## Sanger Fire Department showcases new Ladder 671 at Push In Ceremony

The Sanger Fire Department held a Push In Ceremony for Ladder 671, Sanger's first Spartan Ladder Truck. The local department would like to thank all for being a part of this memorable day, on May 28th. "Ladder 671 stands not only as a piece of machinery, but as a symbol of progress, partnership, and pride in our city.

"We'd like to begin by recognizing those who helped make it possible. A heartfelt thank you to Mayor Thomas Muir, Mayor Pro-Tem Gary Bilyeu, and council members Marissa Barrett, Josh Burrus, Victor Gann, Allen Chick and Dennis Dillon. Your leadership and dedication to public safety brought us to this proud moment."

They also thanked City Manager John Noblitt and the entire City of Sanger staff. "Your support has been instrumental in acquiring Ladder 671."

The Sanger Fire Department is honored to serve Sanger and proud to continue their mission with new strength.

The Sanger Fire Department took delivery of their first Spartan apparatus in March of 2025. They have been training on it since the delivery. It features:

- 100' Mid Mount Platform

Attendees help polish the new Ladder 671 at the Push In Ceremony.

- Spartan Gladiator EMFD 5" Raised Roof Chassis
- Cummins X15 605 HP Engine
- Waterous CSUC20 2000 GPM Pump
- 300 US Gallons Water Tank
- Harrison 10kW MCR Generator

This new Ladder Truck is a fire truck provides five key firefighting tools in one vehicle: a water pump, water tank, fire hose, aerial device, and ground ladders; making it a versatile multi-purpose unit for fire departments.

Ladder 671 will have a lot more functionality to fight a fire from an elevated level, anything higher than 2 stories. This

## OBITUARIES...

### John Jeff Springer

May 6, 1962 - June 11, 2025

John Jeffrey Springer went home to his Heavenly Father on June 11, 2025. Born in Denton, Texas, on May 6, 1962, to John D. and Carol Ann Springer, Jeff's life was rooted in faith, family, and a steadfast commitment to others.

As a young child, Jeff's curiosity and joy for life were evident - even in simple pleasures like chasing prairie dogs through Odessa parks. In 1966, he earned the proud title of "Big Brother" with the birth of his sister, Ann, whom he adored. The family soon returned to Sanger, where Jeff made life-long friends and graduated with the Class of 1980.

At Baylor University, Jeff's steady determination earned him respect - but it was his humility and genuine love of learning that set him apart. He completed both his B.A. in Economics with Honors (1983) and his J.D. from Baylor Law School (1985) in just five years - a remarkable achievement. During law school, he endured the heartbreak of losing his mother, Carol Ann, one of his earliest encouragers and strongest champions.

It was at Baylor's Allen Hall cafeteria where he met Michelle - the love of his life. They married in 1985 and settled in Denton, where Jeff began his legal career at Phillips and Hopkins, P.C. Their home soon welcomed rescue pups - and later, the greatest joys of Jeff's life: their son Eli in 1994, and daughter Audrey in 1998. Fatherhood transformed Jeff. He loved his family fiercely and without reservation; they were his world.

In 1985, Jeff met Frank Lyle, who became not only his law partner but a brother in every way. Together they founded Springer and Lyle, LLP, a firm grounded in their shared values: service, integrity, and a deep sense of responsibility. Jeff was a gifted litigator and mediator, known not just for his legal acumen, but for the grounded compassion he brought to every case. His contributions to the legal profession were numerous and respected.

Jeff believed deeply in community. He gave his time generously to First United Methodist Church in Denton, where he served on the Finance and Building Committees, the Administrative Board, and the Board of Trustees. A passionate supporter of the arts, Jeff served on the Governing Board of Theatre Denton and was instrumental in helping community theatre find its home at the Campus Theatre downtown. He also volunteered with Big Brothers and Sisters, the Greater Denton Arts Council, and helped create the Sanger Education Foundation in memory of his mother. He taught as an adjunct professor at TWU and mediated pro bono for the Denton County Alternative Dispute Resolution Program.

At home, Jeff was playful, thoughtful, and present. His peanut butter French toast became a cherished tradition. He read Harry Potter aloud at bedtime and recited How the Grinch Stole Christmas by heart each year. Jeff never missed a performance, recital, game, or meet. He once bought a motor home - not for travel, but for presence. Wherever his children were, that's where he needed to be. He led by quiet example, taught with humility, and loved without condition.

Jeff was endlessly curious. He was a reader, a private pilot, a musician, a golfer, a published author, a Baylor Bear fan, a Sunday school teacher, and - much to Michelle's dismay - a drummer. His life was full, textured, and richly lived.

From his dad, Eli inherited a love for Baylor football, golf, thoughtful debate, and a knack for working with his hands. They shared a deep bond over baseball, road trips to Waco, and unhurried father-son time - occasionally on the 19th hole.

From her daddy, Audrey inherited his creative spirit, fierce determination, passion for music, and love of laughter. Together they shared runs, misadventures, and the unshakable bond of a daughter who proudly answers to "Peanut" - even on speakerphone.

Michelle was gifted with a partner whose soul was steadfast and true. Jeff was patient, kind, and loyal - always encouraging her to dream bigger, believe more, and find strength in love's quiet persistence. He also stood by Michelle in her endless quest to rid the house of dog hair. Some of that dog hair likely came from their beloved Springer Spaniel, Griffy. Even years later, Jeff's eyes would tear up at the mention of his old friend. Through four decades of marriage, Jeff and Michelle discovered that real love is found in small, daily

acts of grace, forgiveness, and shared wonder.

Jeff is deeply missed and lovingly remembered by his wife of 40 years, Michelle; son Eli and wife Hayley; daughter Audrey and husband Josh; Father John and wife Liz; sister Ann and husband Tom; mother-in-law Valetta; sister-in-law and brother-in-law Marcelyn and Carl; nieces and nephews Julia, David, Matthew, and Catherine; and a wide circle of extended family and friends.

He was preceded in death by his mother, Carol Ann Springer, his uncle Randy Holder, and many beloved grandparents and family members.

In lieu of flowers, memorial gifts in Jeff's honor may be made to First United Methodist Church of Denton, Our Daily Bread - Denton, or the Sanger Education Foundation.

A celebration of Jeff's life will be held on June 28th at First United Methodist Church in Denton. Service details will be posted on the Coker Funeral Home website. You may offer condolences to the Springer family at [www.cokerfuneralhome.com](http://www.cokerfuneralhome.com).

### Leticia Dorrell

June 22, 1953 - June 5, 2025

Leticia Dorrell of Sanger, passed away at the age of seventy-two, in North Richland Hills, Texas, with her family at her side.

Leticia was born on June 22, 1953, in Sonora Texas to Alfonso Gonzales Reyna and Viviana Martinez Reyna. She attended school and graduated from Mineral Wells High School.

On March 23, 1974, she married the love of her life, Donald Wayne Dorrell, in Irving Texas. They raised their family in Irving before moving to Sanger in 1990. They moved to Sanger to get out of the city and make sure their son Gus had a great community to grow up in and receive a great education. They never regretted that decision. The family made so many life long friends in Sanger.

In Sept 1994 her husband Don lost his battle with lung cancer. When she lost this great love, she never married again. She said many times that she had the love of her life, and she would see him again one day.

After Don's passing Leticia sought employment with Cobblestone Day Care, where she cared for, taught and loved many children over the next twenty-four years until she retired in 2018. Many of the families at Cobblestone thought of "Miss Tisha" as family. She loved and cared for all the children as if they were her own.

She clearly lived a life filled with love, dedication and service to others. Her devotion to her family, her work caring for children, and her commitment to honoring her late husband's memory reflect a profound strength and kindness. Her family and friends meant the world to her and she loved being Grandma to Dylan and Jacob. Her son and grandsons were her pride and joy.

Leticia was preceded in death by her parents, her husband Don, two sisters, Adrianna Reyna Garcia and Amparo Reyna Gonzales, one brother, Armondo Reyna, and one beloved grandson, Dylan Wayne Dorrell. She leaves behind to cherish her memory: Her son and daughter-in-law, Gus Stavis Dorrell and Lisa of Corinth; two sisters, Andrea Reyna Chavez of Sonora, and Anabelia Reyna Flores of Mineral Wells; one brother, Alfonso Reyna Jr. of Waco and many nieces, nephews and cousins. Additionally, another beloved grandson, Jacob Ryan Dorrell of Corinth, also survives her.

A funeral mass was held, Monday, June 16, 2025, at the ImmaculateConception Catholic Church, 2255 North Bonnie Brae Street, Denton, TX 76207.

Jacob Dorrell, Peter Chavez, Mark Flores, Michael Gonzales, Daniel Levan, and Manuel Duran served as pallbearers.

The family has requested that donations in memory of Leticia be made to the RunforDylan Foundation at [runfordylan.com](http://runfordylan.com). A foundation honoring her late grandson Dylan's legacy to help others. The Foundation places AED machines and stations in public parks or sports fields to aid in sudden cardiac arrest situations.

### Kenneth Wayne Jones

October 27, 1966 - June 3, 2025

Kenneth Wayne Jones, 59 years of age, Sanger, TX. The youngest of four children, He passed away on June 3rd at 3:00 p.m. with his loving sister, Debra by his side. Ken was born in Tucson Arizona, October 27th, 1966. In His short lifetime Kenny was surrounded by those who loved him deeply and he loved everyone. He was a talented engineer, carpenter, musician, historian and rancher. He was also a well known Influencer in Denton, TX, because of his double Bandoleros and holsters that he wore in honor of the many law enforcement officers and Texas Rangers in our family tree. His special pistol and holsters often caught the interest of the Denton locals giving them cause to nickname him, the "Denton Icon". Several of the local law enforcement officers, whom were kind enough to stop by to meet him, considered him their friend and many took photos with him. He loved all of the interaction with the Sanger and Denton locals who were nice enough to always make him feel loved and welcomed.

He was by DNA a master horticulturist who had a beautiful green thumb. He spent hours with his sister, Debra, in their garden working their property and projects while helping her to care for our elderly parents. Although Ken is no longer physically on this earth, his love, grace and mercy will be with us to hold us infinitely. He is survived by his loving mother and stepfather Mary and Lynn Hughes. ### Tina M. Logan

July 12, 1962 - May 31, 2025

Tina M. Logan was born in Escondido, California, on July 12, 1962, and passed away on May 31, 2025. She grew up and spent a lot of time there before her and her parents packed up, and moved to Redlands, California. During her time in Redlands, Tina had her son Kyle, in 1985. It was not long into Kyle's childhood that the whole family packed what they could in the car and headed to Texas.

Tina had been working in the meat department of different grocery stores since she graduated high school. After settling down in Texas she started her job at Kroger. After working there for a while, she met her future husband, Timothy. After that, Tina's life truly began to blossom. Tina and Tim tied the knot in September of 1997. They had a beautiful wedding at their home together with the attendance of their friends and family. Shortly after their wedding, the couple was hit with hardships. Tina became pregnant with their first son, but unfortunately, she suffered a placenta abruption. That caused them to lose the baby and almost Tina, but she was saved by blood donations. 4 months later, she fell pregnant again. This time, delivering a healthy baby girl, Samantha.

A beautiful 14 years went by full of love, laughter, and good times. Tina was working for Krum Independent School District in the middle school cafeteria. Serving children breakfast and lunch and finding a way to make them smile throughout all of it. She took so much pride in her work.

While at work in 2014, Tina suffered a stroke. Her life and her family's lives were completely changed forever. She learned who her family was again, how to talk, how to read and write, how to drive, -everything- all over again. It was heartbreaking and beautiful all at once. Her favorite bible verse was always Philippians 4:13, “She believed she could, so she did.” And she always did.

Tina went into cardiac arrest in the early morning of Saturday, May 24th, and suffered a major heart attack. Thankfully, her husband Tim knew immediately something was wrong and called 911 extremely quickly. The Krum Medical team was able to get her to the ER quickly as well and did everything in their power to bring her back. They got her pulse back but unfortunately Tina had lost too much oxygen to her brain. She already had previous brain damage due to her stroke, and this heart attack took the rest of her brain. But as you know, Tina was a fighter, a warrior. She fought and fought for a week until she passed that following Saturday, May 31st.

## OBITUARIES...

*Logan obit (Continued from pg. 3)*

Tina was the loveliest human. She had truly never met a stranger in her life. She was such a wonderful wife and absolutely the best mom. If there was ever a dark room, she could light it up by just entering it. She loved everybody, not despite their flaws, but with all of them that came. Let her memory teach us that there is no true love without pure acceptance. She was a true woman of joy, light, kindness, compassion, and warmth. A cheerleader to everyone. A ray of sunshine that is so deeply missed from this world. Let her beautiful life and memories live on with us inside all our hearts and remember to be a little more like Tina.

Repaving of eight streets scheduled to begin in July

Due to recent weather delays, Reynolds Asphalt is working to get their construction schedule back on track. The street repaving project in some Sanger neighborhood is now expected to begin on Monday, July 7, 2025, weather permitting. Crews will not work on all streets at once. They'll move through the area in phases, so you may not see work begin on some street that day — but they should be there soon after.

Streets included in this project: Carolyn Dr, Allen Dr, David Dr, Stephen Dr, Southland Dr, South Park Ct, South Meadow Dr, and Southside Dr.

(South Manor was repaved in 2023 and will not be included.)

Please avoid parking on the street during work hours. If you need to leave your driveway during the day, try to give the crew a heads-up — they'll work with you when possible. Less traffic helps the job move faster and keeps everyone safe.

If you have questions, contact Reynolds Asphalt at 817-267-3131 or Sanger Streets Department at 940-458-2571.
