Council approves zoning change for “Preserve” development

The Sanger City Council conducted a Public Hearing on Monday evening for a rezoning from Agricultural to a Planned Development of approximately 12.01 acres of land located on the southeast corner of 5th Street and Cowling Rd. The developer is wanting to build four retail buildings of 9,000 square feet each and 170 multi-family and Apartment Units on the property.

The City mailed out 81 letters to property and home owners near the area on two different occasions. They only received six total letters in opposition of the project. There were a few others who were concerned that attended two previous P&Z

Meetings, but after seeing some of the revisions, seemed satisfied with the neighboring development. Sanger's P&Z green-lighted the zoning change and no one spoke against the change at the Public Hearing on Monday.

Around most of the outer part of the property, as a buffer, will be units that look like two story houses with garages. In the middle of the 8 acres will be the 3-story apartment complexes, with a pool and patio area. The commercial part is 3 acres and will feature retail shops and 144 parking spaces. The developer said it will feel like a neighborhood. They will try to do all the

OBITUARIES...

Bradley Dale Green

March 4, 1970 - September 9, 2022

Bradley Dale Green, 52, passed away early Friday morning September 9, 2022, at his home in Valley View, Texas, with his family by his side.

Brad had bravely fought colon cancer for two years.

He was born in Tyler, Texas, on March 4, 1970, the son of Audrey Dale Bryant and Roy Dale Green.

He grew up in Denton, where he graduated from Denton High School. He attended the University of North Texas before embarking on a 25-year career in IT development and management. At the time of his death, he was the Director of DevOps at True Prodigy, LLC, in McKinney, Texas.

Brad thrived in developing skills that engaged his creativity. Early in his life reading was a passion, quickly joined by writing, which provided an outlet for his emotions and thoughts. Computers, though, became the passion that would guide him. He built and disassembled them, and developed networks, and databases. His early interest in creating innovative backup technology was featured in a front-page article of NetworkWorld magazine in 2005.

He also collected vintage cameras and keyboards; he had a hobby of fiddling with keyboard keys, changing out weights and colors of different key cap sets.

Brad had an inexhaustible thirst for knowledge and loved to learn. He shared his joy of learning with his three children and often had discussions related to new discoveries and inventions.

Family was the center of Brad's world. He delighted in his children's accomplishments, providing a joyful home filled with humor and encouragement.

Brad is survived by the love of his life, his wife of 25 years, Kim Green, son Eli Green and daughters Maddy Green and Erin Green; his mother and stepfather, Audrey and George Bryant of Valley View; father and stepmother Roy Dale and Linda Green of Arkansas; and brother Scott Green of Valley View.

A Celebration of Life will be held Saturday Oct. 8th at the Historical Sanger Presbyterian Church at 404 N. 7th St. in Sanger, 76266, with family visiting with friends from 1-3 pm to share memories and memorabilia of Brad.

Sculptor Tom Roberts with local ties has a display at State Fair of Texas

DALLAS – What better way to express yourself than by spreading your creative energy for all to see? That’s why one Clay County artist has spent days in a 22-degree cooler, carving sculptures — in butter.

Tom Roberts of Byers, Texas, and 1987 graduate

of Sanger High School is the Official Butter Sculptor of the 2022 State Fair of Texas. Roberts’ sculpture, “Big Tex’s Birthday Bash,” features four butter sculptures total: a birthday cake to commemorate Big Tex’s 70th appearance at the State Fair, two miniature sculptures, and a sculpture of Big Tex himself.

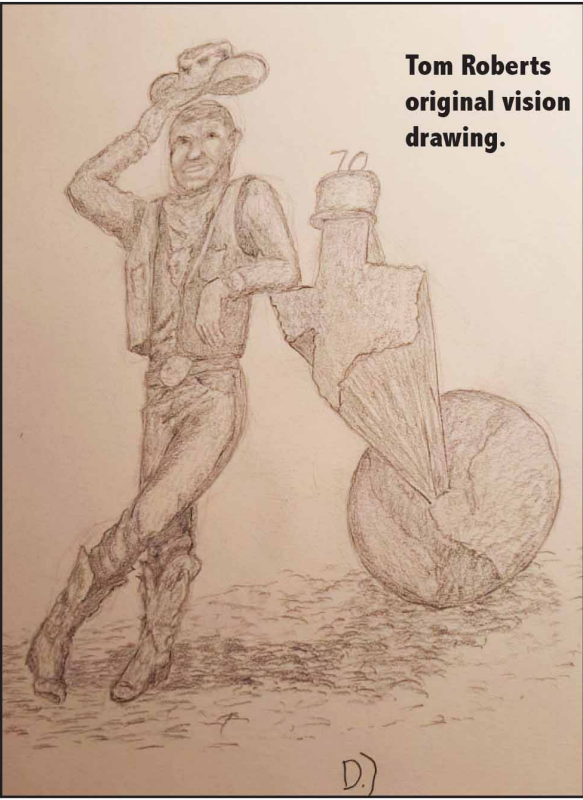

“The work itself has been rewarding,” Roberts said. “From the sketch I dreamed up to the full sculpture — that’s what’s fun about it.”

Each year, Texas sculptors use the dairy product as their medium to fill a refrigerated display depicting the Fair’s current theme. Roberts said the base of the sculptures is bags of feed, plexiglass, cardboard, PVC, and steel pipe that he had lying around. For his creation of Big Tex, the base of the head is styrofoam.

“The room was kept at 22 degrees while I

work,” Roberts said. “After a while, I found I had icicles on my eyebrows.”

You can see Roberts’ work for yourself. The State Fair opened on Friday, September 30, and runs through Sunday, October 23. On Saturday, October 1, Roberts hosted a demonstration from 10 am to 5 pm in the Creative

Arts Building. The fair celebrates all things Texan by promoting agriculture, education, and community involvement.

“It’s really a Texas State of Mind,” Roberts said. “America is big, no question, but you can go anywhere in the world, and they know about Texas.”

In 2021, Roberts entered a mini-butter sculpture and won first prize by a wide... margarine. Four years prior, Roberts won honorable mention for a dung beetle piece called ‘Tenacity.’

For more information and to see more of Roberts’ work, visit his website.

Tom Roberts used 1000 pounds of butter and the finished sculpture was featured on CBS 11 News, recently.

Greetings, Sanger!

It is with great pleasure that we welcome the fall! While Mother Nature is taking her sweet time ushering the cooler weather into Texas, we know that cooler temperatures are coming. For many,

October marks the beginning of their favorite time of year. There is something about pumpkin-spice everything, cooler weather, fall festivals, and a flood of holidays headed our way that puts everyone in a good mood.

October marks some exciting times in Sanger. The City will be buzzing with activity beginning with our fall Sanger Clean Up Day on October 8th followed by the much anticipated 44th Annual Sanger Sellabration.

December promises to be a lot of fun. The Chamber is once again hosting its Six Days of Christmas activities, an increase of two days over last year! Additionally, the Letters to Santa is returning thanks to the sponsorship of Hermes Insurance. Watch for the special mailboxes to be set out. You will find one in the Square, one at City Hall, and one in the Library. On December 10th, be sure not to miss our Christmas on the Square and the 24th annual Holiday Parade. We will have more than 40 vendors, bounce houses, photos with a real longhorn, local performances, and photos with Santa Clause plus much more! Thanks to the generous sponsorship of Don Hall Construction, we

have expanded our parade this year. Awards will be given to both float entries and performers. A special judging spot will be marked on Bolivar. Arrive early to save your spot to see the performances. As always, the event is free and participation in the Parade is free. You just need to register.

As we move into a new month, you will notice some upgrades the City is making to improve our communication and to make navigating our website much more user-friendly. View our new website at <https://www.sangertexas.org/>. Earlier this year, we launched our lifestyle website at [www. discover-sanger.com](http://www.discover-sanger.com). This website showcases all of our events, things to do, places to shop, and more. I encourage you to visit both sites. Additionally, we have implemented a new issue reporting tool. In partnership with SeeClickFix, we have launched the SangerConnected app. This app allows users to quickly report any issues they see such as water leaks or potholes. When you submit the issues through the tool, the proper department is notified, a tracked location is provided, and you are notified of the progress through completion. Let us know what you think by sending an email to marketing@sangertexas.org. Coming soon, we will be launching a redesigned Economic Development website, and our phone system is getting a much-needed upgrade.

Please remember that in October, we have Halloween. I caution you to use care and watch out for all the little ghosts and goblins that you will see roaming the streets on October 31st. Parents, make sure your little monsters are wearing something reflective. Once it gets dark, it is very hard to see them.

Happy Fall,
John Noblitt

construction at once (retail/apartments). There will be one 3-story complex on the south side adjacent to the retail.

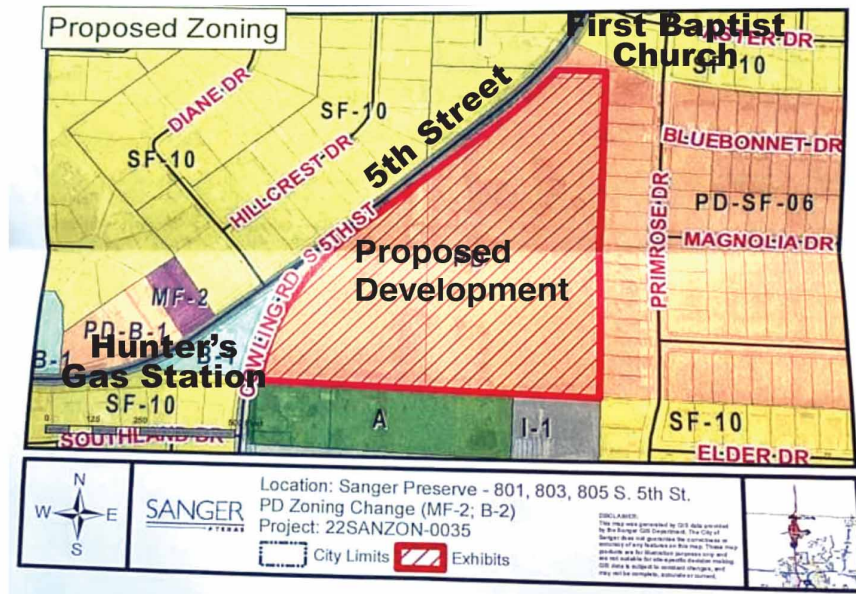

Before the council voted for the change, the biggest concern was that a traffic study needed to be done. The applicant/developer and TxDOT will have to see if there is a need for stop lights, turn, lanes,

stop signs, etc... They will both work together on the traffic study. 5th Street that runs through Sanger is overseen by TxDOT.

The developer is getting two HUD loans for the projects. One for the retail, and the multi-family. With it being a federal loan, it will be a better product for the residents. HUD will want the traffic study and the entire complex will be energy efficient (GREEN). The developer said there will be high end

finishes in the units, with granite counter tops, double pane windows, etc...

The vote passed 3-1 with Victory Gann voting no. Councilman Gary Bilyeu wasn't at the meeting. Dennis Dillon, Allen Chick and Marissa Barrett were for it. Mayor Thomas Muir said it was a logical development for that area, with single-family (already there) and now retail, multi-family, apartments then industrial behind that (A&W Productions).

SHS CROSS COUNTRY

Sanger does well in national meet in Arkansas

The Sanger Indian and Lady Indian Cross Country team traveled to Fayetteville, Arkansas to compete in The Chili Pepper Cross Country Festival, one of the most prestigious and competitive meets in the nation. The morning started out with the Lady Indians competing in the "El Caliente" division which was considered the Elite division. Right from the start of the gun, the Ladies from Sanger were charging up to the front of the pack. Leading the charge were seniors Erin Goodfriend and Macy Cogburn. Following close behind, pacing themselves were the pack of Brenna Slovacek, Farah Hughey, Sydni Escobedo, Kyley Cochran, and Alexus Vasquez.

Erin and Macy came through the first mile at 5:52 and 5:48 respectively and were up with the leaders of the race. The pack of 5 were close on their heels between 6:11 and 6:37 through the first mile. By the end of the race, Erin broke away and was able to run a school record in the 5k by running 18:32.

The SHS varsity cross country runners at the Arkansas meet.

Macy was able to hold on and run a 19:03. Freshman Farah Hughey also ran a PR by running 19:43 over the 5k course. Junior Alexus Vasques was able to overcome a bad start and still run a speedy 20:13. Brenna Slovacek ran a PR of 20:40 as did Kyley Cochran and Sydni Escobedo in 20:41 and 20:44. After the dust settled, the Sanger Lady Indians placed 12th out of 66 elite teams. All of the teams that bested the Lady Indians were either ranked in their respective state or in the highest classification in their state.

The Indians were the next race up and were buoyed by the success of the Lady Indians. The hard-charging Indians were competing against the best in the Southwest part of the US and they

were primed and ready to go. As the gun went off the Indians were ready to compete against the best. Omar Cruz led the charge through the first mile in 4:52 followed by Christian Cortez, Khaedyn Lawson, Cole Daniells, Sam Musgrave, and Cade Knavel between 5:07 and 5:47. The boys were able to hold their paces and were able to move up to 25th place after the first mile. The Indians kept charging to the finish line and almost all of the runners were able to PR with Omar running 15:51, Christian Cortez running 16:55, Sam Musgrave running 17:04, Cole Daniells running 17:20, Khaedyn Lawson running 17:40, and Cade Knavel running 18:32. After all of the results were tallied the Indians finished in 25th

place beating fellow in-state competitors, Denton Guyer and Plano East.

"The kids absolutely killed it today," said Sanger coach Chase McMichael. "The amount of focus that we as coaches saw gave us high hopes for the post-season meets which are starting in October. On the girls side, we need to improve our gap time and on the boys side, we need to learn to push through some discomfort."

The Sanger Cross Country team will be competing in the District meet in Wichita Falls at Kirby MS and Regionals will be held at Mae Simmons Park in Lubbock, Texas on Monday, October 24th. "If you see a runner around town tell them to keep up the good work!"

SHS FOOTBALL:

Indians look to rebound against rival Krum

The Indians varsity football team started the season 4-0 but dropped their first two district games against Gainesville two weeks ago and Van Alstyne last week 50-35. They hope to bounce back at Krum on Friday at 7:30 p.m.

The Indians only trailed 36-35 in the fourth quarter after a 2-point try failed for Sanger. Then Jackson Allen returned an interception for a score and Van Alstyne added a late touchdown to put it out of reach.

Chandler Bowland led Sanger with six catches for 112 yards. Easton Elsey and Austin Shackelford each caught touchdown passes for the Indians. Sanger quarterback Logan Lewis was 23/39 passing for two touchdowns and an interception. Steven Bush, Lewis and Kyle Watts each rushed for touchdowns. Phillip Lerma led the defense with 15 tackles.

Krum has one win on the season. They beat Burkburnett 21-19 with losses to Whitesboro 41-16 in the season opener; Ponder 56-51 in week three; Caddo Mills 41-21 and Van Alstyne 32-27 two weeks ago. They had a bye last week and have had two weeks to prepare for the Indians.

It's "Krum Week", all Sanger football teams, second through varsity play the Bobcats this week! The 7th and 8th grades play at Krum on Thursday, October 6 and the freshman and JV host them on Thursday.
