Sanger Education Foundation Grant Patrol...

Sanger Education Foundation SURPRISING NINE grant recipients at Sanger ISD schools last month before the end of the school year. Total teachers and students impacted is almost EVERY SINGLE STUDENT and over 20 teachers! It was an incredibly special morning! In collaboration with the Sanger Education Foundation and our community partners, we were on grant patrol — surprising teachers and administrators at four different campuses with various grants. In all, the Sanger Education Foundation awarded nine different grants and three CTE awards for a total of \$45,513.33. These grants will go towards programs such as health sciences, space camp, rocket club, science lab equipment, E-sports and more! The Sanger News has been recognizing the grant recipients the last four weeks. Here are the final ones.

VersaTiles! One of the biggest challenges a teacher faces is getting students excited and engaged in learning. Congratulations to SHILA BORCHERT for being awarded an Instructional Grant that does just that. **BUILDS EXCITEMENT AND STUDENT ENGAGEMENT.** VersaTiles Math and Literacy Differentiated Kits provide access to all student activity Books for grades 1-6 impacting the entire student population of Butterfield Elementary. Grant Award is in the amount of \$4880.00 and partially made possible by the Carol Ann Springer Endowment, The Joan and Jesse Coffey Endowment and the Conger Family Endowment.

A little **DID YOU KNOW...**The Sanger Education Foundation in addition to Student Scholarships and Instructional Grants, provides an opportunity for supporters to Donor Direct to specific Student Programs such as Career and Technology Learning Programs all of which can lead to students earning endorsements, certifications and licenses in career fields. During Grant Patrol three Career and Technical programs received notifications of funds available to grow their programs benefiting students participating in those programs. The Kevin Dale Perry Health Science Endowment provided \$1750.00 in additional program funding for Health Science Students to participate in Competitions, Certifications fees, and/or consumable classroom teaching items. The Luttrull McNatt Endowment provided \$450.00 in additional funding for SHS Automotive and Welding Program, which last year was able to purchase laser disks for students to apply and design metal work. Lastly, the Dr. Karen Hamilton Veterinary Science Endowment provided \$1100.00 for the SHS Agriculture Veterinary Program which the program is using to purchase a K9 IV Trainer Kit.

Burn ban

(Continued from pg. 1)

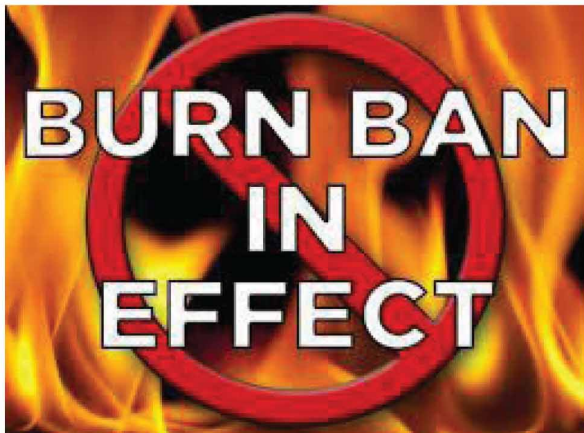

to keep water hoses ready and accessible in the event a small fire starts," said Denton County Emergency Services Chief Brad Sebastian. "Always call 911 early to notify your fire department of any fire to assure a faster response and that complete extinguishment has occurred."

Denton County Judge Andy Eads issued a mandatory burn ban at noon July 13.

The burn ban covers all of Denton County, including unincorporated and incorporated areas, according to Director of Community Relations Dawn Cobb.

"The mandatory burn ban will prohibit all outdoor burning, including restrictions on outdoor hot work (welding and cutting torch operations), and the use of certain combustible materials," according to the release.

A violation of the burn ban is considered a Class C misdemeanor,

which can be punished by a fine of up to \$500, according to the release.

Denton County is the 210th of 254 Texas counties that has a burn ban in

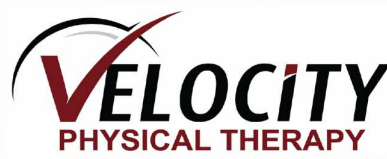

effect. Dallas, Collin and Tarrant counties also have initiated burn bans in recent weeks.
