Phase II Announced

Most Sanger restaurants opening for dine-in

Governor Greg Abbott announced on Monday the second phase of the State of Texas' ongoing plan to safely and strategically open Texas while minimizing the spread of COVID-19. Under Phase II, restaurants may increase their occupancy to 50% and additional services and activities that remained closed under Phase I may open with restricted occupancy levels and minimum standard health protocols laid out by the Texas Department of State Health Services (DSHS).

Additionally, the Governor announced that public schools in Texas have the option to provide in-person summer school so long as they follow social distancing practices and health protocols laid out by DSHS. These classes may begin as soon as June 1st.

"Today, tomorrow, and every day going forward is one step closer to medical discoveries that can treat and protect people from COVID-19—but until that day comes, our focus is keeping Texans safe while restoring their ability to get back to work, open their businesses, pay their bills, and put food on their tables," said Governor Abbott. "By continuing to use safe practices, we are slowing the spread of COVID-19 and protecting our most vulnerable. Now more than ever, we need to work together as one Texas. I ask all Texans to continue heeding the guidance of our state and federal medical experts and do their part to protect public health. If we all unite in our resolve, we will overcome this challenge."

Via Executive Order, the following services and activities may open under Phase II.

- Child Care Centers (May 18)
- Massage and Personal-Care Centers (May 18)
- Youth Clubs (May 18)
- Rodeo and Equestrian Events (May 22)
- Bowling Alleys, Bingo Halls, Simulcast Racing, and Skating Rinks (May 22)
- Bars (May 22)
- Aquariums and Natural Caverns (May 22)
- Zoos (May 29)
- Day Youth Camps (May 31)
- Overnight Youth Camps (May 31)
- Youth Sports (May 31)
- Certain professional sports without in-person spectators (May 31)

All sporting and camp activities are required to adhere by special safety standards, and minimum standard health protocols have been established for all newly-announced opened services and activities. Businesses located in office buildings may also open but must limit their occupancy to the greater of 10 employees or 25% of their workforce.

Additionally, restaurants may expand their occupancy to 50% beginning May 22. Bars—including wine tasting rooms, craft breweries, and similar businesses—may open at 25% occupancy but like restaurants, these occupancy limits do not apply to outdoor areas that maintain safe distancing among parties.

Most of the Sanger restaurants will be open for dine-in on Friday with 50% occupancy. Babe's Chicken Dinner House and Parker Bros., Steak House opened two weeks ago for Phase I at only 25% occupancy. Fuzzy's, Pelligrino's, Roma's, Bolivar BBQ and Lone Oak Cafe didn't open for Phase I, taking a wait and see approach. They will all be open on Friday, May 22 for dine-in. Pelligrino's and Bolivar BBQ opened dine-in earlier this week.

OBITUARIES...

Allen Duaine Pruett

December 1, 1948 - May 18, 2020

Allen Duaine Pruett, 71, passed away on Monday, May 18, 2020, at his home in Slidell. The son of Edwin Duaine and Velma Lucille (True) Pruett, Duaine, was born on December 1, 1948, in Decatur, Texas.

Duaine grew up on the family dairy in Slidell, where he learned the love of the Lord, strong family ties, and a great work ethic. He was a 1967 graduate of Slidell High School and was a member of the First Baptist Church of Slidell. Duaine left Slidell and attended the Elkins Institute in Dallas, Texas. From there, he started his career in radio, working with several stations across many states before landing in Cincinnati at Q102, where he would remain as a radio personality for the next 20 plus years. Aside from loving his job in radio, he was an avid golfer.

He was preceded in death by his parents and a sister, Lona Jean Bounds. He is survived by his remaining sister, Ava Nell Manolas of Sierra Vista, AZ, and brother, Bert Pruett of Slidell, along with two nieces and three nephews.

Duaine was honored at a funeral service for family only at 2:00 pm on Wednesday, May 20, 2020, at the First Baptist Church in Slidell officiated by Todd Stevens. Serving as pallbearers for Duaine were Tim Fletcher, Rene Pruett, Danny Pruett, Ja Bounds, Reggie Hickerson, and Bain Fortenberry. Honorary Pallbearers were Jim Fortenberry, Leslie Fortenberry, and Lense Pruett. Interment followed the services in the Slidell Cemetery.

Services were under the direction of Coker Funeral Home in Sanger. Online condolences may be to www.cokerfuneralhome.com.

Esperanza "Hope" Chavez Escobedo

Esperanza "Hope" Chavez Escobedo, 72, of Sanger, was called home to her Lord and Savior, Jesus Christ on Sunday, May 17, 2020 at Medical City Hospital in Denton.

Hope was born on July 26, 1947, in Robstown, TX to Luis and Marta (Tapia) Chavez. Her family legacy began with her marriage to Ernesto Serna Escobedo on November 19, 1966, in Robstown, TX. Hope helped to provide for her family by working at Victor Equipment for over 20 years. Hope was a faithful servant of GOD and she served wholeheartedly in her daily walk as she loved, nurtured, and led her family to the LORD. Hope will be missed by many, but she leaves a Legacy that will live for generations in the Love, Glory, and Service for our Lord and Savior.

Hope is survived by her husband, Ernesto Serna Escobedo of Sanger; sons, Richard Escobedo and his wife Janice of Sanger, Ray Escobedo of Sanger, Rene Escobedo and his wife Cheryl of Sanger, Roland Escobedo and his wife Rachel of Sanger; sister, Marta Chavez of Sanger; brother, Tomas Chavez and his wife Lupe of Corpus Christi; grandchildren, Brice Escobedo and his wife Kinsey, Erin Hall and her husband Blake, Hayden Escobedo, Lauren Hardy and her husband Chris, Anthony Escobedo, Sydni Escobedo, Isabelle Escobedo; great-grandson, Hudson Hardy. She was preceded in death by her father and mother and her sister, Janie Zuniga.

A Celebration of Life and HOPE service will be held at 2 p.m. on Saturday, May 23, 2020, at First Baptist Church in Sanger, TX.

Online condolences may be made at www.mulkeybowlesmontgomery.com

John Claron Holstead

John Claron Holstead passed away peacefully at home in his sleep on the early morning of Friday May 15, 2020 at the age of 81.

He was born in Bonanza, Arkansas to Herbert "Hub" and Opal Woody Holstead on May 1st "of a damn good year".

John grew up on a farm in Bonanza, Arkansas. He later moved to Tulsa, Oklahoma then to North Texas, finally settling down on his beloved ranch in Bolivar, Texas.

After serving as an MP in the US Army and Air National Guard, John spent his occupational life in the transportation business. He got his start driving a bread truck through the streets of Tulsa, OK. After moving to Texas, he drove a bus for Surtran through the streets of Dallas, Love Field and DFW airports. From there, he moved on to Trailways and Greyhound, where he became a manager. Eventually, he started his own transportation company to carry the military at Christmas time which became his annual passion in the later years of his life.

In his personal time, John loved to travel. He and Frances traveled the country by both air and motorhome. From California to Maine and Florida to Washington, including more than a few trips to Alaska and Hawaii, they saw it all. John was also known to frequent the casinos where Lady Luck always seemed to find him. He could tell you every casino between Las Vegas and Mississippi and the best way to get there.

One thing everyone will always remember is that John was always happiest being surrounded by family and friends and swapping stories that brought a smile to everyone's face.

Late in life, John met a kind woman by the name of Joann Teuscher who nursed him and stayed by his side until the very end.

John is preceded in death by his parents Hub and Opal Holstead, and his wife of more than 50 years, Frances Barnes Holstead. He joined Frances exactly 7 years and 1 month after her passing. Claron, Clem, or Big John as he was best known by those close to him is survived by his next of kin, son Christopher Holstead and fiancé Maggie, and Bradley Harkins and wife Kay. He is also outlived by cousins Gay Nobles, Vernon Woody, and Clyde Woody and many nieces and nephews. His dear friends were also considered family, including but not limited to, Tony and Wynne Bredlow, Mark and Dawn Morris, Colleen Pilgrim, John Wilson, Chad Sons, Clayton and Lesley Smith, Richard Sons, Tina Hampton, and Carol Denton.

John's death with also be mourned heavily by Winstar and Choctaw casinos, as well as every Dodge truck dealership in North Texas.

Due to current events, a memorial service will be digitally recorded and sent to friends and family at a later date.

In lieu of flowers, John would ask that you make a donation to the casino of your choosing. It's guaranteed that he will be right there at your side.

Financial FOCUS

Getting Through the Pandemic: You've Got Resources

As we go through the coronavirus pandemic, with its constant threat to personal health and its devastating impact on the economy, it can be hard to find a silver lining. But if there is one, it's that government agencies, private businesses and nonprofit organizations have contributed, in one way or another, to helping relieve some of the stresses – financial, physical or emotional – that many of us are feeling. So, it's important for you to know what types of help are out there.

Here are some of the key areas in which resources are available:

Unemployment – The CARES Act, a major piece of the recent economic stimulus packages, expanded several aspects of unemployment insurance, including eligibility, amount and duration. To learn more about unemployment insurance flexibility during the COVID-19 outbreak, and to find a link to your own state's unemployment insurance office, visit: <https://www.dol.gov/general/topic/unemployment-insurance>. You might be able to collect some benefits even if you're still working. Specifically, if your hours have been reduced, you could receive part of your unemployment benefits as short-time compensation. Your company's human resources area can let you know if you're eligible.

Banking/Credit

Cards/Consumer and Student loans – Many financial institutions are offering loan modifications, fee waivers or new lending products to help consumers during this time. To see what's available, contact your own bank or credit union. Credit card issuers and other consumer loan providers are also offering programs to help borrowers; to learn more, visit these creditors' web sites or call their customer service lines. And, as part of the CARES Act, borrowers can stop making payments on federally held student loans through Sept. 30, 2020.

Health care – Losing employment often means losing health insurance. If you've recently lost your coverage, you may be eligible to participate in the special enrollment period to sign up for an Affordable Care Act (ACA) health insurance plan. Depending on your income, you may be eligible for subsidized health insurance. To see if you qualify for the special enrollment period, or for Medicaid or CHIP (Children's Health Insurance Program), go to <https://www.healthcare.gov/screener/>. If you don't qualify for Medicaid or CHIP and can't afford health insurance, you may be able to get free or low-cost services at a community health center. To find one near you, go to <https://findahealthcenter.hrsa.gov/>.

Mortgage – Another provision of the CARES Act allows you to apply for suspension or reduction of your mortgage payment for a limited time if you have a federally backed mortgage (FHA, VA, USDA, Fannie Mae or Freddie Mac). You'll need to contact your

and Krum are set to open on Tuesday, June 2. While dine-in has been closed for restaurants during the pandemic, they have been busy making upgrades and giving both locations a facelift by painting and making repairs that they anticipate will be completed by next week. With the new upgrade to their Microsale POS system it will allow them to process credit cards more efficiently. They are also switching telephone and internet

providers which will help them moving forward with all the new requirements. "We are anxious and ready to greet all our customers even though it's at 50%," said spokesperson Rose Chavez.

Opened services and activities under Phase II are subject to certain occupancy limits and health and safety protocols. For details and a full list of guidelines, openings, and relevant dates, visit www.gov.texas.gov/opentexas.

Certain counties experiencing surges in COVID-19 cases will have their beginning date of Phase II delayed until

May 29. These counties include El Paso, Randall, Potter, Moore, and Deaf Smith. Surge Response Teams are actively working in these areas to increase testing, maintain hospital capacity, and ensure that COVID-19 is contained and mitigated.

own mortgage service provider to request this relief.

Utilities – Many gas, electric and water service providers are temporarily suspending disconnections of customers unable to pay their bills due to the effects of the pandemic. Also, some utilities are suspending late fee charges. Contact your local utilities to determine the benefits for which you may be eligible.

Telecommunications/Internet – Numerous broadband and telephone service providers (<https://www.fcc.gov/keep-americans-connected#pledges>) have agreed to temporarily stop terminations and waive late fees for customers facing financial struggles arising from the pandemic.

And some providers (<https://www.fcc.gov/keep-americans-connected/above-and-beyond>) are also offering other benefits, such as free internet ser-

vice to students and teachers and increased broadband speeds for customers working remotely.

These are challenging times, to say the least. But by availing yourself of the appropriate resources, you may well be able to make your life easier.
