up our Square. The decorations are traditional and elegant and remind us of the Christmases of our childhoods. You will find several photo opportunity scenes to help you capture some amazing memories.

We were saddened here at the City to announce that we had to cancel the Christmas on the Square and Holiday Parade event on Saturday, December 10th. With the thunderstorms, both the daytime events and the parade were canceled.

Returning this year are the letters to Santa. We have placed three special Santa mailboxes downtown.

One on the square, one in our library, and one at City Hall. If your child writes a letter to Santa, includes their name and address, and mails the letter in one of the Santa mailboxes by December 16th, Santa will be sure to send back a personalized letter to your child.

We have many wonderful things to be thankful for this year. Take time to count your blessings and reflect on how fortunate we are to call Sanger home. May you and your family have a wonderful and joyous holiday.

Merry Christmas,
John Noblitt

ATTN: PARENTS - The US Postal Service just informed us that the last day to mail letters and guarantee they arrive before Christmas is this Saturday. If your child plans to send a letter to Santa, please drop those letters in the special boxes no later than this Friday, December 16th, at noon (WE ARE EXTENDING THE DATE FROM THE 14TH TO THE 16TH). After 12:00, the mailboxes will be removed and sent back to the North Pole until next year. PLEASE REMEMBER TO GIVE SANTA YOUR ADDRESS SO HE CAN WRITE YOUR CHILD A LETTER!

Sanger Jury Trials

By: Donna Green
Director of Marketing & Civic Engagement

We have all seen tv shows such as Bull or movies with various scenes featuring jury selection and jury trials. Have you ever wondered how much of what you see on television is made up vs. reality? I recently sat in on one of our Sanger Jury Trials. Here is what I learned.

In Texas, when you receive a speeding ticket or a citation for not taking care of your property or letting your animals run around without a leash, you have the option to pay the fine by mail or in person at the Municipal Court as directed on your citation. If you feel the citation was given to you in error or you disagree with the charges,

you have the opportunity to appeal and request either a jury trial or a non-jury (bench) trial. If you opt for a jury trial in Sanger, this is what you can expect.

Since the Pandemic, Sanger has opted, until recently, to hold court in our historic church, giving more open space for social distancing. Other than the change of location, the set-up was very much like what you would see in the movies. There was the judge's bench, prosecutor, and defendant tables, the jury box, audience chairs,

bailiff, and a jury deliberation room.

Before the trial started, Sanger residents arrived with their jury duty summons and anxiously awaited knowing if they would be selected for the trial. While waiting for the defendant to arrive, the judge carefully explained the jury selection process. The moments ticked by as the judge, jury, and prosecutor waited for the defendant to show. About ten minutes past the scheduled start time for the trial, and with the defendant being a no-show, I expected the judge to cancel the trial and either issue a warrant or reschedule. Much to my surprise, the prosecutor, having been in this predicament with this defendant before, requested that the judge have our local police department give the defendant a visit, to which the judge agreed and granted the request. In my mind, this is something you would only see in the movies. However, another benefit of living in a small town was brought to life.

After the judge granted the request, and while we were waiting to hear from the officer tasked with checking on the defendant to see if he intended to come to court, the room was a bit in disbelief, but you could sense that everyone found it a bit

funny. Finally, the bailiff informed the judge that the defendant was indeed home, had forgotten about the trial, and was on his way.

If you have never been to court, let me caution you that shorts and flip-flops are not considered the proper attire. Showing up with this lack of regard to where you are is one sure way to upset the Judge.

After the appropriate reprimand for his attire, the jury selection was underway. There was no Bull

(the character from the show) sitting in the courtroom reading the behavior and faces of the jury pool. This case was not a life-or-death high-profile case. However, some questions were allowed, though not necessarily asked, by both sides to allow both the defendant and the prosecution to eliminate potential jury members. Only one person was eliminated on this day. The judge removed him because he was a close family member of a City of Sanger employee. The following six jurors were selected, and everyone else was free to leave for the day. At this point, the judge told the prosecutor to proceed with his opening statement or forego the statement and call his first witness. Mr. Coleman, the prosecutor, opted for the latter.

Mr. Coleman, being the seasoned attorney that he is, presented his case, called his witnesses, and closed with ease. The judge then asked the defendant to call his first witness. Once the defense rested, the jury adjourned to the deliberation room to decide the outcome.

From where I was sitting and having watched the entire trial, I thought the deliberation would be relatively quick. In the grand scheme of things, and knowing that for major trials, the jury can be out for days, the thirty minutes or so that it took wasn't that long.

If someone opts to take their case to a jury trial, they ultimately put themselves in the hands of their peers. The defendant gets to present all of his or her facts in the case, call witnesses, and provide documentation to support his case. The prosecutor bears the burden of proof and gets to argue his or her side of the case. He or she has the same opportunities to provide evidence to return a guilty verdict. The jury takes the information provided by both sides and ultimately decides guilty or not guilty. Additionally, they set the fine amount for each conviction within a parameter defined by the court. With this in mind, it makes sense that the defendant has solid evidence, witnesses, and supporting documentation that supports a verdict of not guilty. After watching the painful process of the defendant presenting his side of the story, the long deliberation process, and the jury handing down a guilty verdict that included a fine of \$1400, one should probably weight the consequences of receiving a guilty verdict against the initial fine amount. Even with this defendant's multiple charges, his total cost, had he just paid the fine, would have been significantly less than the fine handed down by the jury.

Tobin and Peanuts Hucko Jazz Collection.

In her thank you speech at the commencement ceremony when Louise was awarded her Honorary Doctorate, she said: "To be part of something that will live beyond our lifetimes is truly the highest of honors. Sometimes I just have to pinch myself to realize that I was part of that. After all, I was just a young girl from rural Texas who loved to sing."

Those who were blessed to know Louise personally can attest to her life-long passion for singing and, more specifically, her boundless graciousness, charm, kindness, glamour, and beautifully warm and loving smile.

Survivors include two sons, Harry Jeffery James of Allen, TX, Tim James and his wife Pat of Nacogdoches, TX; grandchildren, Jeffery James, Karen Louise Casteel (Marc), Laura James-Buchanan (Jim), Jackie Baugh Moore, Julie Baugh Cloud, Jerin Timothy James (Lucia), Christopher James; great-grandchildren, Ashley Hall, Nathan James, Reece James Casteel, Holden James, Jarin James, Owen James, Tobin James; several great great-grandchildren.

The funeral service was held at 3:00 PM Saturday, December 10, 2022 in the chapel of Mulkey-Bowles-Montgomery Funeral Home, 705 N. Locust St., Denton.

Financial FOCUS

By Allen Chick,
Edward Jones

Cybercrime is booming. In 2021, the FBI reported that cybercriminals scammed nearly \$7 billion from Americans — a figure slightly higher than the gross domestic product (GDP) of Switzerland for that year, according to research organization World Economics. How can you protect yourself from cyberthieves?

Here are some suggestions that can help:

Watch out for "phishing" attempts. You may receive emails that appear to be from a legitimate firm, requesting information your financial institution would never request online — confirmation of an account number, password, Social Security number, credit card number and so on. These notes can look official, often incorporating a firm's logo, so pay close attention to what's being asked of you.

Think twice before clicking or downloading. If you are suspicious about a communication, don't click on a link or download an attachment — instead, go to your financial firm's website or use their app to verify they sent the information or request.

Become adept with passwords. Use a different password for each of your accounts and change

Protect financial accounts from "cyberthieves"

your passwords regularly. Of course, maintaining multiple passwords can be confusing, so you might want to consider using password management software, which generates passwords, stores them in an encrypted database and locks them behind a master password — which is the only one you'll need to remember.

Use your own devices. Try to avoid using public computers or devices that aren't yours to access your financial accounts. If you do use another computer, clear your browsing history after you log out of your account.

Be cautious about using Wi-Fi when traveling. When you're on the road, you may want to use public hotspots, such as wireless networks in airports and hotels. But many people don't realize that these hotspots reduce their security settings to make access easier, which, in turn, makes it easier for cyberthieves to intercept your information. In fact, some hackers even build their own public hotspots to draw in internet-seekers in an effort to commit theft. So, if at all possible, wait until you can access a trusted, encrypted network before engaging in any communications or activity involving your financial accounts.

Don't give up control of your computer. Under no circumstances should

you provide remote access to your computer to a stranger who contacts you, possibly with an offer to help "disinfect" your computer. If you do think your device has an issue with malicious software, contact a legitimate technician for assistance.

Know whom you're calling for help. If you need assistance from, say, a customer service area of a financial institution, make sure you know the phone number is accurate and legitimate — possibly one from a billing or confirmation statement. Some people have been scammed by Googling "support" numbers that belonged to fraudsters who asked for sensitive information.

Review all correspondence with your financial services provider. Keep a close eye on your account activity and statements. If you see mistakes or unauthorized activity in your account, contact your financial institution immediately.

Advanced technology has brought many benefits, but also many more opportunities for financial crimes. By taking the above steps, and others that may be needed, you can go a long way toward defending yourself against persistent and clever cyberthieves.

SHS Arts & Crafts Show

Thank you, Sanger, for showing up in the rainy weather to support the Sanger FFA with the SHS Arts & Crafts Show on Saturday. The 135 vendors enjoyed the steady traffic. They always tell us that Sanger shows up and even has more foot traffic than larger community craft shows in Dallas and Ft. Worth. This event is the largest fundraiser to help pay travel expenses for Sanger FFA kids to attend leadership contests and other events like the Texas FFA state convention.
