## Sanger Area Historical Society Thumb Drive Fundraiser (loaded with 67 Sanger yearbooks)

The Sanger Area Historical Society is excited to announce the Sanger School (all grades) and Sanger High School Yearbook Archive Thumb Drive Fundraiser. They have ordered custom made thumb drives and loaded them with 67 Sanger yearbooks. The yearbooks are PDF files that have been run through Optical Character Recognition (OCR), so that they are searchable. They are offering these thumb drives to anyone who makes a donation of at least \$20 to the Sanger Area Historical Society (\$25 if we have to mail it to you). All proceeds will go toward funding the digitization of the rest of the Sanger ISD yearbooks that we have been able to collect or borrow. "We ap-

preciate the support of @sangerisd giving us permission to scan and fundraise with the scans, so that we can end up having all yearbooks from Sanger ISD history available online for free. They will have these thumb drives available at the Museum on Saturdays and at their meeting on August 6th.

They have a new website, which will be part of what they show everyone on August 6th. If you are interested in checking it out in advance here is the link:

<https://sangerahs.wordpress.com/>  
On August 6, 2024 the Sanger Area Historical Society will host it's first public meeting since before COVID, it has been several years so this meeting will be all about what the Historical Society has been doing to preserve and share Sanger area history, and how you can access Sanger history resources from home. The meeting will be at 6:30 PM at the Sanger Public Library. The public is invited.

# Former Sanger Mayor Joe Higgs passes away

*Joe Christal Higgs*

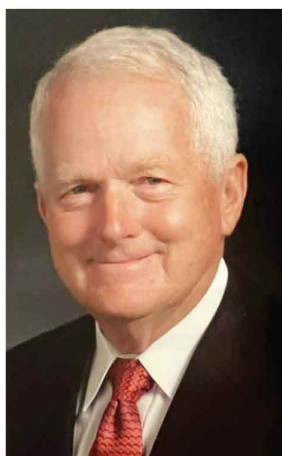

October 3, 1937- July 14, 2024

Joe Christal Higgs, beloved husband, father, grandfather, great-grandfather, brother, and friend passed away on July 14, 2024 at the age of 86. He was born on October 3, 1937 in Stoney Texas to the late Huston and Jane Higgs. He married his high school sweetheart and love of his life, Elizabeth Gillum, on March 22, 1958, recently celebrating their

Joe received both a B.S. and M.S. in Mathematics from North Texas State College (University of North Texas) and enjoyed a successful 30-year teaching and coaching career in the Denton and Sanger Independent School Districts. Affectionately known as 'Coach Higgs,' his warm personality, high standards, and

moral character positively influenced thousands of students, athletes, and their families.

Born into a farming family, Joe would continue this legacy throughout his life raising cattle, cotton, maize, wheat, oats and hay in Denton and Cooke Counties. He bought his first 90-acre farm in 1963, and he would continue to expand his successful farming/ranching operation for generations to enjoy. Joe served on the

Agricultural Stabilization and Conservation Service Board (ASCS) for several decades and received the Resident Conservation Farmer Award for effective soil conservation in Denton County in 1993.

Joe was the epitome of a servant leader and gave generously to his family, church, and community. He was a member of the Sanger City Council for eight years and served as Mayor for two terms. Joe was proud to be a part

of Sanger's growth and development including a new sports complex and new city hall during his tenure. His proudest civic accomplishment, however, was fending off the development of a landfill across from the current location of Sanger High School.

Joe was a member of the First Baptist Church of Sanger for 72 years and served as deacon for more than 50 years. Having nev-

## Marina is making progress after tornado

**The Otis Dock Repair Crew carefully removing parts of boat houses 1 & 2 at Lake Ray Roberts Marina this week, that were destroyed in the Tornado at the end of May.**

Charles and Syndey Lepard were the first RV back at Lake Ray Roberts Marina on June 29th. A tornado completed leveled the RV Park, except for one tiny home. Now the RV Park is back open. "We are so very happy to be back home. We have lived here 10 years. The tornado took our motorhome but thankfully we were blessed with no injuries and have purchased this fifth wheel. And we are rebuilding our lives. We would not want to start anywhere but here. Bill and Sherry are absolutely the best. Thank you for all the hard work getting us home so quickly," said Sydnev.

er met a stranger, Joe particularly enjoyed serving on the church welcoming committee where all who entered were greeted with a warm smile and kind word. In 2023, he was recognized for 60 years of membership in the Bolivar Masonic Lodge.

Joe lived by the motto, 'always root for the home team' and spent many hours in a gym cheering for the Sanger Indians and his UNT alma mater, the Mean Green. For more than five decades, Joe traveled to the Colorado Rockies and enjoyed camping, hiking, fishing, and skiing. Other hobbies included attending musical theater, studying world history, and traveling the world. His most memorable trip was an Alaskan adventure in 2008, celebrating his 50th wedding anniversary with his entire family.

He is survived by his wife Elizabeth of Sanger, Texas; son, Joey Higgs of Denton, Texas; daughter, Dr. Christy Crutsinger and her husband Kent of Sanger, Texas; grandchildren, Katie Herring and her husband Jay of

Northlake, Texas, Hunter Higgs, of Denton, Texas; Dr. Collin Crutsinger and his wife Dr. Sarah Jenkins of Oklahoma City, Oklahoma; Hayden Higgs and his wife Dr. Pepper of Fort Worth, Texas, and Holly Higgs of Denton, Texas; great-grandchildren, Millie and Huston Herring of Northlake Texas; sisters, Jackie Prater and Marinel Lewis of Denton, Texas; and brother-in-law and sister-in-law, Don and Louann Gillum of Sanger, Texas.

A celebration of life will be held at First Baptist Church Sanger on July 20, 2024 at 11:00 a.m. with brief visitation from 10:00 am to 10:45 am preceding the service in the church foyer. Burial will be held at the Sanger Cemetery immediately following the service. ## Extra fireworks show...

A box trailer caught on fire at the Sportsman 2, recently. It was carrying fireworks and they were ignited, as you can see at the top of the photo. The fireworks caught the grass field just south/east on fire, as well. The Sanger Fire Department responded quickly and there were no injuries.

## Job change?

Whether retiring or changing jobs, you'll want to know your retirement account options.

There are four potential options for your 401(k) when leaving an employer:

- Leave it in your former employer's 401(k) plan, if allowed by the plan.
- Move it to your new employer's 401(k) plan, if you've changed employers and your new employer plan allows for it.
- Roll the account over to an individual retirement account (IRA).
- Cash it out, which is subject to potential tax consequences.

We can talk through your financial goals and find the option that works best for you.

With the devastating storms that have come through the North Texas area, a Sanger cross country family has been affected that has given to the program many times over. Roberto & Monica Vasquez (the aunt and uncle of Alexis Vasquez and Sam Musgrave) along with their 5 kids, lost their home and everything inside during the tornado that came through on May 25th. "Now is our chance to lighten this heavy burden that has been placed on the Vasquez family. We will be hosting our annual Alumni Run Saturday, August 10th at Porter Park in Sanger @ 8:00am and all proceeds generated will be given to the Vasquez family in order to help them rebuild what they have lost. Please help spread the word to any and everyone that would like to donate or that could help them in any way. If you have any questions, I have placed my email below. Huge thank you to everyone and I will see you all on August 10th!" -Coach Rankin tanner.rankin@sangerisd.net

# Haynes named SHS girls cross country and track coach

Deontre Haynes

Sanger High School lost a great coach in Chase McMichael who took a coaching job at Whitesboro High School, closer to his home. It's a five minute commute for him now. But, the Lady Indians have another outstanding coach in Deontre Haynes. Sanger girls athletic coordinator made the hire. "I am so excited to have Coach Haynes join our athletic staff. Not only does he bring a wealth of experience and knowledge, but his upbeat personality and passion is contagious. Sanger HS has had tremendous successes through the years in Cross Country and Track. I am very confident that Coach Haynes will continue that tradition and possibly raise the bar a little higher. He has already made a huge

impact on our athletes through summer workouts and Champions Camp. He is committed to fostering a culture of integrity, teamwork, and hardwork. He has the ability to inspire greatness and cultivate talent that aligns perfectly with our vision for girls athletics. We are so lucky to have him join Sanger," said Sykes.

Haynes got his start in coaching back in his hometown at Killeen High for two years under campus athletic coordinator Neil Searcy, then moved up north and landed at Gainesville. Haynes spent the last three years at Gainesville, including the last two once again under Searcy's leadership.

Sanger and Gainesville have shared a district in many sports in recent years, including track and field and cross-country.

That gave the school and Sykes an up-close look at what Haynes was able to accomplish leading Gainesville's running programs and made bringing him in an easy choice for Sykes.

Haynes takes over a pair of programs that certainly have seen their share of success in recent years.

Sanger won a girls cross-country district championship last season and had the same team qualify for the state meet, where it placed sixth overall. That's only the most recent milestone in a strong run of success for the cross-country team dating back for quite a few years, and there has been plenty of the same in track.

Haynes was born and raised in Killeen, TX and graduated from the University of Texas-Arlington on a full ride track scholarship. He is an NCAA Division I All-American Sprinter who currently holds the 4x100m school record at UT-Arlington at 39.23. This will be his 6th year teaching/coaching.

"My wife and I felt the Lord calling us to Sanger High School and we are blessed to be a part of the tribe!"

"The goal is to continue to build on the success of the track and field/cross country program and introduce new ideas while innovating previously established concepts to ensure every athlete has the opportunity to reach their full potential," added Haynes.

## Welcome TO THE TRIBE

### Sanger High School SPED Teacher and Coach

Experience: This will be my 6th year teaching! I spent my first four years teaching History, then one year in P.E., and now this year will be my first working with Special Education.

Fun Fact: I am a former Division 1 All-American track and field athlete who loves to edit and design photos.
