COMPREHENSIVE PLAN PUBLIC MEETING # 3

We need Citizen Input for this City-wide Community Plan!

CANNOT MAKE THIS IN PERSON?

There will be an online survey starting later with the same questions that will allow you to review the presentation and provide input. This survey will be at the address below:

An online survey will be available during the week of September 27th

Comprehensive Plan Public Meeting #3 to be held Tuesday, September 21

The City of Sanger wants citizen input for the City-wide Comprehensive Community Plan. A third meeting will be held on Tuesday, September 21 from 6:00-7:30 p.m. at Butterfield Elementary School.

The Comprehensive Plan is: The blue print of the community; The guide for growth and development; Downtown Vision; Increase in Quality of Life items; Time schedule; Citizen involvement.

A new City of Sanger logo and "brand" was unveiled at the last meeting. The logo has a modern font with a historical look and a new saying - "Welcome To Sanger, When You're Here, You're Home."

The second meeting allowed for community input so that the city leadership could decide the best

developmental approach for the future. The public got to hear about three different scenario plans. Northern DFW Gateway is more business oriented, especially on I-35, with a lot of housing and apartments. The Neighborhood plan (Village) was more residential. It is still business interested, but more about housing, walking paths in neighborhoods, etc. The last plan (Ranch) is less density and favors historical preservation, large plots of land for houses.

Lesner pointed out there is a balance of Residential vs. Commercial Property and the Property value vs. the cost of municipal services.

1. Retail and office provides high property values and good revenue to city's via property tax.

2. It is commonly considered the break even point for SF residential vs. the cost of municipal services is \$250/\$300K.

3. All cities need a balance of commercial and residential land uses to provide good adequate services.

Norris Design established thirty-six (36) questions regarding the scenarios. They were listed by City Wide and Downtown for the 3 scenarios.

Results of those scenarios will be announced but will not be set in stone. There is still time for you to offer your opinion on September 21. If you can't make the meeting an online survey will be available during the week of September 27, 2021 at www.sanger2040plan.com/.

Sanger residents answer 36 questions about the three scenarios presented at the second Comprehensive Plan meeting. There is still time to offer your opinion and help with this Community Plan.

Meals on Wheels returns to Sanger five days a week

SPAN, Inc. is a 501 (c) (3) non-profit corporation which has been serving Denton County seniors, persons with disabilities, and veterans with nutrition and transportation services since 1974. [SPAN is an acronym for Special Programs for Aging Needs, the organization's original name.] They operate as two working divisions - Meals on Wheels of Denton County and SPAN Transit.

"At Meals on Wheels of Denton County, we are working to eliminate food insecurity among Denton County seniors by providing a hot lunch meal daily, Monday through Friday. For those who are age 60+, meals are provided at no cost," said Don Hankinson,

Program Site Liaison for SPAN, Inc. / Meals.

Since the onset of the present health emergency, they have been serving the Sanger area home-delivered meal clients with a weekly delivery containing five frozen meals. They have recently resumed the traditional service, consisting of a hot lunch meal delivered daily Monday thru Friday. Also, they have resumed operating the meal service from the Sullivan Senior on Bolivar Street in Sanger.

Seniors who are homebound because of physical or emotional disabilities receive meals delivered to them at their homes. For those who are out-and-about, they serve a congregated meal at the Sullivan Senior Center - 200 Bolivar Street in Sanger. To be eligible for

either program, participants must be 60 years old and complete a nutrition needs assessment.

To request home-delivered meal service for Denton County residents, call the Meals on Wheels office at 940 382 2224. To enroll for congregated meals, stop by and visit with site manager Julie Stephens at the Sullivan Center; Monday through Fridays, 10:00am until noon.

"This month, our volunteers will serve approximately 11,000 meals to more than 500 of our friends, neighbors, and family members here in Denton County. As you could imagine, this requires a small army of volunteers," added Hankinson. They are always looking for additional volunteers. See the volunteer flyer to the right:

OBITUARIES...

Roland Asebedo

Denton County loses dedicated emergency services leader. Denton County Fire Marshal Roland Asebedo, 56, passed away on Monday, Sept. 13, 2021, from complications with COVID-19.

A 23-year veteran law enforcement officer with more than 30 years in emergency services, also as a firefighter/EMT, Chief Asebedo saved countless lives in his dedication to serving others.

"Chief Asebedo spent his entire adult life in service to others – the epitome of a public servant," said Denton County Judge Andy Eads. "Roland was a one-of-a-kind leader, organizer, coworker and friend who will be greatly missed as a vital part of our Denton County family."

Chief Asebedo joined the Denton County Emergency Services in May 2004, working his way to Assistant Fire Marshal and Assistant Director of Development and Emergency Services. In October 2020, Judge Eads officially pinned Chief Asebedo as Denton County Fire Marshal and Director of Development and Emergency Services.

Before joining the Denton County staff, Chief Asebedo served as Fire Chief with the Highland Village Fire Department, Fire Marshal with the Coppell Fire Department and Assistant Fire Chief and Fire Marshal with the Plainview Fire/EMS Department.

Originally from Silvertown, Texas, Chief Asebedo studied Fire Science Technology at South Plains College. He obtained his Master Peace Officer certification in 1998 and his Associate Degree in Applied Sciences in 2002. The Chevron fuel sign comes down recently. While Snap Shop and the Shell that were on the corner of Chapman Drive and I-35 closed permanently, the Chevron owner will remain open, as a convenient store and authentic Mexican restaurant. He said business has been really good, even though they aren't selling fuel anymore. He hopes it remains that way when construction starts on FM 455 and I-35, because of the temporary entrances to the store.

Noble Solar and Storage Donates to Local Food Shelves

Last month, the construction team for the Noble Solar and Storage Project donated approximately 5,200 canned food items to four local food shelves: in Krum, New Life Baptist Church Food Shelf and Krum Fire Department Food Shelf; and in Sanger, Church of Christ Food Shelf and Linda Tutt High School Food Shelf. The food items were collected and donated by 300+ onsite construction team members throughout the month of August, representing the companies of National Grid Renewables, Signal Energy, DKD Construction, Granite Industrial, Inc., and Robco Construction.

"We are committed to being long-term, contributing community members here in the Sanger and Krum communities, and this is just one way we thought we could help out," stated Ken Donathan, Construction Manager for Noble Solar and Storage Project. "We look forward to continuing to work together with local residents, organizations, and businesses as part of our commitment to being community-focused."

The Noble Solar and Storage Project is currently under construction near the towns of Sanger and Krum in Denton County, Texas. Noble is a planned 275 megawatt (MW) solar energy project with a paired 125 megawatt hour (MWh) battery storage. The project is anticipated to create significant environmental and economic benefits during both construction and operation, including:

- ~250 construction jobs
 - ~3-5 onsite operations and maintenance jobs
 - ~\$26 million in new tax revenue during the first 20 years of operation
 - ~\$1 million in local donations through a project charitable fund
 - ~450,000 metric tons of carbon dioxide offset annually during operations
- National Grid Renewables, which includes the renewables development company formerly

known as Geronimo Energy, is a leading North American renewable energy company based in Minneapolis, Minnesota, with satellite offices located in the regions where it develops, constructs, and operates renewable energy projects. As a farmer-friendly and community focused company, National Grid Renewables develops projects for corporations and utilities that seek to repower America's electricity grid by reigniting local economies and reinvesting in a sustainable future. National Grid Renewables is part of the competitive, unregulated Ventures division of National Grid and has a portfolio of solar, wind, and energy storage projects located throughout the United States in various stages of development, construction and operation. Sanger celebrates the 70th Homecoming next month, Ex-Students luncheon canceled

The 2021 Sanger Homecoming plans have been announced. The theme this year will be "Lights, Camera, HOCO!" Hollywood. The football game is scheduled for Friday, October 1 vs. Vernon.

The parade set up and line up will take place at First Baptist Church Sanger on Saturday, October 2, 2021 at 9:00 AM. Line up will begin at 9:30 AM with the parade beginning at 10:00 AM. The route will travel from FBC-Sanger to 2nd Street, North on 2nd to Elm, West on Elm, South on 5th, East on Bolivar back to 3rd where participants can head back to FBC-Sanger.

****Important Information**** First Baptist Church cannot hold 18-wheelers, if you will have an 18 wheeler you must remain on the street, through the line up process.

The class of 1970 and 1971 will be the co-grand marshal this year. All other floats and participants will follow behind on a first come basis. Horses, bikes, and scooters will be the end of the parade. Please be safe and courteous through the line up process. For more information about the parade, contact Mrs. Evelyn Langley, Student Council Sponsor, at 940-458-7497 ext 259 or elangley@sangerisd.net.

The Sanger Ex Student Association officers have made the difficult decision to cancel their part of the Homecoming events because they believe the COVID situation is too risky for the Exes. They met on September 1, to make the final decision concerning this year's Homecoming Activities.

They had previously mailed out invitations, but considering the COVID situation, they decided to cancel the luncheon. This is the second year they have not been able to come together to celebrate the great traditions of Sanger High School. "It is not an easy decision for us, the Ex-Student officers, but we all agree that it is the right decision. You may go ahead and pay your dues and look forward to next year. Thanks to all of you Sanger Exes for understanding our decision," said Beverly Romines Howard, president of the Ex-Students Association.

Financial FOCUS

By Allen Chick,
Edward Jones

Plan ahead before joining the “Great Resignation”

It's been called the “Great Resignation” – the large number of Americans voluntarily leaving their jobs. If you plan to be part of it (ideally with another source of employment lined up), you'll need to make the financial moves necessary to keep making progress toward your long-term goals.

Here's some background: After a year in which the pandemic caused so many people to lose their jobs, the economy is opening back up, but the “quit rate” – the number of jobs people have voluntarily left – has been breaking records. Some economists say this high quit rate is because people are confident of getting better jobs, with higher pay and more flexibility to work at home, or because they are preparing to start their own business or join the gig economy.

If you're thinking of joining this temporary migration from the workforce, how can you help ensure that you'll be financially stable and can

continue to make progress toward your long-term goals?

Your first move is to look clearly at your financial situation. As mentioned above, it's best to have new employment in hand before you quit your job. Alternatively, perhaps you have a spouse or life partner who earns enough to sustain the two of you, or you've built up an emergency fund that gives you a cushion.

However, if your short-term income is less than you previously earned or you need to go without a paycheck for a while, could you still pay your bills? If you are strapped for cash, you might be tempted to tap into your 401(k) or other employer-sponsored retirement plan. But this move will generally result in taxes and, if you are younger than 59 1/2, a 10 percent penalty as well. Because of this, and because your retirement accounts are designed to be a financial resource after you retire, think twice before dipping into these funds if you leave your current employer.

If your employer allows it, you can leave your money in the 401(k) so you'll still be accumulating resources for retirement. You also have the option to roll those funds into an individual retirement account (IRA) or a new employer's retirement plan.

And if you plan to

work for yourself as a freelancer, consultant or business owner, you'll still want to save toward retirement. Possible retirement plans for the self-employed include an “owner-only” 401(k), a SEP-IRA or a SIMPLE IRA, all of which may be relatively easy to establish and offer tax benefits. A financial advisor can help you find a retirement plan that's appropriate for your needs.

Here's something else to keep in mind – an emergency fund. As mentioned above, if you already have one, you'll have some breathing room if you're thinking of leaving your job and might have a temporary gap in income. But as the name suggests, an emergency fund is there to help cover unexpected costs, such as a major home repair, without forcing you to take out a loan, or cash out part of your longer-term investments. So, if you are planning to tap your emergency fund, work to restock it as soon as possible.

If you're participating in the “Great Resignation,” it means you're feeling positive about your future employment prospects, which is great. But you'll want to support that optimism with a strong financial foundation.

Allen Chick is a Financial Advisor with Edward Jones in Sanger. He can be reached at 940-458-7866.
