Richard Montgomery Briner

May 26, 1941 - October 18, 2021

Richard Montgomery Briner, Age 80, of Sanger, TX passed away peacefully on October 18, 2021, surrounded by his loving family. He was born on May 26,

1941, in Jacksonville, FL to Captain Richard and Dorothy Briner (USN retired) of Carlisle, PA.

Richard, also known as Dick, grew up in a Navy aviation family and lived at many bases across the U.S. as well as the Philippines. He attended William Tennent High School in Southampton, PA where he met his future wife Carolyn Mowers. Excelling in math and wrestling, he graduated from the U.S. Naval

Academy in 1964. He married Carolyn in 1965 at the U.S. Naval Academy Chapel in Annapolis, MD. They were stationed at Cecil Field in Jacksonville, FL where Dick flew the A-4 and A-7 attack aircraft. In July 1967 he served on the USS Forrestal flying combat missions into North Vietnam. After returning from a mission a catastrophic inferno broke out on the ship's flight deck. During this tragedy he helped injured sailors and aided in the recovery of the damaged ship.

In 1970 Dick transitioned from the active Navy and started flying for Delta Airlines. He and Carol moved to Texas and quickly settled on a grass airstrip near Sanger. Dick transferred to the Navy Reserve where he flew the F-8 and F-4 fighters at Navy Dallas. "Tricky" was known for a good Navy low pass or two over the airstrip in the early years where Old Glory was always flying

During his airline career Dick flew the L-100, DC-8, DC-9, B-727, B-737, L-1011, B-757 and B-767 aircraft. While flying the B-737, he instructed and mentored Delta pilots as a Line Check Airman fueling his passion for helping fellow aviators. In May 2001 he retired after 31 years as a B-767 Captain with an epic retirement flight and party in Nice, France.

Over the years, Dick had many interests that fed his zest for life and relentless work ethic. He started several small businesses, ran cattle with his wife and sons, raised

band Matt Fox of Plano, Trevor Adams and wife Jen- horses and goats, and he was instrumental in designing and developing an addition to the airstrip community near Sanger. Dick loved spending time with his family and friends, especially his grandchildren. He often told humorous stories accompanied by a quick smile. He also enjoyed flying, horseback riding, his animals, and his various homestead improvement projects. Dick was meticulous and ingenious; he could design, build, and fix almost anything—he instilled in his sons the importance of "attention to detail" to get the job done right the first time. He was a gifted horseman, a tremendous athlete, and it was common to see him put a wrestling move or two on his buddies or sons in the squadron, house, or hangar...even in his later years.

> Dick was generous and he enjoyed helping others. He coached Little League Baseball and Pee Wee Football during his sons' school years. He started and coached Sanger's first youth wrestling team. He was known for giving rides to friends of all ages in his Christen Eagle II or vintage Cessna 140. Often, these flights were a first-time airplane ride or an aerobatic thrill flight. Dick taught both of his sons to fly. In addition, he had a passion for mentoring young aspiring service members and pilots to help them achieve their goals and dreams.

Richard Briner was a courageous man having endured dementia for an extended period, always with his loving wife Carol at his side. His love of life, his humor and his smile will be remembered. He is survived by his wife Carol of 56 years; his sister Anne Supper (Lee); two sons Rich (Annette) and John (Bryn); his 5 grandchildren: Rachael, Katherine, Reese, Andrew, and Zachary; two nieces Nancy Fitts (Cubby) and Caty Fortuin

The family will receive friends on Saturday, November 13, 2021, from 10:30-11:00 am at the DeBerry Funeral Home, 2025 West University Drive, Denton, Texas with a service immediately following at 11:00 am. Interment with military honors will occur at a later date on the grounds of the U.S. Naval Academy. In lieu of flowers, donations may be made to the Wounded Warrior Project or the Dementia Society of America.

Mack Franco Chavez

March 10, 1934 - October 21, 2021

Macario (Mack) Franco Chavez passed away at home on October 21, 2021. He was born in Midland, Texas, on March 10, 1934, to Juan and Chona Franco

Chavez. He married Elena "Helen" Gonzales in Midland, Texas. They were married for over thirty years, and she preceded him in death in 1996.

On December 22, 2006, he and Deloris Gail Prater were wed in her home in Collinsville. Mack immediately accepted her children and family as his own.

He loved his family and friends, and he loved playing his guitar and singing, both of which

He is survived by his wife Deloris of Gainesville, Texas; four sons, Johnny of Oak Point, Texas, Luis (wife Debi) of Palmhurst, Texas, Steven of Sanger, Texas, and Macario G. of Denton, Texas, and his daughter Beatrice Chavez of Moriarty, New Mexico; twelve grandchildren, and numerous great-grandchildren, nieces, and Deloris's children and grandchildren also survive him

Rites of Cremation will be performed. Private family graveside services will be announced at a later date.

OBITUARIES...

Charles Wayne Brooks

August 28, 1934 - October 22, 2021

Charles Wayne Brooks, born August 28, 1934, passed away peacefully on October 22, 2021 at the age of 87 after a heroic battle with Parkinson's.

Charles graduated from Texas A&M University in 1955 with a degree in Electrical Engineering. He worked for Lockheed Martin (formally General Dynamics) for over 45 years, during which he married the 'Bride of his Youth', Martha Brooks in 1957. As a continuous learner, he obtained his Professional Engineering license and a Masters of Science in Electrical Engineering. He worked on numerous aircraft and ushered in the new age of computer integration.

Charles was a long-time member of First Presbyterian Church in downtown Fort Worth. In his later years, Charles found more ways to serve, he counted money on Mondays after church services, served at Worship on Wednesday and First Hand in which he provided food and clothing to anyone in need. He had a big heart, a witty sense of humor and an even greater laugh.

He is survived by his wife, Martha Brooks, two children, Christopher Brooks and wife Kim and Allyson Walker and husband Randal, and three grandchildren, Savannah Brooks and fiancé Jacob Dobson, Jacob Perry and wife Kelsie and Seth Brooks.

In lieu of flowers, the Brooks family asks that you donate to First Presbyterian Church or Punching Out Parkinson's (punchingoutparkinsons.org).

Celebration of life will be held at First Presbyterian Church, 1600 Penn St Fort Worth TX 76102, on Friday October 29 at 11am in the Great Hall.

Bond Committee (Continued from pg. 1)

15 and the following two meetings, the committee will start putting together the information they have received to this point to establish a package that will best fit the district based on information gathered, needs assessment, and cost comparisons.

A new high school is being considered, along with other scenarios. The district has plenty of land just east of the current high school to build a two-story campus, housing 1200 students. The most logical idea is construct a new high school and 6th, 7th and 8th grade students would move to the current high school.

A CTE stand-alone center could be proposed, as well. The Career and **Technical** Education (CTE) Center is a facility with real-world learning spaces and equipment for students in grades nine through twelve. ... High school students take introductory classes and all core classes at their home campus and then take advanced courses at the CTE Center. Also SMS eighth grade students can take high school courses at the

center.

The bond proposal could be over 100 million. But, some items would be a La Carte, listing some separately for voters. Construction of a new high school, CTE Center and more possibilities could be a new Agricultural Barn and upgrade touches on all the SISD campus buildings in the district. They are also considering a possible Field House with locker rooms and conces-

In 2020, there was a change in the state's bond election procedures. Now you can vote for the first time on individual projects rather than a single bond package. Sports and fine arts facilities are listed on separate parts of a school bond package. In prior years, Texans cast a single vote on an entire bond proposal, with no opportunity to reject specific spending requests.

sion stand for the stadium.

Once the committee presents their findings to the board a bond election will be announced for next year. There will be several Town Hall Meetings scheduled for the public to attend, because the district wants to be transparent and inform voters.

Indians varsity football beats Krum in rival game 24-20

The Indians found themselves down 7-0 to the Krum Bobcats after the first period, but reeled off 24 points in the second quarter. Krum rallied to make it 24-21 late in the game, but Sanger held on for the big district win. Sanger is 5-3 overall and 1-1 in district. They travel to Van Alsytne on Friday, for a 7:30 p.m. kickoff. Van Alstyne is 6-2 overall and 1-1 in district. They beat Krum 43-14 and lost to Celina last week 41-12.

SHS Varsity Cross Country teams advance to State

The SHS varsity girls and boys cross country teams qualified for state on Monday. The Lady Indians placed second out of 22 teams and the Indians came in third out of 24 schools at regionals. The regional meet was held at Lynn Park at Joe Pool Lake in Grand Prairie. Freshman Kyley Cochran and junior Omar Cruz led their teams with fourth and eighth place finishes, respectively. Both Sanger teams will compete at the state meet on Saturday, November 6 at Old Settlers Park in Round Rock.

Taking off our mask

Halloween is a time of year that many people, kids and adults alike, look forward to. It's a time where you can dress up, put on a costume and a mask, and be anyone you want to be. But what if I told you that Halloween isn't the only time of year that people wear masks? In fact, most people wear a mask every day of their life. I'm not talking about a literal mask that we can see, but a figurative mask. An invisible mask. A mask that allows us to morph into whomever we feel like we need to be to make others like us. Some people put on a 'nice' mask, so they hide their true thoughts and feelings to fit in. Others put on a 'tough' mask, pretending to be able to manage everything and not needing any help from others.

Some put on a 'perfect' mask, pretending that their life is perfect and that everything is in order. Most people use masks to feel like they fit in, it allows them to hide their true thoughts and feelings and adapt a more 'socially acceptable' way to present themselves.

So, why is this unhealthy? Well, constantly wearing a mask means you are denying yourself the opportunity to live an authentic life. You do not allow the world to see who you are because you are afraid that you won't be accepted by others. This is exhausting! By taking off your mask you are allowing your true self to shine through. And that's what the world needs! Our uniqueness and individuality are what makes us special.

So, this Halloween season challenge yourself to go against the cultural norm and take your mask off, let your true colors shine!

DATCU CREDIT UNION

Our Story

You know the saying "people over profits"? That's how we operate. DATCU is sort of like a bank in that we offer a lot of financial services. The difference is banks exist to make a lot of money. Credit unions like ours exist to help people make the most of their money.

Congratulations on 43 years of the Sellabration Festival

A NOTE FROM THE DIRECTORS...

The Sanger Area Chamber of Commerce Sellabration is our passion! We work on this event all year and it takes hundreds of hours of work, phone calls, emailing, and road miles to get it all together. We always have a terrific crew show up to help the week and day of Sellabration. Work is more fun when we work together. I extend a great big thank you to everyone who helps coordinate and work this event, even if you help for just an hour or two.

The Sanger Area Chamber of Commerce, a non-profit organization, was established to advance the general welfare and prosperity of the Sanger Area so that its citizens and all areas of its business community shall prosper. The proceeds generated by Sellabration go to aid the Chamber of Commerce in continuance of their mission. So, by attending and participating in Sellabration, you are aiding in the ability of the Chamber to provide all necessary means of promotion and emphasis given to the economic, civic, commercial, cultural, industrial, and educational interest of the Sanger Area.

Thank you,
Jan Howard
Director and Past President
Sanger Area Chamber of Commerce

Having been involved in Sellabration for 6 years, I can honestly say that this event is not possible without the volunteers and sponsors! All the people behind the scenes, the ones that get little to no recognition are the heartbeat of Sellabration. I am so thankful and grateful to everyone this year who has helped organize and contributed to this event.

I am so excited for all of you to be part of this event. Enjoy the food, games, music, activities and all the best shopping experiences around.

Thank you, Debbie Reaves Administrator

The Chamber of Commerce serves as a neutral pivot point for business owners and professionals to come together to network. They provide the platforms and opportunities for members to execute. True Networking is turning business relationships into friendships that in turn provide you business. Friends do business with those they TRUST, building trust takes time and time means you have made a continual effort. In a time that we are so accustomed to doing business through the internet, phone calls and text; it is even MORE important that we come together FACE TO FACE and have genuine conversations. Times may have changed, marketing may have changed, but building an authentic connection has not and that is what the Chamber of Commerce can and does offer if you take advantage of the platforms in which they provide.

Sellabration is an event that we look forward to every year. No one ever thought how successful this event would be when they set out to organize the first one – 43 years ago. Now, we have people from all around the Northeast Texas & Southern Oklahoma area come to participate in Sellabration. This event now averages 5,000 visitors. Sellabration offers a chance to shop from various vendors; enjoy school organizations who perform; great food; listen to good music and just an opportunity to enjoy being out amongst friends, family, and the community. To make all of this happen is a labor of love. It is a LOT of work, and it requires several volunteers. So, we want to thank EVERYONE who has put in the time and effort to make Sellabration happen! To all the sponsors - we could not make this event happen without you. To all the volunteers, this is not possible without you, and we are so grateful for willingness to serve your community. Everyone from the directors to the cleanup crew, you are appreciated!!

Regards,

Sanger Area Chamber of Commerce Directors and Staff
