Sanger ISD receives national awards for its commitment to improving its students' mental health

Ann Hughes and Linda Tutt H.S. recognized

On Wednesday, November 15, 2023, two Sanger ISD staff members were awarded the National George Washington Freedom Medals from the Freedoms Foundation at Valley Forge - Dallas Chapter. The Freedoms Foundation's National Awards were founded by Dwight Eisenhower, who presented the initial awards in 1949.

The Freedoms Foundations National Awards were established "As a way to say thank you and recognize those whose projects, words or deeds reflect the best of the American spirit on volunteerism by offering constructive solutions to contemporary problems." (www.freedomsfoundation.org)

Mr. Anthony Love, Principal of Linda Tutt High School (LTHS), accepted the award in the school category. This particular award recognizes schools where community service learning is exem-

plary and whose students regularly demonstrate community involvement in action. The LTHS Grocery Store was the specific program recognized for this honor.

LTHS' Grocery Store is a partnership between Sanger ISD & First Refuge Ministries of Denton that was initially funded through the THRIVE grant awarded by Texas Health Resources. Since opening in 2020, the store has served over 4,500 families and students in the Sanger community. Over 1,100 volunteers, including LTHS, SHS, SMS, community members, and staff from various SISD campuses, have worked in the store on Tuesday evenings when it is open to the general community. Several local farmers and gardeners regularly donate produce to the store. On Tuesday, November 14, 2023, the LTHS Grocery Store continued what is now an annual tradition,

distributing hams/turkeys for Thanksgiving to sixty families.

The last and most prestigious award of the evening went to Dr. Ann Hughes, Sanger ISD's Director of Student Intervention, was awarded the George National George Washington Freedom Medal in the area of Educator. This national honor is awarded annually to an educator who "Goes above and beyond the call of duty for America's youth." Dr. Hughes was recognized for the social-emotional learning programs and mental/behavioral health supports and interventions that she has helped to put in place in Sanger ISD over the last 20 years.

Mr. Love & Dr. Hughes, in their acceptance speeches, emphasized that the success of all of the programs recognized can be directly

Homer Samuel Schertz

May 3, 1946 - November 12, 2023

Homer Samuel Schertz of Rockport, Texas passed away on Sunday, November 12, 2023, in Corpus Christi, Texas. Born in Denton on May 3, 1946, to the late Homer W. Schertz and Jessie V. McFarlin Schertz, Sam's life journey was marked by a deep commitment to faith, family and service to others.

Growing up on a farm north of Denton, Sam carried forward a proud legacy of family involvement in agriculture. After graduating from Denton High School in 1964, he married the late Dorothy 'Dot' Trietsch on June 17, 1967.

After graduating high school, Sam enrolled at Texas Tech University where he balanced school and part-time work. In October 1966, he enlisted in the United States Marine Corps, serving with distinction in Vietnam, holding top secret clearance, and earning numerous decorations and commendations. As a sergeant, he received an honorable discharge in October 1970. When he returned home, he pursued a B.S. degree in Agricultural Engineering at Texas A&M University, graduating in May 1974.

In June 1974, Sam and Dot settled in South Texas to raise a family and Sam began a fulfilling thirty-six-year career with Central Power & Light Company (CPL). His dedication and leadership saw him hold key roles, including Director of Marketing at CPL and Director of Governmental Affairs for the Central and Southwest Corporation (CSW). Sam continued to mentor and inspire others until his retirement in 2010.

Sam lost his wife, Dot in 2009 after 42 long, happy years of marriage. As a widower, Sam found love and support in Mary "Ernie" Edmundson and they married on May 25, 2014. They enjoyed taking trips in their RV, often visiting family, and enjoying the beauty of the country.

Sam loved his family and friends well. He had the most generous spirit and often spoke of his life's calling to serve his fellow man, which was rooted in an abiding faith in Jesus. He cherished fellowship, was happiest surrounded by loved ones, and enjoyed cooking wonderful meals for them. He was a proud and devoted PawPaw to his two young grandchildren, showering them with gifts, and sharing with them his love of fishing, reading, and the outdoors.

Survivors include his wife, Ernie, two sons, Matt Schertz (Tamara) and Jeff Schertz (Sarah), brothers Danny Schertz (Sandra) and Ricky Schertz (Susie), grandchildren Samuel and Lydia, and numerous nieces and nephews. In addition to his parents and first wife Dot, he is preceded in death by his sister, Carolyn Mallard.

A memorial service was held at 11:00 am on Monday, November 20, 2023, at the Blue Mound United Methodist Church in Denton, with burial at Blue Mound Cemetery. Visitation took place from 4 pm to 6 pm on Sunday, November 19, 2023, at Mulkey-Bowles-Montgomery Funeral Home. A Celebration of Life will be held in South Texas at a later date.

TP&W stocking thousands of rainbow trout

The winter tradition of rainbow trout stocking returns to waterbodies across the state beginning the week of Thanksgiving to give everyone a chance to catch one of these iconic fish. The Texas Parks and Wildlife Department (TPWD) said it plans to stock 343,331 rainbow trout in Texas from Nov. 22 through March 1, 2024.

TPWD officials say it doesn't take a lot of sophisticated fishing equipment to reel in a rainbow trout. They can be caught using simple, light tackle or hand-tied flies on a fly rod. TPWD advises that anglers, however, keep an array of baits and lures as well as ice to keep trout fresh.

Because rainbow trout are unable to survive in most areas of Texas after winter, due to the warm water temperatures, anglers are encouraged to keep up to their daily bag limit of five trout. The only exception exists within special trout management zones on the Guadalupe River downstream of Canyon Lake, which often remains cool enough for rainbow trout to survive year-round.

Here is where and when TPWD will be stocking rainbow trout in North Texas:

Note: Neighborhood Fishin' ponds (marked with *) will be stocked frequently throughout the season.
