LSA Burger, Barley & Board, Serve Denton team up to serve 311 free Thanksgiving meals

This Thanksgiving, LSA Burger Co., Barley & Board and Serve Denton partnered up to present #GivingThanksgiving. This is the third year Serve Denton has organized the event with the two Denton restaurants.

The process began again this year by contacting a few of Serve Denton's nonprofit partner agencies and community partners to collect names of people who were home-bound for the holiday and would be in need of a Thanksgiving meal.

The two restaurants volunteered to cook the Thanksgiving meals complete with a turkey, sides, silverware and dessert for as many people as needed. And they covered all of the costs!

Last year, meals were delivered to 26 families (121 individuals). This year, that number increased to 90 families (311 individuals).

The Preparation: Two Serve Denton staff members contacted each family to confirm they would be in town and wanted to receive a free Thanksgiving meal. Many of the calls ended in tears of joy and thankful hearts; families anxiously awaiting Thanksgiving Day.

Volunteers delivered meals to the 90 local families, feeding 311 individuals. Volunteers picked up the pre-cooked meals at Barley & Board on Thanksgiving Day, then immediately delivered the meals to their assigned family in Denton County.

One Grateful Mom: A few days before Thanksgiving, Serve Denton had one vacant spot open up that Serve Denton Operations Assistant Kinsey Adamson was desperately trying to fill.

After brainstorming with Danita and Annie, other Serve Denton staff members, she remembered a lady she had recently met at church who was new to the area. She didn't want to offend her and wasn't sure how she would take being asked if she needed a meal. So she decided to call her.

The woman was beyond grateful and responded, "This is such an answered prayer. We don't have any money to buy a turkey. I have already used my food stamps for other food. We were just going to eat peanut butter and jelly sandwiches for Thanksgiving. Is it possible to get a plate for me and my husband? My two kids can share a plate."

Kinsey told her she would actually get a meal for SIX people and would have plenty for leftovers. Then they prayed together and ended their conversation.

For more information about volunteer opportunities in our area, email volunteer@servedenton.org, and we will add your email to our monthly volunteer newsletter.

I believe that even the smallest act of compassion can have a large impact.

We believe that every moment matters. We believe in compassionate care. Most of all, we believe in dignity and respect for each patient we serve. Maybe that's why so many families believe in us when it comes to choosing a hospice provider.

DCVB's Dec. 12 "Planner's Zone Showcase" to feature over 65 vendors

The Denton Convention & Visitors Bureau will host their annual "Planner's Zone Showcase" on Tuesday, Dec. 12 from 11 a.m. to 2 p.m. at the brand-new Embassy Suites by Hilton Denton Convention Center, 3100 Town Center Trail in Denton.

The Planner's Zone was created, under the guidance of CMP Dana Lodge, to reinforce the diverse, high-quality facilities offered in Denton – usually at much more competitive prices than planners can find in our larger neighboring cities. In other words, we have a lot to offer here in Denton, with great prices, so why go anywhere else?

The Planner's Zone is open to the public and is FREE! Stop by and sample food from local caterers, get ideas for promotional products and visit with hotels, meeting facilities, and transportation companies. Door prizes will also

be given away throughout the event. For more information, visit discoverdenton.com. Vendors for the Planner's Zone Showcase, as of Dec. 1, are:

Clay Shoot raises over \$17,000 to benefit Community Health Center

Photos courtesy of Alicia Hargrove

The Foundation Board of Health Services of North Texas (HSNT), a nonprofit community health clinic in Denton, held their 2nd annual Sporting Clay Shoot at Fossil Pointe Shooting Grounds on Friday, November 10, 2017, raising over \$17,000.

Funds will support HSNT's mission of providing primary medical care for the entire family including prenatal care, counseling services, and chronic and infectious disease care management.

This month, HSNT celebrated the grand opening of their brand new health center located at 4304 Mesa Drive, Denton, TX 76201. The new center will allow HSNT to serve an additional 1,200 people who need medical care – regardless of their ability to pay.

This year's event far surpassed our expectations. "The teams and sponsors made this the fun, successful, and impactful event it was," said Eric Lamon, chair of the fundraiser. "All funds go toward supporting the important work being done by HSNT in caring for our neighbors who need medical care. The entire community benefits when its residents are healthy."

Thank you to the teams that helped to make this 2nd Sporting Clay Shoot a success: Axis Construction | Bill Utter Ford | Catalyst Oilfield Services | DATCU | First United Bank KJE Environmental | Merki and Associates | Reata Brokerage Services | RE/MAX North Texas Point Bank | Team Canada | Vector Automation Technologies City of Denton Police Department | Watermark Global. Special thank you to sponsors: Angi Gibson, DATCU, RE/MAX North Texas, and Randy Robinson with Point Bank for providing a terrific lunch for all the teams.

For more information on Health Services of North Texas and their mission, clinic locations, or Board opportunities, please contact Elizabeth Ashmore at eamore@healthntx.org or 940-381-1501 x53-3006

Denton's Shop with a Cop program seeking donations

The season of giving is here, which means the Denton Police Officers Association (DPOA) is preparing for their annual Shop with a Cop event. Now in its twenty-sixth season, Shop with a Cop has helped more than 2,100 children have a merry Christmas and allows children to go shopping with officers and employees of the Denton Police Department during the holidays.

The program allows the children that were nominated/selected to participate in the program a paid shopping experience with police officers and civilian employees of the Denton Police Department. This program's aim is to allow the children of families that may be struggling to make ends meet or have had a catastrophic event in their lives a chance to have a joyous holiday experience.

Their goal this year is to assist at least 150 children. With donations from

the community and monetary and time donations from the officer and civilian employees of the Denton Police Department, we hope to make this year another great success! Year after year as this event has grown and it continues to be a very rewarding experience for everyone involved.

This year's shopping event is scheduled for December 11 in Denton.

The community's continued support of Shop with a Cop has made its success possible for twenty-six years. The program is a nonprofit charitable organization, so donations are tax deductible. While they haven't met their 2017 goal quite yet, the good news is that there is still time to give! Donations can be made at a local DATCU location, on the Shop with a Cop website at dentonshopwithacop.com, or mailed directly to the Denton Police Officer's association at PO Box 51103, Denton, TX 76206.

Tips for Open Enrollment 2017

The open enrollment period for health insurance is here! Are you prepared? Make sure you are on top of your game with these seven tips:

1. Mark your calendar – Open enrollment periods are only open for a limited amount of time. If you are planning to sign up for coverage through the Health Insurance Marketplace, December 15, 2017 is the last day to enroll in or change plans for coverage to start January 1, 2018.

2. Check your current coverage – Review your current coverage. You'll want to know your current deductible and benefit levels so you can compare this year's offerings to what you had last year.

3. Look back at your bills – Examine your health insurance bills from this year. Did you meet your deductible? Were your providers covered at an in-network rate? What was your premium? Having this information in hand will help you decide on the best coverage for next year.

4. Catalog the changes – Are you anticipating any changes to your finan-

cial status this year? Planning on moving across the state? Know that you'll need a medical procedure? While you can't anticipate every change, having a clear picture of what's coming will help you pick the right coverage during open enrollment.

5. Examine your choices – What plans are available for you to choose from? Look at the premium (the monthly cost) as well as the deductible, copay or coinsurance, and out-of-pocket maximum for each available plan.

6. Preview the providers – Most plans have a network of providers they contract with. Seeing one of these providers saves you money. Check to see if the list of in-network providers includes the providers you want to see.

7. Search the formulary – If you take any prescription drugs regularly, make sure these drugs are covered under the plan's formulary, or you could be in for an expensive surprise at the pharmacy. If your drug isn't covered, talk to your doctor about switching to a medication that is on the formulary.

Choosing the right health insurance plan involves many factors, and it's easy to get overwhelmed. If you need help choosing the right plan during open enrollment, contact us at Ramey King Insurance. Our insurance experts can help you sort through all the options and find the best one for you. Assistance is available via phone at 1-800-453-9691, or you can visit us in person at 320 Eagle Dr. in Denton for professional help with any and all insurance matters. 3 insider tips to saving money shopping online

Surveys suggest that more than half of holiday shopping takes place online, and that figure grows every year. But as blissful as online shopping is, the Internet is a sterile environment. Unlike your local shopping mall, you can't land an online discount by asking for a deal or "knowing a guy."

You can scan product price tags on individual sites till you go cross-eyed, but you'll always feel like you're missing a steal. But there are ways to be an extreme online deal finder without making it a full-time job.

We're all in a hurry but still, like to save money. Here are some techniques I use to maximize my holiday cheer and minimize the money spent.

1. Save money with Honey:

Serious shoppers are obsessed with online coupons, as they should be. You can save piles of money when you find the right promo code. Stores often offer free shipping or membership with the right purchase. But unlike paper coupons, which you can easily bundle in your wallet or purse, virtual codes have a habit of getting lost or even expiring.

That's the glory of Honey, a browser extension for Chrome, Firefox, and Opera. The service automatically finds coupon codes for the site you've visited and applies them when you check out. This way, you don't have to search your email or hard drive for a string of nonsensical numbers; Honey quickly finds them for you.

To get started, install the Honey browser extension. You'll see a gold button on your browser bar, and all you have to do is click this icon to view all available sales and coupon codes. The service works for thousands of websites, including Amazon, Nike, Bloomingdales, and Kohls. Honey can apply codes to a limitless range of products, from sweaters to pizza.

Best of all, Honey is a free service, and the developer says they won't sell your shopping data to other companies.

2. Get Invisible Hand:

"Buyer's remorse" is an awful feeling. You pick a great Christmas gift, you click "purchase," and then you find the same item on another website for far cheaper. You feel like you've been ripped off. Over-spending on this one item means you can't give as many gifts as you'd hoped.

InvisibleHand helps prevent this from happening. It's a browser extension that notifies you if a product is available from another online retailer for less. You need only press a button, and you'll be linked to the relevant page of a competing website. There's also a drop-down menu so that you can compare prices on several sites at once. The company claims average savings of \$7.55 per purchase.

You can think of InvisibleHand as a personal shopping assistant. The add-on compares prices across dozens of online stores, including big names like Best Buy, Home Depot, Target, and Walmart. You'll also see results from select specialty stores.

InvisibleHand has a lot of handy features: It's unobtrusive on your screen, so you barely notice the add-on until you need it, and it works seamlessly with Google searches. You can also find real-time prices because InvisibleHand refreshes its listings every time you use it. This way, you won't be surprised by a sudden spike.

InvisibleHand is a free application for Google Chrome, Safari, and Firefox.

3. Know the shopping cart trick:

Here's a clever trick for folks who like to manipulate the system: Shop around a familiar website, put your items in your shopping cart, and then go to the check-out.

But instead of actually checking out, close the browser window. If you've ordered items from the site before, the retailer should have your email address on file. Companies will often write to notify you that you've left items in your cart. To encourage you to complete the purchase, these companies may send you coupons for those particular items.

This trick doesn't always work, but I've personally scored 20% discounts by not completing my order. If you're planning to buy the items anyway, there's no harm in trying.

Bonus: Signup for loyalty programs:

When it comes to loyalty programs, I don't blame you for being cautious. Nobody wants that flood of junk mail, and many retailers have been accused of abusing fine print and selling customer data.

But if you're careful, members' clubs

may also save you money. Many retailers have rewards programs that offer big discounts on your first purchase, especially around the holidays. If you love the company, you won't mind receiving emails with sales and promotions, and you can almost always opt out of an overwhelming list.

ITS NAMED SERVE DENTON'S NOVEMBER BUSINESS PARTNER OF THE MONTH

Serve Denton honored Innovative Transportation Solutions (ITS) at its board meeting on Thursday, November 9, 2017, as its Business Partner of the Month for November. ITS has been a faithful supporter by sponsoring Serve Denton's annual gala for all five years and sponsoring the organization's most recent Topgolf Tournament.

ITS owners John and Lisa Polster have contributed not only financially, but by volunteering their time and expertise. John Polster served on Serve Denton's Colocation Committee in 2014 and Lisa Polster served on the Celebration Committee from 2013-2017. The Polsters have graciously provided major donations to their silent auctions, such as golf packages and Texas Motor Speedway packages, for Celebration and golf tournaments.

Serve Denton is thankful for Innovative Transportation Solutions' commitment to advance the organization's mission to support nonprofits that open doors for people to become self-sufficient.

For more information about Serve Denton, contact Executive Director Carlie Kuban at ckuban@servedenton.org or visit www.servedenton.org.

SWEAT TEAM NAMED SERVE DENTON'S OCTOBER BUSINESS PARTNER OF THE MONTH

Left to right – Serve Denton Board Chair Tim Crouch, SWEAT Team Director Wayne Carrigan, and SWEAT Team Member Alan Hess.

Serve Denton honored SWEAT Team at their board meeting on Thursday, October 12, 2017, as their Business Partner of the Month for October. Since Serve Denton's inception, SWEAT Team has stepped in to help Serve Denton through various construction projects.

SWEAT Team helped lay the initial renovations in 2014 when Serve Denton moved into Denton Bible Church's old sanctuary building. A few years later, the organization needed to add a counseling room to accommodate one of their new partner agencies, Youth & Family Counseling. SWEAT Team volunteered their time to divide one of the current offices into two separate counseling rooms.

SWEAT Team also helped install the playground at The Wheeler House after it was donated to the organization. Most recently, SWEAT Team built an ADA complaint ramp at Serve Denton's interim offices and helped the organization move into the modular offices behind their newly purchased building.

Serve Denton is thankful for SWEAT Team's commitment to advance the organization's mission to support nonprofits that open doors for people to become self-sufficient.

For more information about Serve Denton, contact Operations Director Danita Summers at dsummers@servedenton.org or visit www.servedenton.org. For more information about SWEAT Team, contact Wayne Carrigan at sweat@dentonbible.org or visit www.dbcm.org/denton/s-w-e-a-t-team.
