OBITUARIES...

Richard Montgomery Briner

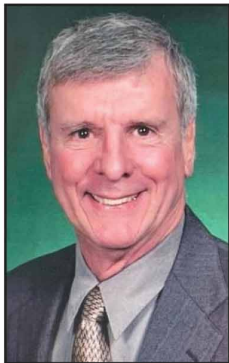

May 26, 1941 - October 18, 2021

Richard Montgomery Briner, Age 80, of Sanger, TX passed away peacefully on October 18, 2021, surrounded by his loving family. He was born on May 26, 1941, in Jacksonville, FL to Captain Richard and Dorothy Briner (USN retired) of Carlisle, PA.

Richard, also known as Dick, grew up in a Navy aviation family and lived at many bases across the U.S. as well as the Philippines. He attended William Tennent High School in Southampton, PA where he met his future wife Carolyn Mowers. Excelling in math and wrestling, he graduated from the U.S. Naval Academy in 1964. He married Carolyn in 1965 at the U.S. Naval Academy Chapel in Annapolis, MD. They were stationed at Cecil Field in Jacksonville, FL where Dick flew the A-4 and A-7 attack aircraft. In July 1967 he served on the USS Forrestal flying combat missions into North Vietnam. After returning from a mission a catastrophic inferno broke out on the ship's flight deck. During this tragedy he helped injured sailors and aided in the recovery of the damaged ship.

In 1970 Dick transitioned from the active Navy and started flying for Delta Airlines. He and Carol moved to Texas and quickly settled on a grass airstrip near Sanger. Dick transferred to the Navy Reserve where he flew the F-8 and F-4 fighters at Navy Dallas. "Tricky" was known for a good Navy low pass or two over the airstrip in the early years where Old Glory was always flying high.

During his airline career Dick flew the L-100, DC-

8, DC-9, B-727, B-737, L-1011, B-757 and B-767 aircraft. While flying the B-737, he instructed and mentored Delta pilots as a Line Check Airman fueling his passion for helping fellow aviators. In May 2001 he retired after 31 years as a B-767 Captain with an epic retirement flight and party in Nice, France.

Over the years, Dick had many interests that fed his zest for life and relentless work ethic. He started several small businesses, ran cattle with his wife and sons, raised horses and goats, and he was instrumental in designing and developing an addition to the airstrip community near Sanger. Dick loved spending time with his family and friends, especially his grandchildren. He often told humorous stories accompanied by a quick smile. He also enjoyed flying, horseback riding, his animals, and his various homestead improvement projects. Dick was meticulous and ingenious; he could design, build, and fix almost anything—he instilled in his sons the importance of "attention to detail" to get the job done right the first time. He was a gifted horseman, a tremendous athlete, and it was common to see him put a wrestling move or two on his buddies or sons in the squadron, house, or hangar...even in his later years.

Dick was generous and he enjoyed helping others. He coached Little League Baseball and Pee Wee Football during his sons' school years. He started and coached Sanger's first youth wrestling team. He was known for giving rides to friends of all ages in his Christen Eagle II or vintage Cessna 140. Often, these flights were a first-time airplane ride or an aerobatic thrill flight. Dick taught both of his sons to fly. In addition, he had a passion for mentoring young aspiring service members and pilots to help them achieve their goals and dreams.

Richard Briner was a courageous man having endured dementia for an extended period, always with his loving wife Carol at his side. His love of life, his humor and his smile will be remembered. He is survived by his wife Carol of 56 years; his sister Anne Supper (Lee); two sons Rich (Annette) and John (Bryn); his 5 grandchildren: Rachael, Katherine, Reese, Andrew, and Zachary.

The family will receive friends on Saturday, November 13, 2021, from 10:30-11:00 am at the DeBerry Funeral Home, 2025 West University Drive, Denton, Texas with a service immediately following at 11:00 am. Interment with military honors will occur at a later date on the grounds of the U.S. Naval Academy. In lieu of flowers, donations may be made to the Wounded Warrior Project or the Dementia Society of America.

1200 block Primrose Drive- Follow up due to children not being buckled up in the vehicle and hanging out the sunroof.

I35 @ 475 Highway- Spoke to a female subject and I was advised prior to dispatch that she was angry. I've dealt with this female before during a traffic stop when she was intoxicated and arrested for DWI by 774. She was upset because of some technical difficulties with her case and was not pleased with the amount of time the process was taking. While talking to me she stated that she was trying to not be rude and I advised that she doesn't have the right to be rude because it was her choice to drink and drive and that if she was rude I would hang-up. Obviously this upset her and she called me incompetent and said some other words in reference to her case. Then advised her

lawyer was on the call and hung up on me.

Financial FOCUS

By Allen Chick,
Edward Jones

Build your 'cash' account before retiring

If you're going to retire in the next few years, you'll want to start thinking about making some changes to your investment portfolio. And one area you may want to look at is whatever type of cash account you might have – because, when you're retired, the amount of cash you have readily available may be even more important than when you were working.

Your cash management account could pay a slightly higher rate than a typical savings account, as well as serving as a holding place for funds that may eventually be transferred to other investments. Furthermore, it can provide you with these benefits:

You can pay for emergency expenses. You might be retired, but life goes on – and life is full of unexpected expenses, such as a new furnace or a costly auto repair. It's a good idea for retirees to keep at least three months of living expenses in a separate cash account, which can help pay for emergencies without forcing you to dip into your longer-term investments.

You can save for a short-term goal. You may have several short-term goals, such as a long vacation or a kitchen remodeling project. If you are trying to reach this type of goal within a year or two, you may want to start moving funds into your cash management account. For goals with longer time frames, you may want to consider using other types of investments appropriate for the specific goal and your risk tolerance.

You can protect some

money from market volatility. When you're a long way from retirement, you may not be particularly bothered when the financial markets drop, leading to a decline in the value of your investment portfolio. However, once you're retired, those downturns might not be quite so tolerable. As a retiree, you may want to maintain one year of expenses (adjusted for outside income sources such as Social Security) in a cash management account for spending purposes. Knowing you have this cash set aside may help you feel more comfortable when markets are volatile. Nevertheless, holding too much cash has risks of its own. Retirement can last for more than 30 years, so you'll want to be invested in enough equities and fixed-income vehicles to provide your portfolio with the balance and growth potential necessary to help you avoid outliving your money.

As you can see, building your cash management account can be helpful in several ways. So, in the years preceding your retirement, look for opportunities to add to this account. For example, you could use some of the money from a tax refund or a bonus at work. And, if you haven't already done so, you might direct your bank to move a certain amount each month from your checking or savings account into your cash management. When you're retired, do what you can to replenish your cash account as much as possible.

Your cash management account is important at every point in your life, but it may take on even greater meaning when you're retired – so do whatever you can to keep it in good shape.

Lady Indians volleyball Cinderella playoff run ends

The Sanger Lady Indians put up a tremendous fight against the no. 2 state ranked Celina Lady Cats (38-1). Unfortunately, Sanger came up short, losing the match four sets by scores of 15-25, 19-25, 25-23, 24-26.

Sanger started slow in the Class 4A Region II quarterfinals (third round) playoff match on Monday night. The Lady Indians dropped the first two sets.

"It might have been a little bit like nerves or [they] didn't want to make a mistake," Sanger coach Scott Montgomery said. "And then once you're down two sets, I mean, there's nothing to lose. And we played more like that after the second set, and that's why we won the third and why we had a chance in the fourth. We were playing a little more like we had nothing to lose."

Sanger won the third set and pushed the fourth set to extra points.

The Lady Indians were led offensively by Carly Schmucker with 18 kills, Lindzi Thomas

with 13 kills and Elaine Pomeroy with 11 kills.

Defensively, Carly Schmucker had 24 digs, followed by Avery Donaldson with 15, Lindzi Thomas with 14 and Ella Reese with 10 digs.

"These girls could have been left for dead when district ended," Montgomery said. "They showed what they're made of in the playoffs. If we start the way we played in Set 3 and 4, who knows how this matches up."

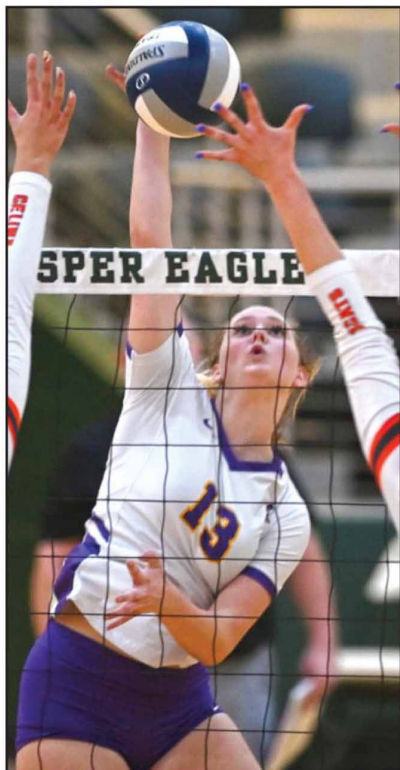

"That's why we've had better support this year from our fans than we've had in three years. They believed in these girls, they knew that these girls are fighters and have a lot of heart. And it's easy to embrace that role of the underdog because again, nothing to lose."

The Lady Indians finish the season as Bi-District Champions, Area Champions, and Regional Quarterfinalists with a record of 27-15-1.

Sanger knocked off a top 10 ranked team in Kennedale and top 20 ranked Godley in the playoffs.

The Sanger student section cheers for the Lady Indians at Prosper H.S.

Kesley Amyx gets a kill against Celina.

Lyndzi Thomas scores a point against Celina.

Indians football face Graham in playoffs

The Indians (5-5) finished in fourth place in District 4-4A and play District 3-4A champion Graham (6-3) on Friday night at Aledo High School. Graham has two common opponents that the Indians played this season. Graham beat Mineral Wells 28-14 on October 29 and Vernon 43-9 on October 22. The Indians lost to Mineral Wells 42-41 September 17 and beat Vernon 55-39 on October 1.

Sanger has been plagued with injuries to several starters the last few weeks and hopefully will get some of them back for the playoff game.

Sanger coach Rocky Smart has moved up the JV players for the playoffs and they will suit up 56 players for the bi-district playoff contest. This is the second year in a row, the Indians have made the playoffs.

The winner of Friday's game moves on to play the winner of Seminole (5-5) and Snyder (7-3) in the area-round playoff game next week.

15th and the boys placed 13th. When the girls race started on Saturday it was apparent that the girls were not going to settle for 15th place again. Juniors Brenna Slovacek, Erin Goodfriend, and freshman Kyley Cochran came out in the middle of the pack in perfect position to attack after the first mile. Seniors Ava Nelms, Jocelyn Jurado, Gwen Layton, and Sophomore Alexis Vasquez had more work to do after the start due to the large pack that had formed after the first turn.

With a half mile to go, the strength of the Sanger girls team began to show with the pack being so close together. Their 51 second gap time was enough to earn them 3rd place.

The boys team came

into the state meet looking to mix it up with the best in the state and surprise some people. After not qualifying last year by 5 points, the SHS boys were hungry to prove to themselves that they deserve to be there.

After the 1st mile, Junior Omar Cruz was working his way up into the lead pack with Khaedyn Lawson, Jose Rojas, Braden Barnes, Jess Gandee, Cole Daniells, and Isaiah Herrera working their way up as well. By mile two, Omar was in the top 30 and continuing to move up into the lead pack. The 2-5 pack had formed and finished with a 41 second gap time which allowed the boys team to place 12th.

"Our boys team is extremely young and should be proud of everything that they accomplished," said Sanger coach Chase McMichael. "Five of our runners set personal bests with one of our top

runners finishing with only one shoe! We only had one returner from that team that qualified in 2019 so this was a great experience for the younger runners and I know it only left them with the desire to improve their placing next year."

Coach McMichael was ecstatic about the girls earning a team bronze medal. "They showed so much heart and knew going into the race that it was going to be fast and that we were going to have to compete our hearts out to get on the podium. Their whole goal was to get on the podium and they achieved that goal. I can't put into words how fun it was having this team this year. The girls ran for each other and ran unselfishly and that's what it takes to be a great team. They bought into our 'Pack Mentality'."

Chisholm Trail Elementary students hold up signs, wishing the SHS Cross Country team good luck at State. The team bus visited all the campuses before heading to Round Rock.
