OBITUARIES...

Taz Rendon Lee Olsen

July 11, 1991 - August 21, 2024

Taz Rendon Lee Olsen, aged 33, passed away on August 21, 2024, in Dallas, Texas. Born on July 11, 1991, in Denton, Texas, Taz was known for his quirky humor, spontaneous nature, and deep love for his family and nature.

Throughout his life, Taz was an avid explorer and had a profound connection with the outdoors. In honor of our ancestors, he walked the historic Trail of Tears from his home in Krum, TX to the Arkansas/Mississippi river, and his travels took him as far as Hawaii, where he enjoyed exploring the island and camping beside the ocean. Taz was also passionate about coin collecting, martial arts, and had a special place in his heart for all animals, particularly his family's pets.

A devout Christian, he read the Bible from front to back more than four times, embodying its teachings in his daily life. Taz's family meant the world to him, and he cherished every moment spent with his nephews Kenan, Ryder, and Everson, and his niece, Priya.

Taz is survived by his loving mother, Rina Watson; father, Robert Watson; brother, Teddy Watson; sister, Toya Baker and her husband Derrick Baker; grandparents, Merrill Litherland, Mary Olsen and Bruce Olsen. He was preceded in death by his grandmother, Tina Litherland; father, Dale Olsen; grandfather, Richard Lee Bryant and grandmother, Ruby Laverne Watson.

A public Celebration of Life will be held on Saturday, September 21, 2024, from 7:30-9 p.m. at Porter Park, located at 2201 S. Stemmons Fwy, Sanger, TX 76266.

In memory of Taz, and in lieu of flowers, contributions can be made through donating plasma and/or blood at local donation centers.

Sylvia Sharon McDonald

February 15, 1935 - August 28, 2024

Sylvia Sharon McDonald of Krum, TX passed away peacefully at home with family by her side on Wednesday, August 28, 2024. She was born February 15, 1935, in Shreveport, Louisiana and was the second of seven children born to Oris and Lois McGatlin.

She is preceded in death by her parents, Mr. and Mrs Oris McGatlin, her son Michael Howard McDonald, daughter, Sharon Marie Kaszynski, son-in-law, Eric Bernard Kaszynski, and sister Barbara McGatlin Lampley.

She is survived by her husband George Howard McDonald, daughters Katherine Loris Fehler (Ronald), Barbara Ann Monroe (Frazier), Patricia Lynn Sanders (Thomas), and Nancy Zambrano, her daughter-in-law Virginia McDonald, her sisters Lynda Ivey and Peggy Roberts, and her three brothers Ronald McGatlin, Jimmy McGatlin, and Donnie McGatlin, thirteen grandchildren, Eric Kaszynski III, George Kaszynski, Sylvia Brown, Stephanie McDonald, Mary McDonald, Leslie Dalton, Bryan Dalton, Jo Ann Pelmore, Lee Roy Pelmore III, James Pelmore, Crystal Mitchell, Vanessa Fillingim, and Cody Zambrano, nineteen great grandchildren, and six great great grandchildren.

Sylvia married her high school sweetheart George McDonald on October 28th, 1950, in Lewisville, TX. George was the love of her life, and they celebrated 74 years of a happy marriage and life together. In their younger days they enjoyed square dancing even getting to dance demonstrations for the Cotton Council at the Baker Hotel in Dallas, TX.

She and George spent a lifetime of being entrepreneurs. They started a business with her father, Oris McGatlin, Texas Gage, where they manufactured industrial instruments. After Oris retired and sold his part of the business to Sylvia and George Sylvia worked alongside with George as well as their children to build a very profitable business. After they sold the company and retired, they started a ranch in Krum, TX where they raised Charolais cows and farmed the land. Sylvia took great pleasure in washing and grooming the cows for cattle shows all over Texas. After she stopped showing cows, she came out of retirement and became the owner of Krum Flower Shop in Krum, TX. A few years later she opened a restaurant called Ma and Pa's Kettle and worked the flower shop restaurant along with some of her children and grandchildren helping. After many years of success, they sold the business and retired again. After a few years they went to Slidell, TX and opened up a Ma and Pa's Store and Cafe. When they sold this property to retire, she stayed retired except for making pies and cakes for old customers for the holidays.

Sylvia was her happiest during holidays when she baked and cooked for her family of six kids and thirteen grandchildren where they would all meet at her house to eat and celebrate and to catch up on what was going on in their lives. She also enjoyed vegetable gardening, raising chickens, and reading.

In lieu of flowers George is asking for donations to be sent in her name to the Slidell Volunteer Fire Department at gsvfd.us.

Visitation was held September 3, 2024, from 5:00 P.M. to 7:00 P.M. at Bill DeBerry Funeral Directors. Funeral service was September 4, 2024, at 10:00 A.M. in the chapel of Bill DeBerry Funeral Directors.

Job change?

Whether retiring or changing jobs, you'll want to know your retirement account options.

There are four potential options for your 401(k) when leaving an employer:

- Leave it in your former employer's 401(k) plan, if allowed by the plan.
- Move it to your new employer's 401(k) plan, if you've changed employers and your new employer plan allows for it.
- Roll the account over to an individual retirement account (IRA).
- Cash it out, which is subject to potential tax consequences.

We can talk through your financial goals and find the option that works best for you.

The Sanger Area Chamber of Commerce had an amazing time at the Business Luncheon last week at Creekview Venue. Sanger ISD Superintendent, Dr. Tommy Hunter, gave an amazing presentation about everything that's happening with SISD. He explained how the 4-Day Week Initiative that was adopted recently has positively impacted the district with certified teachers. In 2023-2024 the district hired 56 new teachers with 19 locally certified under the district of innovation. This school year (2024-2025) they hired 42 certified teachers with over 500 years of combined experience. The result: Successfully attracted and retained top talent and were fully staffed by June. He also shared photos of all the new construction in the district, created by the bond package that was passed by voters. Congratulations to the Teacher of the Month, Amanda Mendoza with Chisholm Trail Elementary! Congratulations to Drew Hall with Hall Real Estate on being Sanger Area Chamber of Commerce's Business of the Month!

Back to School Isn't Just for Kids at Sanger Public Library

Residents without a High School Diploma Are Eligible to Enroll in Gale Presents: Excel Adult High School

Back-to-school season creates a renewed feeling of potential. Kids are collecting school supplies, teachers are decorating classrooms, and some adults are finding ways to continue their education. At Sanger Public Library, adults 18+ within city limits have the opportunity to finish high school online with Gale Presents: Excel Adult High School. This accredited program, provided by Gale, part of Cengage Group, helps adults graduate high school in a flexible environment, entirely online, and with dedicated support from success coaches and tutors. With the ability to transfer existing credits and earn a high school diploma in 24 months or less, Excel Adult High School makes adults more motivated than ever to go back to school.

According to the U.S. Bureau of Labor Statistics, high school graduates in the United States earn nearly \$10,000 more annually than those without a high school diploma, experience lower unemployment rates than the national average, and are less likely to live in poverty. The latest U.S. Census Bureau data reveals more than 10% of adults in Sanger, Texas do not have a high school degree or equivalent.

"Sanger Public Library is excited to bring adults in our community this second chance to advance their educations and achieve their career goals," said Laura Klenke, Library Director. "Earning a high school diploma can change a person's life, and Gale Presents: Excel Adult High School allows us to lower the barrier to graduation in Sanger, Texas."

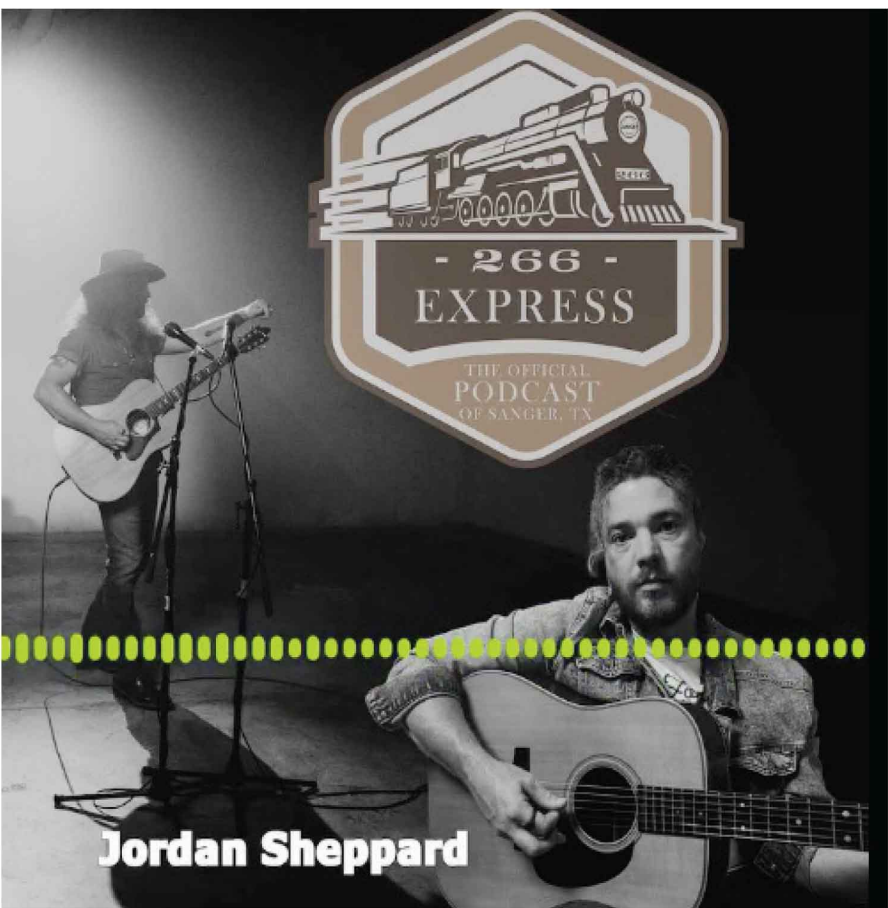

"We're proud to help Sanger Public Library make a positive impact in their community by offering Gale Presents: Excel Adult High School," said Shawn Clark, senior vice president, domestic learning, at Gale. "This flexible high school completion program proves it's never too late to earn your diploma and go after your dreams. We hope this access inspires more adults in Sanger, Texas to return to school this fall."

Sanger Public Library will award scholarships for Gale Presents: Excel Adult High School to residents who qualify (Adults 18+, who reside in Sanger city limits).

Features of the program:

- The accredited high school diploma is accepted by colleges, employers, and the military (it isn't an equivalency exam).
- The 21.5-credit curriculum is aligned to national standards. Learners can select from more than 40 high-interest electives relevant to fast-growing occupations.
- There's no cost to eligible students.
- The program is 100% online, with 24/7 access to courses.
- The schedule is flexible and self-paced—learners can finish in 24 months or less. Students can graduate sooner with transfer credits.
- Transfer credits are accepted from previous high school(s) and passed portions of the GED®, HiSET®, or TASC exams.
- Success coaches and counselors help students achieve their education and career goals.
- Course translations and read-aloud tools for English language learners are available.
- Academic support from staff who are subject matter.

Interested residents can visit www.sangerlibrary.org to learn more about Gale Presents: Excel Adult High School.

If the answer is “Yes”, then there is a good chance that losing weight may help!

Here Is What Medical Experts Say...

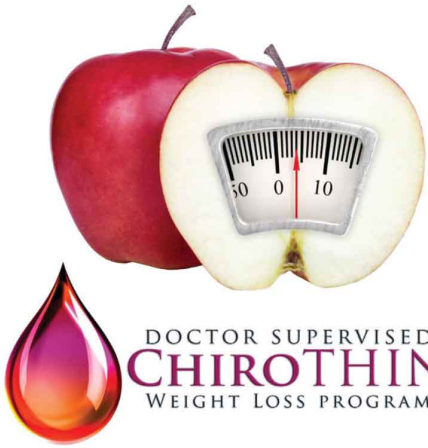

- “If you’ve got diabetes, weight loss can get you off insulin and other medications. But diet safely, with the help of experts.” – WebMD

Welcome TO THE TRIBE

Sanger ISD Police Officer
Clear Creek Elementary

Michael Jenkins

SISD is thrilled to welcome Officer Michael Jenkins to the Sanger ISD tribe! With 15 years of law enforcement experience, including roles with the Sheriff's Office, City Police, and as a School Resource Officer, Officer Jenkins brings a wealth of knowledge and dedication to the community. Outside of work, Officer Jenkins enjoys spending time with his family—he's been married for 29 years and has two grown children, a 28-year-old son and a 24-year-old daughter. He's also involved in his church and loves the great outdoors, whether hunting, golfing, fishing, or cheering on his favorite baseball and football teams. SISD is excited to have him on board, helping to keep the schools safe and the community strong. The Sanger ISD Police Department was established in the 2022-2023 school year and the Mike Picha is Chief and has five full-time officers on the campuses.
