Denton County Transportation Bond (Proposition A) on Nov. 8 ballot

The Transportation Road Improvement Program – 2022 (TRIP-22) is listed as Proposition A on the Nov. 8 Election Day Ballot. The program, if approved by voters, will fund more than 119 projects in more than 32 municipalities and unincorporated areas. The projects include state highways, local arterials within cities, safety improvements, and county roads and bridges.

Denton County is routinely in the top 10 fastest growing counties in the nation by percentage. Denton County's population grew approximately 43.5% from the 662,614 people who lived in the county in 2010 to an estimated 950,660 in 2022, according to the U.S. Census and the North Central Texas Council of Governments (NCTCOG). For comparison, the population in the U.S. grew 7.4% and the population in Texas grew 15.9% during that period. Denton County grows by an average of 82 people a day.

"As more and more people choose to take advantage of all that Denton County has to offer, diligence is required to ensure that the transportation infrastructure will be in place to serve both existing and future residents," said Denton County Judge Andy Eads. "We have seen our roads get more congested, leading to longer commutes and delays of our first responders heading to emergencies."

To date, Denton County Commissioners, working with transportation partners, have utilized the voter-approved proceeds of \$187 million from the 2004 road bond program and \$310 million from the 2008 road bond program to fund and construct more than \$8.4 billion in roadway projects throughout the county.

"Our partnership with the Texas Department of Transportation (TxDOT) and the North Central Texas Council of Governments has resulted in many transportation successes including the widening of IH 35E from the Denton/Dallas County line to US 380 to add additional capacity throughout the corridor, widening FM 1171 from IH 35E to IH 35W to 6 lanes, extending

FM 2499 from the Dallas/Fort Worth Airport to IH 35E in Denton, and the widening of FM 544, FM 423, FM 2181, FM 407 and many more," Judge Eads said.

Denton County was able to complete transportation projects while managing its road bond debt to maintain an AAA bond rating. Denton County is one of only seven counties out of the 254 counties in Texas to attain this rating. During that same period, the county's tax rate has dropped from \$0.28.49 per \$100 property valuation in 2012 to \$0.21.75 per \$100 property valuation in 2022. Lowering the property tax rate to the lowest level in over three decades has resulted in Denton County having the lowest countywide tax rate of the 15 most populated counties in Texas.

Additional improvements are needed to IH 35E, IH 35 North of Denton and IH 35W as the county's population increases, officials said. "Farm to Market roads in previously rural areas are struggling under the congestion occurring in the northern and eastern portions of our county. Roadways such as US 377 through Pilot Point, FM 1385, FM 2931 and Loop 288 West need widening to meet the residents' needs," Judge Eads said.

"Our communities are linked by many arterial roadways such as these that have been operating at or above capacity rates for years, as well as small asphalt and substandard roads under stress from increased heavy truck and local traffic," Judge Eads

SEE SAMPLE BALLOT and EARLY VOTING DATES & TIMES ON PAGE 4:

said. "Many new schools have been built and filled within Denton County, putting more strain on our overburdened system."

Working closely with elected officials and staff from cities within Denton County, the Denton County Commissioners Court was able to identify critical local roadway needs.

TRIP-22 was planned and developed to provide Denton County with the tools needed to accommodate the county's future growth. While providing the required local participation funds to advance the many TxDOT on-system projects critical to Denton County citizens, TRIP-22 is focused on local roads both within and between the communities across Denton County.

Early voting began October 24th and ends November 4th, 2022. Election Day is Tuesday November 8th, 2022.

For more information about individual projects, an interactive map and a list of projects are available at <https://www.dentoncounty.gov/trip22>.

Early voting started Monday for State and County General Election

Early voting for the November 8 General Election started October 24. The Sanger location is 101 Freese Street at the Sanger Community Center, but you can vote at any of the 49 locations

There are many hotly contested races on the ballot, including for Governor (Abbot / O'Rourke); United States Rep. District 26 (Burgess / Kolls); Lieutenant Governor (Patrick / Collier); Attorney General (Paxton / Garza).

There is a Denton County Proposition A:

"THE ISSUANCE OF \$650,000,000 GENERAL OBLIGATION BONDS FOR CONSTRUCTING, IMPROVING, REPAIRING AND MAINTAINING ROADS, BRIDGES AND HIGHWAYS WITHIN DENTON COUNTY, INCLUDING CITY, STATE AND COUNTY STREETS, ROADS, HIGHWAYS AND BRIDGES AND PARTICIPATION WITH FEDERAL, STATE AND LOCAL PUBLIC ENTITIES RELATED TO SUCH IMPROVEMENTS AND THE IMPOSITION OF A TAX SUFFICIENT TO PAY THE PRINCIPAL OF AND INTEREST ON THE BONDS."

The ballot includes unopposed candidates, as well. In the past there has been some confusion about Sanger's State Representative. Sanger resident, Dr. Lynn Stucky (District 64) represents most residents west of I-35 and Jared Patterson (District 106) boundary is most of Sanger east of I-35. See a zoom image of the new redistricting map for Sanger on page 5 for both candidates. Stucky and Patterson are unopposed.

Both SHS Cross Country teams advance to State

The Indians and Lady Indians each finished fourth overall (out of 24 teams) at the Class 4A Region I meet in Lubbock on Monday to qualify for the state meet in Austin.

Macy Cogburn also reached the podium individually, earning a bronze medal with a third-place finish against 170 other runners.

"I'm so happy for these kids. We are one of only three teams in 4A to have both the girls and boys team qualify for the state meet. We didn't quite get the placement that we

wanted but we get to move on to the next level," said Sanger coach Chase McMichael.

"On the girls side, we were disappointed with our 4th place showing just because of how close the team scores were. Only 16 points separated 1st through 4th place. Our number four girl fell at the beginning of the race and she was having to play catch up the entire time. She could have given up but instead she got up and kept fighting through it. She understands that sometimes, things like this happen and

we can't control it all of the time. We can control how we respond to it though. I can assure you she will be fighting and back up there with our top girls at state. While she did go down, we had 1 runner, Sydni Escobedo really step up and help us get to that 4th place showing."

The SHS boys had a great day. "They ran lights out. Coming in, we weren't sure if they would be able to get in just because of how competitive our new region is. Omar Cruz earned fifth place (out of 176 runners) led the way

though and made sure the team was in the right mindset. Cole and Cristian ran amazing as well as Sam. Khaedyn went through a tough patch of the race but fought through and helped us punch out ticket to state. These boys have fought through so much and continue to work their tails off day in and day out," added McMichael.

See complete team and individual Sanger results below:

The state track meet will be held Friday, Nov. 4 at Old Settler's Park in Round Rock.
