## Efflandt on a mission to educate as many people about the benefits of native plants

**BY Gay Campbell**  
Denton County Master Gardener

Kathi Efflandt, of Sanger, is on a mission. She hopes to educate as many people as possible about the benefits of native plants. This mission was the driving force behind the purchase of two acres of land in Sanger many years ago. At the time, Kathi and husband, Randy, had a vision of what the farm could be and how Kathi could use it to provide native plant education to the public. Almost seven years later, Native Roots Perennial Farm and Garden boasts a roomy greenhouse, a comfortable classroom/event space, raised vegetable and herb gardens and endless beds filled with native plants. It holds special certifications as a Monarch Waystation and a Wildlife Habitat through the National Wildlife Federation. In addition, it's certified by the Native Plant Society of Texas as a Natives Improve and Conserve Environments (N.I.C.E.) plant partner.

One needs only a few minutes with Kathi to sense her passion for native plants. Kathi enthusiastically explains that because native plants are adapted to our local climate and conditions, they are water-wise and hardy and require less maintenance once established. This allows them to thrive rather than just survive. Native plants also provide food and shelter for birds, butterflies and other pollinators. Non-native ornamental species are not bred with this in mind, making gardens filled with non-native plants often unappealing to pollinators.

A life-long gardener, Kathi has both the experience and education to assist the public in a variety of ways. Kathi studied Landscape Design at North Central Texas College and provides landscape design services, when needed. After becoming a Denton County Master Gardener in 2010, her previous Denton home was twice featured on DCMGA's annual Garden Tour. She has successfully completed several advanced training courses since joining DCMGA. In 2015, Kathi became a certified Propagation Specialist from the state of Texas and later received further propagation training at the Jupiter Level Botanical Gardens in Raleigh, NC. Kathi

is co-leader of DCMGA's Propagation Team where she excels in instructing interns, members and the general public in propagation techniques, as well as the cost-cutting advantages of learning such skills. When Kathi's not busy educating others, she can be found happily using her skills in her own greenhouse to create healthy, inexpensive and sustainable plants to sell to the public.

Kathi's propagated plants are sold next to an assortment of greeting cards at The Antique Gallery in Denton. Often potted in seasonal containers, Kathi strives to provide unique and uncommon varieties for easy and stress-free gifts for any gender or age. Starting in May, Kathi and her plants will be at the Sanger Farmer's Market on the third Saturday of the month from 9 am to 1

pm. Also starting in May, Kathi will hold plant sales at Native Roots Perennial Farm and Gardens in Sanger on the fourth Saturday of every month from 9 am to 1 pm. **SEE MORE ABOUT PLANT SALE ON PAGE 12:**

Kathi loves to hold plant "potting parties" at the farm for gardeners of all ages. A proud member of the Sanger Chamber of Commerce, she was honored to host a dish-gardening party for Chamber members. She also organized a fairy-themed planting party with twinkling lights at the farm and is more than happy to accommodate your special theme.

Does a relaxing "Ladies Night Out" spent designing terrariums and sipping wine sound fun? Kathi can make it happen. Holiday wreath-building and propagation techniques (stemcutting and division) are two of the classes slated for this Fall. Another popular class on the farm's Fall lineup is "foodscaping," the process of in-

# Medal of Honor motorcade to pass through Sanger

The annual trek of Congressional Medal of Honor Recipients flying into DFW Airport and traveling to Medal of Honor Weekend put on by the Medal of Honor Host City Program of Gainesville will be occurring Thursday, April 25, 2024.

As usual, there will be a large motorcade of public safety vehicles honoring and escorting these National Heroes all the way to their destination in Gainesville. This year will be exceptional with a historic number of public safety agencies participating in the motorcade. As usual, the motorcade will come through Sanger on I-35.

Current estimates are expecting the motorcade to stretch 8-9 miles long with well over 550 vehicles participating. At this time, they are expecting the motorcade to leave the staging area on the South end of DFW Airport tentatively between 3:00 p.m. -5:00 p.m.

With such a significant number of participants, citizens traveling along this motorcade route need to be aware of traffic delays that will occur during this short time span. Public safety agencies are requesting that citizens be aware of the motorcade and pull to the right lanes when approached from behind.

Additionally, some parts of Highways 183, 360, 114, 121 and many access points along I-35W and I-35E will be temporarily shut down as agencies work to get the motorcade onto the roadway and escort these hon-

ored guests from DFW on to their destination in Gainesville.

They are requesting that all media please assist this public safety effort by making notifications to your audience about this historic event.

The following is a comprehensive list of public safety agencies participating:

# Call 811 before you dig.

**ATMOS energy**

**April is National Safe Digging Month – Call 811 Before Any Excavation Project. Please take a few precautionary measures when planning any digging project this spring:**

Plan ahead. If work is scheduled for an upcoming weekend, make a free 811 request on Monday or Tuesday – providing ample time for the approximate location of lines to be marked.

Confirm that all lines have been marked.

Consider moving the location of your project if it is near utility line markings. If a contractor has been hired, confirm that the contractor has contacted 811.

Don't allow work to begin if the lines are not marked.

Please visit [811beforeyoudig.com](http://811beforeyoudig.com) for complete information.

This is your chance to stand out. We're looking for songwriters who live and breathe music, making a significant portion of their income through performance. You'll need a robust social media presence (Facebook, Spotify, Instagram, website) to connect with the community and amplify your unique sound. We hire two levels of songwriters for our festivals.: Seasoned Professionals and Rising Stars.

**Sanger Area Historical Society...**

**Downtown Sanger - 1892**

We would like to thank Kimberly Windle for sending the Sanger Area Historical Society this 1940's copy negative of the 1892 Sanger Street Grading photo... we only had copies made at a later date after additional damage was visible on the photo and the copies we had were cropped so that we could not see the entire image. We do not know where the original photo is now, but even if we did it has additional damage which was not present in the 1940's when this copy negative was made.

The man on the left is Dr. Erwin Howard (1826-1897), Sanger's first physician; on the right is B. S. Gay, pastor of First Baptist Church. They watch alongside other interested bystanders as a steam tractor pulls a grader near the east end of Bolivar Street. Howard moved his practice from Bolivar to Sanger. The date printed on the picture is May 23, 1892.

**The Sanger High School Band**  
 PLEASE DONATE FOR RAFFLE *The Spirit of Sanger*

Greetings! On behalf of our amazing Spirit of Sanger Band, we are reaching out to local businesses and community members, once again ask for raffle donations for our annual Band & Color Guard Banquet that will be held Saturday, April 27, 2024. We appreciate all of the wonderful donations that we have been gifted with in the past, and are blessed to have such incredibly generous businesses and members within our community!

Our goal this year is to have a raffle prize for each student, and we could use your help. Past prizes have included gift cards to various local businesses as well as some tangible items, including a record player, digital tablet, drone, backpacks, a smart watch, instant cameras, and more.

If you would like to donate a prize or prizes or funds to be used to purchase prizes for these awesome students, they may be dropped off at Granite Huggers or the Sanger Chamber of Commerce, or for pick up, please contact Misty Harper at (940) 268-8209.

We thank you in advance for your support & generosity and any and all donations are greatly appreciated!
