Project for Downtown Bolivar Street Buildings in Sanger

The City of Sanger, in conjunction with the Sanger Chamber of Commerce and Sanger Area Historical Society, are currently seeking information about former downtown businesses on Bolivar Street from 2nd Street to 5th Street, both south and north sides of the street.

A list has been developed of the businesses from as far back as historical data is housed at the Sanger Area Historical Society Museum, and many people in Sanger have been contacted to update the listing to current day. This historical data is to be used in the downtown area

buildings, and reaching out to the public for additional data is needed. The 1970s to current day for these buildings are the main focus as there have been many businesses over these years located in downtown Sanger, and although many have been identified, the public's assistance is needed to gather complete information.

If you have knowledge any businesses in downtown, and would like to participate in the project, please provide a list identifying the current building (and perhaps the business currently housed in that location so

more easily identified) and the businesses that were previously located in that particular building. Send your information to SAHS, PO Box 245, Sanger, Texas 76266, or email to Tona Batis at tonapay7@msn.com. July 31, 2021 is the cut-off date for the submission of business names.

Your participation in this endeavor is greatly appreciated and the final product in downtown Sanger buildings will be available in the near future.

Sanger promotes assistant DJ Moore to head boys basketball coach

DJ Moore has roughly two decades of experience and a state title under his belt from his days of coaching high school basketball in Nevada.

The 41-year-old was an assistant on the 2007 Galena High School team that won the Nevada state championship, a squad that featured future first-round selection Luke Babbitt.

But after moving to the Dallas-Fort Worth area two years ago with his wife, who graduated from Keller Fossil Ridge, Moore began searching for a new coaching gig. Eventually, he wound up in Sanger, spending the 2020-21 season as an assistant under former Sanger head coach Brandon DeLorge.

So, when DeLorge resigned last month to become an assistant at Coppell, Sanger did not have to look far to find an experienced replacement, quickly naming Moore the Indians' next head coach.

"I'm very excited," Moore said. "Sanger is a town with a group of

kids that want to work hard. The culture is moving in the right direction and is something we've got to keep working on. But I'm really happy with what we've done so far. The attendance has been really good, and it's getting better. The buy-in has been really good with what we're doing at the junior high and high school level."

Prior to his one-year stint as Sanger's assistant, Moore spent roughly 20 years working primarily as an assistant coach in Nevada, appearing in multiple state championship games.

Moore's first head coaching job came when he took over the Damonte Ranch program in 2015. Sanger will be his second head coaching position.

"DJ had done a great job for us last year as an assistant during a tough COVID year," Sanger athletic director Chuck Galbreath said. "He showed

DJ Moore

a lot of initiative when coach DeLorge made his announcement and decided not to come back. He showed a lot of initiative stepping up and keeping the program going forward. He knows our kids, so there was a comfort level knowing he knew our program and situation.

"He just did a really good job in the interview process of selling himself as a person that wanted

to be in Sanger, wanted to build this program and wanted to keep us moving in the right direction."

Moore inherits a Sanger team that has struggled in recent years.

Sanger went a combined 16-38 in two seasons under DeLorge. The Indians managed a 12-20 record in 2019-20 before slipping to 4-18 last season,

missing the playoffs both years.

But Moore said he believes his familiarity with the program having already been in Sanger will lend itself to a more seamless transition.

"It's much easier to hit the ground running having some familiarity with how it was last year," Moore said. "I really want the

community to be excited about the product we're putting out there, and be proud of what they're doing on the court, in the classroom and in the community."

He was able to put together a youth basketball camp this week. See photos and participants names in the Sanger News in the coming weeks.

FirstRefuge ministries Sanger Banquet

Featuring
Speaker, Author, Comedian
Bob Smiley

Friday, July 23rd | 6:30 PM - 9:00 PM
First Baptist Sanger
708 5th St. Sanger, Texas

Join them for the 2021 First Refuge Sanger Banquet Friday July 23rd for a night of celebrating all the good work done in Sanger for the last two years. They will gather at the Family Life Center at First Baptist Sanger from 6:30pm to 8:30pm. Doors open at 6:00pm.

Bob Smiley has been doing standup comedy for over 20 years. He's toured with bands such as the Newsboys, Third Day, Jeremy Camp (he had a band so it still counts!) and Mercy Me... even though his best friend, Toby Mac, tells him it's not cool to name drop. He hosts a podcast called "Hook Line and Smiley" with his wife... because you have to have a podcast if you live in America nowadays. He's an author of 3 books and a podcast for Focus on the Family under the brand name "The Adventure's of Average Boy". He also is a massive hotel shampoo collector. The jokes come at you fast but will always be 100% clean for you and your family to enjoy!

Tickets are \$50 each and a table is \$500. Tickets are available firstrefugeministries.org/banquet.

Sanger Education Foundation announces two major events

The mission of the Sanger Education Foundation is to support funding initiatives designed to enhance the quality of education in Sanger ISD. Continuing these efforts, the next SEF fundraising opportunity is scheduled for August 31, 2021 and is Breakfast with the Superintendent, featuring Dr. Tommy Hunter as speaker. The event, sponsored by Glenn Polk Autoplex of Sanger, will be held at First Baptist Church in Sanger from 8:30 – 10:00am. Dr. Hunter will provide a state of Sanger ISD as well as noting how growth within the Sanger Community is impacting our schools. Once again SHS Floral Design department will exhibit its talent creating centerpieces for the tables and SHS Culinary Arts students will again provide the breakfast from Old Bus #6, exclusively catered to the event.

Breakfast with the Superintendent will feature the Foundation's signature Dinner Pull event as well as a new silent auction featuring Cookies for a Cause. The foundation is currently seeking bakers in our area, professional or not, to donate cookies for this event. All cookies will be auctioned during the August 31st program to be taken home for enjoyment post event. If you are a BAKER with a favorite recipe, this is a great opportunity to showcase your skills! Please contact Jodie Miller at jodie@sangerinsurance.com and let her know how you can support the students and staff of Sanger ISD, either through a cookie or dinner pull donation. SEF continues to follow state and county CDC safety precautions at in-person events. Masks will be available and optional.

Tickets for the event will be on sale beginning July 15st. They may be purchased separately for \$40 per person or limited sponsorship opportunities are also available. Tickets are also on sale for the SEF gala, which is scheduled for October 21st, so be sure and save the date. All reserved Gala tables and/or Giving Benefits sponsorships receive tickets for the breakfast event which are included in the Giving Benefits annual sponsorship packages. For information regarding a donation, ticket purchase, or Giving Benefits sponsorship opportunities, please visit www.sangereducationfoundation.org. BE A MENTOR Sanger Football "Big Chief Breakfast Program"

The Sanger Indian Football Program would like to invite any interested adult male in Sanger, TX to be a mentor to a Sanger Indian Football Player through our Big Chief Program. This is a great opportunity for community members to be involved with our Football Program, and connect community members with our athletic program.

Every game day this fall beginning on August 27th (10 Fridays and the playoffs which could be a Thursday, Friday, or Saturday) The Big Chiefs and the Sanger Indians will have breakfast together, fellowship, and listen to a speaker. The event will last from 7:00 to approximately 7:40 AM.

Additional information:

The purpose of this program is to provide our young men with a mentor other than their parents, teachers, and coaches. We feel that this is an opportunity for our young men to receive positive support to help facilitate success for them academically and athletically.

What we will ask of our Big Chiefs:

*Bring breakfast for you and your Indian at least.

*Contact your Indian 2-3 times a week throughout the season to provide encouragement for them academically, socially, and athletically. This can be done through text, email, a phone call, or come watch them at practice.

* At the end of the breakfast we will provide a form for you to write a word of encouragement that we will give the athletes after school to encourage them before their game.

Please contact Coach Smart if you are interested in being a Big Chief!
