Rosales indicted for charge of murder

Amber Jean Rosales

A Denton County grand jury last week indicted Amber Jean Rosales, 30, of Sanger, on a charge of murder in the shooting death of her husband in April.

At about 9:58 p.m. on April 25, Denton police responded to a call from Rosales saying her 31-year-old husband, Jeffrey McBride, had been shot in the 1100 block of

East Sherman Drive. A third party called to say a red Ford truck had crashed into a nearby yard.

Police found McBride in the driver's seat unconscious with a gunshot wound to the abdomen and Rosales in the passenger seat crying and touching McBride, an affidavit states.

The two were coming from McBride's parents' house, and Rosales said they saw a man her husband was supposed to meet walking on East Sherman Drive. She alleged they stopped in the road to speak with him when he brandished a gun.

Rosales alleged she tried to grab the gun, but the man shot her husband, wiped off the revolver, tossed it into the front passenger floorboard of their

James Mitchell Sebastian

January 12, 1963 - August 16, 2022

James Mitchell Sebastian, 59, of Sanger, passed away peacefully at home on Tuesday, August 16, 2022, surrounded by his family.

The son of Jimmy Wayne Sebastian and Mary Rosene (Amyx) Sebastian, James was born on January 12, 1963, in Denton, Texas. He attended Sanger schools, graduated from Sanger High School in the Class of 1981, and obtained an Associate Degree.

On December 11, 1981, James married Clydeine Lee Wilhoite in Sanger, Texas. James and Clydeine made their home in Sanger, where they raise their children Ray and Diane. He was an engineer for Rochester Sensors, a career he has maintained for 34 years. Additionally, James was a farmer and worked hard for his family. He taught and helped his children

with FFA projects, but most importantly, he taught them to love and serve the Lord. James was an avid hunter, having hunted elk, antelope, and deer. He served in a group called Operation Orphans, which allowed him to minister to children and take them on guided hunts.

Of course, the best part of his life was the time spent with Clydeine, Ray and Danielle, Diane and Jake, and the grandchildren. They swam in the lake on their property, fished, and rode four-wheelers with the grandchildren. James had a passion for flying and obtained his pilot's license. But, the most wonderful thing in life was to hear the grands call out to "Paw Paw."

James was a lifetime member of the Church of Christ. In 1984, the church needed someone to lead the singing. James filled that need, which he has done on and off since then. James was a Deacon over World Bible School Leaders. In addition, he served as a teacher in Leadership for Christ (LTC) and Vacation Bible School. James has served the church as an Elder for the last four years.

The visitation was held Saturday, August 20, 2022, from 6:00 pm to 8:00 pm at the Church of Christ. Funeral Services were held at 2:00 pm, Sunday, August 21, 2022, at the Church of Christ, with John Payne officiating the services. Doug Vandever, Gene Tipton, Jason Klein, Rex Parsons, Jamie Waggoner, and Doug Mills were pallbearers. Honorary pallbearers were Mike Gardner, Doug Parkhill, and Kevin Sadau.

Services are under the direction of Coker Funeral Home. Please make online condolences or share a memory with the Sebastian Family at www.cokerfuneralhome.com.

A notice of petition filed for proposed 320 acre Duck Creek Municipality District

A NOTICE OF DISTRICT PETITION by the Texas Commission of Environmental Quality for the creation of a proposed 320.41 acre Duck Creek Municipality District was published in the Denton Record Chronicle on August 12-13, 2022 (INTERNAL CONTROL NO. D-06142022-031).

Earthland Farms, LLC, a Texas limited liability company, and Kenneth Zollinger and Daphne Zollinger as individual landowners (Petitioners) filed a petition for creation of Duck Creek Municipal Utility District of Denton County (District) with the Texas Commission on Environmental Quality (TCEQ). The petition was filed pursuant to Article XVI, §59 of the Constitution of the State of Texas; Chapters 49 and 54 of the Texas Water Code; 30 Texas Administrative Code Chapter 293; and the procedural rules of the TCEQ.

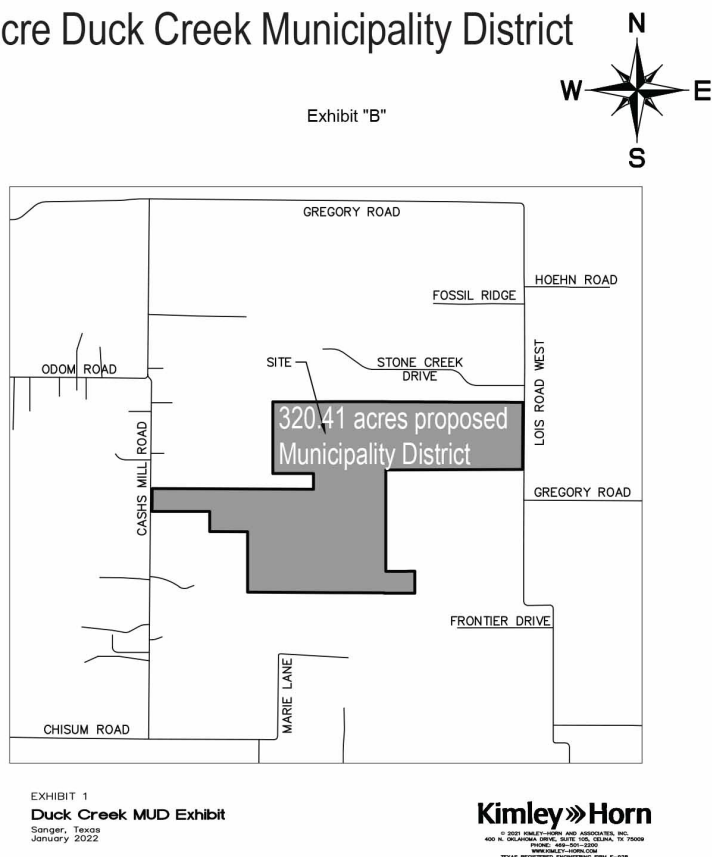

The petition states that: (1) the Petitioners hold title to a majority in value of the land to be included in the proposed District; (2) there is one lienholder, Lone Star ACA, on the property to be included in the proposed District and the lienholder consents to the creation of the proposed District; (3) the proposed District will contain approximately 320.41 acres located within Denton

County, Texas; and (4) none of the land within the proposed District is within the corporate limits or extraterritorial jurisdiction of any city.

The territory to be included in the proposed District is set forth in a metes and bounds description designated as Exhibit "A" and is depicted in the vicinity map designated as Exhibit "B," both of which are attached to this document.

The petition further states that the proposed District will: (1) construct, maintain, and operate a waterworks system, including the purchase and sale of water, for domestic and commercial purposes; (2) construct, maintain, and operate a sanitary sewer collection, treatment, and disposal system for domestic and commercial purposes; (3) construct, install, maintain, purchase, and operate drainage and roadway facilities and improvements; and (4) construct, install, maintain, purchase, and operate facilities, systems, plants, and enterprises of such additional facilities as shall be consonant with all of the purposes for which the proposed District is created.

According to the petition, a preliminary investigation has been made to determine the cost of the project, and it is estimated by the Petitioners that the cost of said project will be approximately

\$40,910,000 (\$25,840,000 for water, wastewater, and drainage plus \$15,070,000 for roads).

CONTESTED CASE HEARING. The TCEQ may grant a contested case hearing on this petition if a written hearing request is filed within 30 days after the newspaper publication of the notice which was August 12-13, 2022.

To request a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) the name of the Petitioners and the TCEQ Internal Control Number; (3) the statement "I/we request a contested case hearing"; (4) a brief description of how you would be affected by the petition in a way not com-

mon to the general public; and (5) the location of your property relative to the proposed District's boundaries. You may also submit your proposed adjustments to the petition which would satisfy your concerns. Requests for a contested case hearing must be submitted in writing to the Office of the Chief Clerk at the address provided in the information section below.

INFORMATION. Written hearing requests should be submitted to the Office of the Chief Clerk, MC-105, TCEQ, P.O. Box 13087, Austin, TX 78711-3087. For information concerning the hearing process, please contact the Public Interest Counsel, MC-103, at the same address. Dancers danced to songs from Disney's popular "Encanto" movie 6/21-6/23, 9-12:00! We had over 40 campers ages 3-12. Directed and led by Amy Pearman and Kay Roane. Campers received instruction on many different styles of dance, from creative movement, to tap and ballet, to lyrical and even some hip-hop. Look for dance camp to happen every summer at Buzy Body! We also offer dance classes year around. Children can enroll at any time.

Tumbling Camp...

Forty-four Campers worked on learning new skills on the floor and trampolines while cleaning up technique on skills they may have already had. Coaches provided spotting and valuable critique through one on one time, group lessons, stations, and more! Campers also worked flexibility & strength training and learned how to connect skills to form exciting passes and trampoline routines.

On the last day, the campers received a certificate and showed off their skills for a crowd of supporting spectators. Children performed at a variety of levels from forward rolls and handstands to cartwheels and kick-overs to back-handsprings, tucks and even a few lay-outs!

Look for Buzy Body's Summer Tumbling Camp in June of every summer! In the meantime, join a tumbling class suited for your child's abilities! Tumbling classes are offered year around.

**SHS CROSS COUNTRY:
Sanger's varsity finishes first and second**

The Sanger Cross Country team started their season off this past Friday at the Hebron Night Hawk Invitational. This was primarily a 5A-6A meet with some of the best competition in the DFW area. The JV girls got things started by placing 4th in their division behind Lewisville Hebron, Founders Academy, and Northwest Nelson. Brionna Garcia led the way with a 14:42 and a 16th place finish followed by Alicia Lorenzen and Abril Aguilar.

The JV boys were one short of being able to score as a team but that didn't stop Jacob Moore, Hutch McMillan, River Mitchell and Brasen Guiette from putting in their best efforts on the course. All of the boys were pushing hard to earn a Varsity spot at the next meet on August 27th.

The Varsity girls were next up on the course with high expectations for the

meet. Former district rival, Celina was also in the race and that provided motivation for them to do well. The girls however, were boxed out from the beginning and were playing catch up the whole race. Sanger scored 38 to Celina's 20. Senior Erin Goodfriend however, came away with the individual win with a blazing 11:55 2 mile. "Erin has been putting in some amazing work in practice and it has been showing off. I'm glad her race results are showing the effects of her training," said coach Chase McMichael. Senior Brenna Slovacek came in 2nd for Sanger running 12:50 and placing 7th overall. Junior Alexis Vasquex was only one second off of her PR at state last year with a 13:14 and placed 10th overall. Kylee Cochran, Farah Hughey, and Sydney Escobedo placed 11th, 13th, and 14th respectively with Au-

dra Des Jardin placing 19th to round out the top 7 for the Varsity girls. Savannah Belcher, Haylee Haas and Gracie Grahll were amazing as well placing 39th, 42nd, and 45th. "We need to work on getting out better. The only reason Celina was so far ahead was because of our poor start. That will improve as the year goes on."

The Varsity Boys were the final race of the night. Sanger started out strong in the race with Senior Omar Cruz and Junior Khaedyn Lawson leading the way through the first mile. Junior Christian Cortez and Sophomore Cole Daniells however were close behind with their eyes on a top 10 spot. By the end of the race, Sanger had three boys in the top 10 and four in the top 15. Cruz won first and Christian placed third. This was enough to help the boys place 1st ahead of 6A Lewisville Hebron, Abilene, and Richardson Pearce. Following the race, the boys were ecstatic and thrilled with their top showing in the race. "The boys ran lights out tonight. They have been putting in an amazing summer and coming together as a team. They run for each other and that is something that isn't necessarily taught. They simply care too much about each other to let each

**SHS VOLLEYBALL:
Sanger beats Pilot Point**

Sanger's varsity defeated Pilot Point 25-11, 25-19, 25-11 on Tuesday night. Carly Schmucker led the way with 16 kills, 3 aces and 14 digs. Taylor Price and Elaine Pomeroy each had 7 kills; Corah Cox also had 3 aces and Delaney Gonzalez had 17 digs. Ava Grant had 20 assists and Liana Burgess chipped in 17 assists.

SHS FOOTBALL:

Varsity opens season against Benbrook

After nabbing just one win during coach Rocky Smart's first season in 2019, Sanger flipped the script the next year with an impressive 8-2 finish.

The Indians took a bit of a step back last year at 5-6, snagging the fourth playoff spot in a five-team district before a first-round exit against Graham. Sanger returns 13 starters and 17 lettermen overall, providing reason for optimism heading into the fall.

Star power: Wide receiver Steven Bush's importance in Sanger's offense will grow after star quarterback Rylan Smart, son of Rocky, was lost to graduation along with leading rusher Colby Lewis and four other offensive starters.

Bush was the Indians' top receiver last year, hauling in 45 passes for 755 yards and nine touchdowns. He also chipped in 17 tackles, two pass breakups and a fumble recovery from the defensive backfield.

Bush will be a key weapon and likely security blanket for Sanger's next quarterback Logan Lewis. Bush has been moved to a running back role, as well this season. Fellow wide-outs Kollin Shumate and Chandler Bowland should help in that regard, too, after combining for 51 catches, 616 yards and nine touchdowns. Receiver Ben Turnbow is back for his senior year. He missed most of the junior season with an injury.

Look for Bush to set the tone for the group once again this fall.

Team strength: As is the case with a few other area teams, Sanger's biggest strength is an experienced defense. Just three of the Indians' top 10 tacklers graduated and they return eight starters.

Linebacker Logan Lewis led the

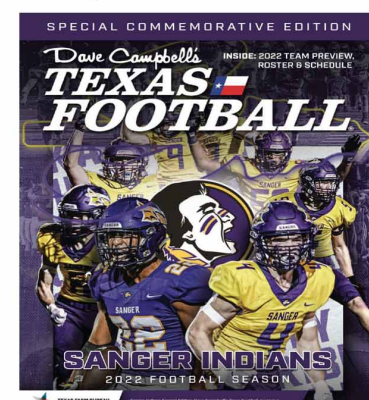

team with 88 tackles last season while also contributing at several spots on the offensive side. He is the starting quarterback this fall and looks like a good bet to factor in heavily on both sides this season.

Beyond Lewis, defensive linemen Aidan Beukema and Jyreese Jones should be forces once again up front. They combined for 167 total tackles and 15 tackles for a loss last season. Defensive back Kyle Watts has the most playing experience on defense, as a three-year starter.

It will be no small task to replace that production after the team also lost its leading rusher and second and third receivers. Filling the void will take a group effort from players at several positions.

Lewis saw plenty of reps at quarterback during summer practice and Sanger's scrimmage against Ponder, flashing ability on the ground and through the air. He throws a great deep ball, but the offensive line must give him time to make that pass.

Sanger plays Benbrook at Far-ington Field on Friday, August 26 at 7:30 p.m.

vehicle, then fled on foot. She alleged her husband's foot hit the accelerator after the shot, crashing the truck.

An officer noticed during the interview Rosales had scratches on both arms, and her right pinkie finger was swollen, according to the affidavit. She could not explain the scratches, the affidavit states, but said she believed her finger was broken from struggling for the revolver.

Rosales said the man stole the gun used to shoot McBride from McBride's family's residence earlier that month.

Police found the revolver in the front passenger side floorboard and an empty brown leather holster that perfectly fit the gun, according to the affidavit.

Family members told police a gun was possibly taken from the home that night, according to the affidavit. Police confirmed the gun and its holster were taken from the family residence. When McBride and Rosales last entered the residence, no one was with them, the affidavit states.

Surveillance footage did not show the truck stopping at any point on East Sherman before the crash or any man fleeing on foot, according to the affidavit. An independent witness said they swerved to avoid the truck and didn't see any other person or vehicle nearby.

Rosales was arrested on a

warrant at her home in Sanger and booked in the Denton County Jail on May 26. She remains there in lieu of \$500,000 bail.

In 2017, she was convicted

of aggravated assault, a second-degree felony. She also pleaded guilty to false report of sexual battery involving a law enforcement officer, a felony, and disorderly conduct, a mis-

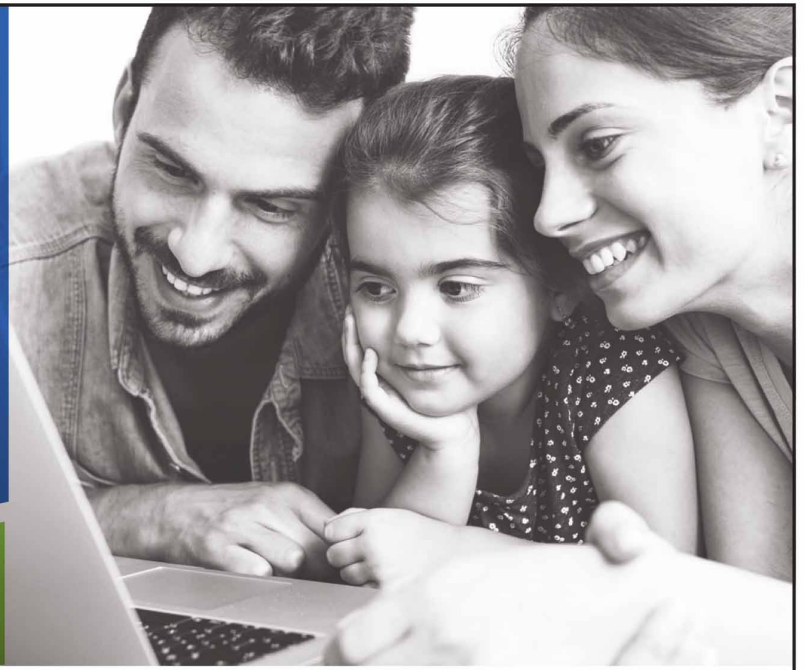

demeanor, in Bay County Florida, in 2021. She appeared on the MTV reality show Big Tips Texas, which aired in 2013.

Jeffrey McBride and Rosales married April 21, four

days before his death, according to Denton County marriage records.
